Redemptive History And The New Testament Scriptures:

Redemptive History and the New Testament Scriptures Herman N. Ridderbos, 1988 An investigation of the New Testament canon and how it fits into redemptive history *A Theology of the New Testament* George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

A Biblical-Theological Introduction to the New Testament Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight *Encountering the New Testament (Encountering Biblical Studies)* Walter A. Elwell, Robert W. Yarbrough, 2022-11-15 Studying the New Testament can be an exciting and intimidating experience This readable survey is designed to make the adventure less daunting and more rewarding Two experienced classroom teachers offer a new edition of their bestselling and award winning textbook over 250 000 copies sold This fourth edition takes into account the dramatic shift in the global Christian population Other distinguishing features include abundant images maps and charts all in full color sidebars that address ethical and theological concerns and provide primary source material focus boxes isolating key issues chapter outlines learning objectives and summaries and study questions An accompanying website through Baker Academic's Textbook eSources offers an array of resources for students and professors Resources for students include flash cards and self quizzes Resources for professors include discussion questions and a test bank **Theology of the New Testament** Frank S. Thielman, 2011-03-22 Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid Theology of the New Testament takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book's theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the

theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman's *Theology of the New Testament* is an outstanding achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobes PhD Associate Professor of New Testament Westmont College *A New Testament Biblical Theology* G. K. Beale, 2011-12-01 Christianity Today 2013 Book Award Winner In this comprehensive exposition a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament G K Beale coeditor of the award winning *Commentary on the New Testament Use of the Old Testament* examines how the New Testament storyline relates to and develops the Old Testament storyline Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter day new creation and kingdom Offering extensive interaction between the two testaments this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ This major work will be valued by students of the New Testament and pastors alike **Reading the Bible**

Missionally Michael Goheen, 2016-11-27 Academy of Parish Clergy's Top Ten Books for Parish Ministry Insights from a noteworthy convergence of top scholars in biblical studies and missiology Over the past half century it has become clear that mission is a central theme in the Bible's narrative and moreover is central to the very identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education CONTRIBUTORS Craig G Bartholomew Richard Bauckham Carl J Bosma Tim J Davy Dean Flemming John R Franke Mark Glanville Michael W Goheen Joel B Green Darrell L Guder George R Hunsberger Timothy M Sheridan Christopher J H Wright N T Wright *Out of Egypt: Biblical Theology and Biblical Interpretation* Zondervan, 2011-03-01 Biblical theology attempts to explore the theological coherence of the canonical witnesses no serious Christian theology can overlook this issue The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question In a time when some voices are calling for a moratorium on biblical theology or pronouncing its

concerns obsolete this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise Richard B Hays George Washington Ivey Professor of New Testament The Divinity School Duke University USA This volume on biblical theology jumps into the fray and poses the right kind of questions It does not offer a single way forward Several of the essays are quite fresh and provocative breaking new ground Bray Reno others set out the issues with clarity and grace Bartholomew others offer programmatic analysis Webster Bauckham others offer a fresh angle of view Chapman Martin The success of this series is in facing the challenge of disarray in biblical studies head on and then modeling a variety of approaches to stimulate our reflection Christopher Seitz Professor of Old Testament and Theological Studies St Andrews University UK

The Good Confession Daniel R. Hyde,2007-01-01 Today too many Christians are followers of novelty religious fads and strange new doctrines unheard of in the history of the church On the contrary to be a Christian is to join the great cloud of witnesses Heb 12 1 through the ages confessing with the Body of Christ the faith that was once for all delivered to the saints Jude 3 This is what Paul called the good confession 1 Tim 6 12 This workbook will lead you in a study of what it means to be a Christian from the vantage point of the Bible the ancient Christian creeds and the Protestant confessions of the sixteenth century

Why a "New Testament"? Levi S Baker,2025-09-22 Why would early Christians perceive the need for a New Testament Unfortunately most studies on the NT canon concentrate on its development and closing to the neglect of its impetus Yet NT texts like 1 Tim 5 18 and 2 Pet 3 16 reveal that within the first century early Christians began receiving recent Christian texts as Scripture on par with their Old Testament scriptural collection What explains this rapid and remarkable development Levi Baker traces the connection between Scripture and covenant in early Judaism and early Christianity arguing that the answer lies in early Christianity s conviction that Jesus had inaugurated the new covenant

B. B. Warfield's Scientifically Constructive Theological Scholarship David P. Smith,2011-08-05 B B Warfield the Lion of Princeton is perhaps America s most prolific and preeminent biblical and theological scholar and yet he has been largely misunderstood and misrepresented In this landmark work David Smith penetrates to the defining features of Warfield s thought and helps us understand its revolutionary character Warfield s detractors have maligned his thought as static and beholden to an outdated epistemology yet Smith debunks this myth Placed within his historical context we discover Warfield expressing the organic and dynamic nature of truth overcoming the subject object dilemma that plagues Western epistemological rationalism and mysticism and all through his explaining the doctrinal system warranted by the Bible Theological scholarship and American church historiography will have to reckon with this fresh and much needed apologetic on America s preeminent apologist Faith and Reason Brian Besong,Jonathan Fuqua,2019-05-20 Too smart to believe in God The twelve philosophers in this book are too smart not to and their finely honed reasoning skills and advanced educations are on display as they explain their reasons for believing in Christianity and entering the Roman Catholic Church Among the twelve converts are well known professors and writers including Peter Kreeft Edward Feser J Budziszewski Candace Vogler and Robert Koons Each story is unique yet each one details the various perceptible ways God drew these lovers of wisdom to himself and to the Church In every case reason played a primary role It had to because being a Catholic philosopher is no easy task when the majority of one s colleagues thinks that religious faith is irrational Although the reasonableness of the Catholic faith captured the attention of these philosophers and cleared a space into which the seed of supernatural faith could be planted in each of these essays the attentive reader will find a fully human story The contributions are not merely collections of arguments they are stories of grace Introducing Biblical Hermeneutics Craig G. Bartholomew,2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook The Drama of Scripture writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God s address today

Remythologizing Theology Kevin J. Vanhoozer,2010-01-14 The rise of modern science and the proclaimed death of God in the nineteenth century led to a radical questioning of divine action and

authorship Bultmann's celebrated demythologizing Remythologizing Theology moves in another direction that begins by taking seriously the biblical accounts of God's speaking. It establishes divine communicative action as the formal and material principle of theology and suggests that interpersonal dialogue rather than impersonal causality is the keystone of God's relationship with the world. This original contribution to the theology of divine action and authorship develops a fresh vision of Christian theism. It also revisits several long-standing controversies such as the relations of God's sovereignty to human freedom, time to eternity and suffering to love. Groundbreaking and thought provoking it brings theology into fruitful dialogue with philosophy, literary theory and biblical studies.

Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics Jason B. Hunt, 2019-09-27. Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics seeks to answer the question: What does Van Til have to do with hermeneutics? It is argued that some of the most relevant concerns in the field of contemporary hermeneutics are similar to those addressed by Van Til in the area of apologetics. Van Til's approach involved a self-conscious consistency between method and theology proper in order to reason according to the Christian worldview found in Scripture. Just as one's apologetic method should be consistent with the theology revealed in the Bible, so also should one's hermeneutic. This work not only argues that Van Til has an important place in the hermeneutical discussion but also demonstrates his place in terms of the main contours in his doctrine of God. In doing so, certain influences on evangelical hermeneutics are considered according to consistency with theology proper. Lastly, a Van Tillian hermeneutic is applied to the often-debated issue concerning the New Testament use of the Old Testament.

A Better Way Michael Horton, 2003-05. A challenging examination of the biblical and theological issues underlying a distinctively Christian view of worship.
