Scream Queens Calvin Thomas Beck, 1978 **The Films of Jess Franco** Antonio Lázaro-Reboll, Ian Olney, 2018-08-20
The Films of Jess Franco seeks to address the scholarly neglect of this legendary cult director and to broaden the conversation around the director's work in ways that will be of interest to fans and academics alike **Horror Film Directors, 1931-1990** Dennis Fischer, 2024-10-17 This is an exhaustive study of the major directors of horror films in the six decade period For each director there is a complete filmography including television work a career summary critical assessment and behind the scenes production information Fifty directors are covered in depth but there is an additional section on the hopeless the obscure the promising and the up and coming **Scream Queens Paper Dolls** Tim Foley, 2015-10-21 Dolls of 16 actresses each with one movie outfit include Elsa Lanchester in Bride of Frankenstein Janet Leigh in Psycho Jamie Lee Curtis in Halloween and many others *Icons of Horror and the Supernatural* S. T. Joshi, 2006-12-30 Horror and the supernatural have fascinated people for centuries and many of the most central figures appear over and over again These figures have gained iconic status and continue to hold sway over popular culture and the modern imagination This book offers extended entries on 24 of the most enduring and significant figures of horror and the supernatural including The Sea Creature The Witch The Alien The Vampire The Werewolf The Sorcerer The Ghost The Siren The Mummy The Devil and The Zombie Each entry is written by a leading authority on the subject and discusses the topic's essential features and lasting influence from the classical epics of Homer to the novels of Stephen King Entries cite sources for further reading and the Encyclopedia closes with a selected general bibliography Entries include illustrations sidebars of interesting information and excerpts from key texts Horror and the supernatural have fascinated people for centuries with many of the most central figures appearing over and over again across time and cultures These figures have starred in the world's most widely read literary works most popular films and most captivating television series Because of their popularity and influence they have attained iconic status and a special place in the popular imagination This book overviews 24 of the most significant icons of horror and the supernatural **Vampira** W. Scott Poole, 2014-08-18 This whip smart piece of pop culture details the life of the cult horror figure as well as the much wider story of 1950s America its treatment of women and sex and a fascinating swath of Hollywood history In Vampira Poole gives us the eclectic life of the dancer stripper actress and artist Maila Nurmi who would reinvent herself as Vampira during the backdrop of 1950s America an era of both chilling conformity and the nascent rumblings of the countercultural response that led from the Beats and free jazz to the stirring of the LGBT movement and the hardcore punk scene in the bohemian enclave along Melrose Avenue A veteran of the New York stage and late nights at Hollywood's hipster hangouts Nurmi would eventually be linked to Elvis Orson Welles and James Dean as well as stylist and photographer Rudi Gernreich founder of the Mattachine Society and designer of the thong Thanks to rumors of a romance between Vampira and James Dean his tragic death inspired the circulation of stories that she had

cursed him and better yet had access to his dead body for use in her dark arts In Poole s expert hands Vampira is more than the story of a highly creative artist continually reinventing herself but a parable of the runaway housewife bursting the bounds of our straight laced conventions with an exuberant display of camp sex and creative individuality that owed something to the morbid New Yorker cartoons of Charles Addams the evil queen from Disney s Snow White and the popular underground bondage magazine Bizarre and forward to the staged excesses of Madonna and Lady Gaga Vampira is a wildly compelling tour through a forgotten piece of pop cultural history one with both cultish and literary merit sure to capture the imagination of Vampira fans new and old

Nightmare Movies Kim Newman,2011-04-18 Now over twenty years old the original edition of Nightmare Movies has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye

Women Make Horror Alison Peirse,2020-09-17 Winner of the the 2021 Best Edited Collection Award from BAFTSS Winner of the 2021 British Fantasy Award in Best Non Fiction Finalist for the 2020 Bram Stoker Award for Superior Achievement in Non Fiction Runner Up for Book of the Year in the 19th Annual Rondo Halton Classic Horror Awards But women were never out there making horror films that s why they are not

written about you can't include what doesn't exist. Women are just not that interested in making horror films. This is what you get when you are a woman working in horror, whether as a writer, academic, festival programmer, or filmmaker. These assumptions are based on decades of flawed scholarly, critical, and industrial thinking about the genre. *Women Make Horror* sets right these misconceptions. Women have always made horror. They have always been an audience for the genre, and today, as this book reveals, women academics, critics, and filmmakers alike remain committed to a film genre that offers almost unlimited opportunities for exploring and deconstructing social and cultural constructions of gender, femininity, sexuality, and the body. *Women Make Horror* explores narrative and experimental cinema, short anthology, and feature filmmaking, and offers case studies of North American, Latin American, European, East Asian, and Australian filmmakers' films and festivals. With this book, we can transform how we think about women filmmakers and genre.

Lost Souls of Horror and the Gothic Elizabeth McCarthy, Bernice M. Murphy, 2016-10-28. In recent years, horror and gothic themes have penetrated mainstream popular culture in a manner unseen since the horror boom of the 1970s. Primetime television viewers, who before might not have shown interest in such late-night fare, now happily settle down after dinner to watch zombie or serial killer shows. This collection of 54 biographical essays examines many overlooked and underrated figures who have played a role in the ever-expanding world of horror and gothic entertainment. The contributors push the boundaries of how we define these terms, bringing into the discussion such diverse figures as singer-songwriter Tom Waits, occultist Dion Fortune, author Charles Beaumont, historian and bishop Gregory of Tours, and video game designer Shinji Mikami.

Television Horror Movie Hosts Elena M. Watson, 2013-05-03. Midnight 1954: A striking woman in a torn black dress slinks down a cobwebbed candelabra'd corridor. She stops, shrieks hysterically into the camera, then solemnly says, "Good evening. I am Vampira." Her real name is Maila Nurmi, and she was the first in a long line of television horror movie hosts commonly seen on independent stations' late-night grade-Z offerings, dressed as some zany ghoul or mad scientist. This book covers the major hosts in detail, along with styles and show themes. Merchandise tie-in and fan reactions are also chronicled. The appendices list film and record credits.

Scream Queens Calvin Thomas Beck, 1978. *Heroines of the Horrors*. *Chicago TV Horror Movie Shows* Ted Okuda, Mark Yurkiw, 2016-02-09. By the last 1950s, studios saw television as a convenient dumping ground for thousands of films that had been gathering dust in their vaults. Distributors grouped them by genre, and Chicago's tradition of TV horror movie shows was born. From giant grasshoppers to Dracula epics, Okuda and Yurkiw take a comprehensive look at these programs, with career profiles of the horror hosts, a look at the politics behind the shows, and broadcast histories, as well as guides to many of the films themselves.
