sojourners and teachers he encounters as a psychiatrist and Buddhist They are alike only in that they share in trauma large and small as all of us do Epstein finds throughout that trauma if it doesn't destroy us wakes us up to both our minds own capacity and to the suffering of others It makes us more human caring and wise It can be our greatest teacher our freedom itself and it is available to all of us Check out Epstein's latest book *Advice Not Given A Guide to Getting Over Yourself* In *the Buddha's Realm* Fred H. Meyer M.D., 2002-01-09 In this book a physician suffering from Major Depression turns to spirituality in an attempt to save his life Through luck or karma his quest brings him to one of the worlds greatest spiritual teachers a living Buddha Chogyam Trungpa Rinpoche As he seeks to attain enlightenment in order to end his psychological pain his experiences in the worlds of Western medicine and Buddhism are described The central theme involves the magic and risk inherent in the sacred bond that exists between a guru and his student This theme is developed through the many graphic experiences the author has with his teacher
