Scripture Keeperr Village:

The L-Shaped Village Lee J. H. Fomes, 2011-05-03 Art Elfee is in his final year of school and whilst trying to deal with the unexpected attentions of the prettiest girl in his year he is also hiding a huge secret one of his best friends is a sprite who appeared from nowhere four years in Arts past Art believes their very treasured friendship has remained a secret but the appearance of a magical Amulet transports him to a strange world and a snow covered village where one of its inhabitants lets it slip that Arts sprite friend may not be all he seems Arthur seems like a very ordinary boy but over the course of his fantastical journey discovers he may just be at the centre of one of the most misunderstood legends of our time that also turns out to be far from mythical And although he has never been anything but amazingly unremarkable Art Elfee could just be the boy with the coolest destiny of all
