Willard M. Swartley

Scripture And Homosexuality Biblical Authority And The Church Today:

The Bible's Authority in Today's Church Frederick Houk Borsch, 1999-08-01 How important is the Bible in today's church? This book provides the clear answer that the Bible is fundamental to the church's vitality and continuance. Ignoring the Bible or limiting its importance in the church is the precursor to spiritual death and communal dissolution. Here then is a lively study debate and conversation particularly within the Episcopal Church in the United States concerning the authority and function of the Bible in today's church. A helpful leader's guide has been added to assist those who would use the book in adult study groups.

Jesus, the Bible, and Homosexuality Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book, former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual. Christianity, he observes, has moved through history in the direction of ever greater openness and inclusiveness. Today's church is led by many of those who were once cast out: people of color, women, and divorced and remarried people. It is inevitable, he believes, that gay, lesbian, bisexual, and transgender people will one day walk in the same steps as other Christian leaders. Rogers, an evangelical, begins by discussing his own personal change of heart and mind on the issue, a change that has moved him into the middle of this controversy in his own church, the Presbyterian Church U.S.A. He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians. He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians. Rogers concludes with his thoughts on how the church can heal itself and move forward.

How to Read the Bible Without Losing Your Mind Kent Blevins, 2014-03-10 Does reading the Bible sometimes leave you confused? Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life? Do you believe Bible reading and intellectual inquiry are mutually exclusive? This book explores how the Bible can serve as a resource for discovering truth. It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal, multifaceted journey. It honors the integrity of Scripture while remaining open to insight from additional truth sources. In exploring what we mean when we speak of the Bible's authority, it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today's world. *How to Read the Bible Without Losing Your Mind* shows how the Bible can be read with full engagement of both mind and heart.

The Bible and Homosexual Practice Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice, the most sophisticated and convincing examination of the

biblical data for our time J rgen Becker Professor of New Testament Christian Albrechts University **The Bible in History**

David W. Kling,2022-12-19 Over 15 years after its original publication The Bible in History remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony s call to the desert and a life of monasticism after hearing Jesus s directive to the rich young rule to give up his possessions to the Anabaptists non violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28 18 20 and considers the multitudinous interpretations before during and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts

Homosexuality and Religion Jeffrey S. Siker,2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality Bible, Gender, Sexuality James V. Brownson,2013-02-03 In Bible Gender Sexuality James Brownson argues that Christians should reconsider whether or not the biblical strictures against same sex relations as defined in the ancient world should apply to contemporary committed same sex relationships Presenting two sides in the debate traditionalist and revisionist Brownson carefully analyzes each of the seven main texts that appear to address intimate same sex relations In the process he explores key concepts that inform our understanding of the biblical texts including patriarchy complementarity purity and impurity honor and shame Central to his argument is the need to uncover the moral logic behind the biblical text Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality Brownson s in depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue *Biblical Ethics & Homosexuality* Robert Lawson Brawley,1996-01-01 What are the most important biblical texts for modern Christians to read in order to arrive at responsible decisions regarding the ethics of human sexual behavior How should the Bible be used in this enterprise How should those texts be translated for

today's reader The contributors to this book all noted biblical scholars confront these questions as they deal with issues surrounding the ethics of sexual behavior in general and the divisive issue of gay lesbian ordination in particular They provide for the reader a deeper understanding of the Bible its intentions and its variety This book offers a challenge to the church to give heed to the multiplicity of voices that are engaged in biblically responsible and constructive debates about the volatile issues regarding sexual behavior

Romans (Baker Exegetical Commentary on the New Testament) Thomas R. Schreiner, 1998-12-01 A fresh analysis of the Book of Romans for scholars pastors and students that blends scholarly depth with readability

End of Story? Andrew Perriman, 2019-11-12 This book is an exercise in a thoroughgoing narrative theology The social and legal validation of same sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture But it is not an isolated ethical problem It is just one element albeit a very important one in the much broader long term overhaul and reorientation of Western culture after the collapse of the Christian consensus The forces of history that are driving this transformation however have also alerted us to the historical perspectives that constrained biblical thought Andrew Perriman suggests that Paul's argument about same sex behavior perhaps more clearly than any other issue highlights the narrative shape of the mission of the early church in the Greek world By the same token we must ask how that storyline has been refracted across the boundary of modernity and how it now shapes the mission of the church as it adapts to its marginalized position in an aggressively secular world

Discovering Biblical Equality Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Fee, 2005-07-25 Ronald W. Pierce and Rebecca Merrill Groothuis general editors with the aid of Gordon D. Fee contributing editor assemble a distinguished array of twenty six evangelical scholars firmly committed to the authority of Scripture who offer a fresh positive up to date defense of biblical equality

God and the Gay Christian Matthew Vines, 2015-06-16 2025 REVISED AND EXPANDED EDITION The landmark book exploring what the Bible actually says and doesn't say about same sex relationships As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued this expanded edition of *God and the Gay Christian* includes an updated introduction two new chapters and two new appendices In the book Vines engages with leading critiques of his work and shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries and upholding an orthodox Christian faith

Faithful Conversation James M. Childs, Initiated by the ELCA seminary presidents this volume is aimed

at engendering reflection and conversation Faithful Conversations includes five essays a table talk about how specific issues in the church are affected by these perspectives a select bibliography of further readings and directions on how the resource might be used

Homosexuality, Science, and the "Plain Sense" of Scripture David L. Balch, 2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion

Secular Faith Mark A. Smith, 2015-09-11 When Pope Francis recently answered Who am I to judge when asked about homosexuality he ushered in a new era for the Catholic church A decade ago it would have been unthinkable for a pope to express tolerance for homosexuality Yet shifts of this kind are actually common in the history of Christian groups Within the United States Christian leaders have regularly revised their teachings to match the beliefs and opinions gaining support among their members and larger society Mark A Smith provocatively argues that religion is not nearly the unchanging conservative influence in American politics that we have come to think it is In fact in the long run religion is best understood as responding to changing political and cultural values rather than shaping them Smith makes his case by charting five contentious issues in America s history slavery divorce homosexuality abortion and women s rights For each he shows how the political views of even the most conservative Christians evolved in the same direction as the rest of society perhaps not as swiftly but always on the same arc During periods of cultural transition Christian leaders do resist prevailing values and behaviors but those same leaders inevitably acquiesce often by reinterpreting the Bible if their positions become no longer tenable Secular ideas and influences thereby shape the ways Christians read and interpret their scriptures So powerful are the cultural and societal norms surrounding us that Christians in America today hold more in common morally and politically with their atheist neighbors than with the Christians of earlier centuries In fact the strongest predictors of people s moral beliefs are not their religious commitments or lack thereof but rather when and where they were born A thoroughly researched and ultimately hopeful book on the prospects for political harmony Secular Faith demonstrates how over the long run boundaries of secular and religious cultures converge

Can You Be Gay and Christian? Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God s power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family

Paul and Virtue Ethics Daniel J Harrington, James Keenan, 2023-06-14 Two prestigious scholars serve up a gourmet banquet that blends the flavors of scripture and ethics without losing the distinctive tastes of

each Richard M Gula professor of moral theology Franciscan School of Theology Graduate Theological Union In Paul and Virtue Ethics Daniel Harrington and James Keenan build upon their successful collaboration Jesus and Virtue Ethics to discuss the apostle Paul s teachings as a guide to interpret theology and ethics today Examining Paul s writings the authors investigate what they teach about the basic questions of virtue ethics Who am I Who do I want to become And how do I get there Their intent is not to provide stringent rules but to awaken discovery and encourage dialogue The book first considers the concept of virtue ethics an approach to ethics that emphasizes moral character and Paul s ethics in particular Next the authors focus on the virtues of faith love charity and hope as treated by Paul and Thomas Aquinas Closing the book with reflections on the roles of other virtues and vices in individual and communal Christian life the authors discuss various issues in social ethics and sexual morality as they are dealt with in Paul and in Christian virtue ethics today One could not ask for better guides than Harrington and Keenan Theological Studies Bringing the moral teaching of Paul and contemporary virtue ethics into dialogue with each other Harrington and Keenan have done what others have only spoken about Frank J Matera The Andrew Kelly Ryan Professor of Biblical Studies The Catholic University of America A deeply learned yet broadly accessible volume a perfect book for an introductory course in theological ethics M Cathleen Kaveny Darald and Juliet Libby Professor of Law and Theology Boston College *Homosexuality Biblical Interpretation* Willard M. Swartley, 2003-06-06 Grounded in a lifetime of biblical study New Testament scholar Willard M Swartley takes a fresh look at the Scriptures and what they would teach on the current and controversial subject of homosexuality In a spirit of love and generosity Swartley presents all sides of the issue drawing from contemporary scholarship and cultural analysis He concludes with a model for congregational discernment and suggestions for the path forward *Romans* Art Ross, Martha Stevenson, 1999-01-01 The letter to the Romans is the pinnacle of Paul s writing and thinking Within its pages are profound insights into living faithfully passionate debates about the fate of the Jews and cherished messages of comfort and love At some points more difficult to understand than a theology textbook and at others a favorite for bedsides and funerals Romans is placed first among the letters because of the scope and significance of its topics Paul instructs his readers both then and now to be transformed from this world into living sacrifices holy and acceptable to God following the example of Jesus Christ *Worlds in Collision* Laurie Guy, 2002 The period from 1960 to 1986 was distinguished by the debate over decriminalization of sexual acts between males In the 1960s homosexual men faced prison sentences if they were sexually active and so they made themselves invisible By 1986 they were demanding their rights and the nation s attention This change had come after years of debate The New Zealand Homosexual Law Reform Society and the gay liberation movement actively sought reform Many within society actively opposed it and the issue became a catalyst for a significant rift in the churches Intense lobbying and vehement opposition marked the fifteen months before the Homosexual Law Reform Bill was passed in July 1986 Based on 22 interviews with important participants in the debates as well as extensive research in archives and published material Worlds

in *Collision* is the first time this important story has been told. It is a major contribution not only to the international literature on the history of homosexuality but also to our understanding of New Zealand society in the later twentieth century.
