Selected Letters :

Selected Letters Charles Olson, 2000 In this volume edited and annotated by Ralph Maud we see Olson at the height of his powers and also at his most human The nearly two hundred letters selected from a known three thousand demonstrate the wide range of Olson's interests and the depth of his concern for the future As we read through the letters which span the years from 1931 when Olson was an undergraduate in college to his death in 1970 a fascinating portrait of this complex poet and thinker emerges Jacket Jack Kerouac Jack Kerouac, 1995 It was in his letters that Jack Kerouac set down the raw material that he transmuted into his novels exploring and refining the spontaneous prose style that became his trademark The letters in this volume written between 1940 when Kerouac was a freshman at college and 1956 immediately before his breathless leap into celebrity with the publication of *On the Road* offer invaluable insights into Kerouac's family life his friendships with Neal and Carolyn Cassady Allen Ginsberg Gary Snyder and William S Burroughs his travels love affairs and literary apprenticeship At once fascinating reading and a major addition to Kerouac scholarship here is a rare portrait of the writer as a young adventurer of immense talent energy and ambition in the midst of writing and living an American legend

Selected Letters Robert Burns, 1953 **The Selected Letters of**

Marianne Moore Marianne Moore,1997 In her introduction Bonnie Costello writes On July 9 1959 T S Eliot wrote to Marianne Moore One of the books which obviously must in the fullness of time be published will be the Letters of Marianne Moore We are pleased to fulfill his prediction Marianne Moore s correspondence makes up the largest and most broadly significant collection of any modern poet It documents the first two thirds of this century reflecting shifts from Victorian to modernist culture the experience of the two world wars the Depression and postwar prosperity and the changing face of the arts in America and Europe Moore wrote letters daily for most of her life long intense letters to friends and family shorter but always distinctive letters to an ever widening circle of acquaintances and fans At the height of her celebrity she would occasionally write as many as fifty letters a day Both Moore and her correspondents appreciated the value of their exchange so that an extraordinary number of letters approximately thirty thousand have been preserved It is Moore s poetry that draws us to her letters of course But in making this selection we have tried to present the life and mind of a woman whose interests extended to all the arts to religion politics and psychology to fashion sports and the domestic arts moving freely between high culture and popular culture and whose family and friendships remained as important as her professional life Moore s correspondence is unique in the extent of its extraliterary interests and passionate engagement with the world at large From her college adventures her travels and the flurry of her artistic and social activities there seems to have been no lull What has struck us most in reading through Moore s letters is the vitality and fullness of the long life they record **Trading Twelves** Ralph Ellison,Albert Murray,2010-04-28 This absorbing collection of letters spans a decade in the lifelong friendship of two remarkable writers who engaged the subjects of literature race and identity with deep clarity and passion The correspondence begins in 1950 when Ellison is living in New York City hard at work on his enduring masterpiece Invisible Man and Murray is a professor at Tuskegee Institute in Alabama Mirroring a jam session in which two jazz musicians trade twelves each improvising twelve bars of music around the same musical idea their lively dialog centers upon their respective writing the jazz they both love so well on travel family the work literary contemporaries including Richard Wright James Baldwin William Faulkner and Ernest Hemingway and the challenge of racial inclusiveness that they wish to pose to America through their craft Infused with warmth humor and great erudition Trading Twelves offers a glimpse into literary history in the making and into a powerful and enduring friendship **Letters, 1907-1941** Ezra Pound,1971 [Selected Letters of Bayard Taylor](#) Bayard Taylor,1997 Taylor was one of the most famous persons of his day and carried on a wide correspondence His ambition and thirst for fame are recurrent themes in these letters as well as his fears and uncertainties He emerges as a highly talented writer who succeeded by force of will [Selected Letters of Robert Frost](#) Robert Frost,1964 Contains correspondence between Robert Frost and various individuals from 1873 to 1963 [Selected Letters of Charlotte Brontë](#) Charlotte Brontë,2007-09-13 These letters give an insight into the life of a writer whose novels continue to be bestsellers They reveal much about Charlotte Brontë s personal life her family relationships and the society in which she

lived Many of her early letters are written with vigour vivacity and an engaging aptitude for self mockery In contrast her letters to her master the Belgian schoolteacher Constantin Heger reveal her intense obsessive longing for some response from him Other letters are deeply moving when Charlotte endures the agony of her brother s and sisters untimely deaths We learn also of the progress of her writing including the astonishing success of Jane Eyre and of her contacts with her publishers including the young George Smith and we recognize in her letters the life experiences which are transmuted into the art of her novels Contemporary society is brilliantly described in her letters from London when she writes of her encounters with famous writers and with critics of her novels We hear too of her visits to art galleries operas and the Great Exhibition of 1851 at the Crystal Palace Dramatic letters written in December 1852 convey the turbulence of feeling in the Haworth curate Arthur Nicholls s proposal of marriage to her and in Mr Bront s violent reaction to it and we subsequently hear of her secret correspondence with her suitor her father s eventual consent and her tragically brief happy marriage cut short by her death in March 1855

The Selected Letters of Lewis Carroll Lewis Carroll, Roger Lancelyn Green, 1989-11-10 The 320 letters to friends and relatives included here show two sides of Charles Lutwidge Dodgson s personality There are self contained microcosms of Wonderland vehicles of fun and pleasure that underscore his devotion to others and letters which show him to be formal and scholarly shy awkward and deeply religious
