Collected Works of V.I. Lenin Vladimir Il'ich Lenin,1927 *Prestige, Manipulation, and Coercion* Joseph Torigian,2022-05-10 How succession in authoritarian regimes was less a competition of visions for the future and more a settling of scores Joseph Torigian s stellar research and personal interviews have produced a brilliant meticulous study It fundamentally undermines what political scientists have presumed to be the way Chinese Communist and Soviet politics operate Dorothy J Solinger University of California Irvine The political successions in the Soviet Union and China after Stalin and Mao respectively are often explained as triumphs of inner party democracy leading to a victory of reformers over conservatives or radicals In traditional thinking Leninist institutions provide competitors a mechanism for debating policy and making promises stipulate rules for leadership selection and prevent the military and secret police from playing a coercive role Here Joseph Torigian argues that the post cult of personality power struggles in history s two greatest Leninist

regimes were instead shaped by the politics of personal prestige historical antagonisms backhanded political maneuvering and violence Mining newly discovered material from Russia and China Torigian challenges the established historiography and suggests a new way of thinking about the nature of power in authoritarian regimes A History of Modern Political Thought Gary K. Browning, 2016 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking **War Power, Police Power** Mark Neocleous, 2014-02-12 In this the first book to deal with the concepts of war power and police power together Mark Neocleous conducts a critical exploration of the ways in which war power and police power are intertwined in the form of state violence and exercised in social
