Britt Sevitt,2020-12-16 Do you believe that there is more to this world than can be perceived and experienced with your five senses Well Britt didn't She liked facts reality science and things she could explain Although somewhere deep down she did always have a gut feeling that there was more to life than the daily routine of wake work eat sleep repeat One day after almost two decades of clinical depression and anxiety Britt was suddenly bowled over by an unexpected spiritual awakening and her attitude towards life changed overnight Years of debilitating depression melted away It was as if the cover had been removed from her eyes and she was suddenly able to see that there is so much more to life and this world than we can possibly perceive It was not easy for Britt a complete cynic and skeptic to go from thinking it was all a bunch of nonsense to embracing her spiritual woo side This book traces Britt's life through her depression her awakening and her on going journey as she tries to reconcile her new found wisdom and spirituality with her utter skepticism for anything alternative or non scientific not to mention with her long held traditional Jewish beliefs **Love Thyself** Robert Levan Reese,2008-12-01 Well
