Love To All Jim A Young Mans Letters From Vietnam:

Love to All, Jim James G. Rowe, 1989-01-01 Voices from the Vietnam War Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War's influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in Voices from the Vietnam War Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war's events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long discussed topic Li's achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly Forthcoming Books Rose Arny, 1989-09

also concluded he would not spend much time with the blood and guts but devote the majority of the work to the everyday goings on both funny and serious The book begins with time spent in West Germany before moving on to South Vietnam During the height of the war more and more paratroopers were needed to fill the ranks of the fallen and discharged so the Army started a second jump school the original being at Fort Benning Georgia at Weisbaden Airforce Base West Germany He was then sent halfway around the world to South Vietnam and the rest is history **Polemos** ,2001 **Our Bravest Young Men** Corinne Mcconnell Brule,2009-07 **Books in Print** ,1991 **Congressional Record** United States.
