Love To Behold:

A Love to Behold Wendy Stross, 2024-10-12 After a brief intense romance Archie ghosts Anne forty three years later Archie returns to tell Anne that she is the love of his life He s dead And then he simply moves into Anne s life a world in which she is already struggling feeling despair Archie explains that he and Anne are twin flames two halves of the same soul and that with his death their soul contract that spanned hundreds of lifetimes is complete with one exception They had promised to write their love story What love story They had dated a mere three months This is the story of Anne and Archie as they come together recall their deep love for each other and forge a ground breaking relationship that bridges the veil and is in two worlds one that allows them to recall reflect and write their love story the one in the past and the one that continues Sounds easy Well no there s no map yet Scattered throughout this narrative are letters dreams excerpts from Anne s Irish journal and snippets of conversation from the couple s personal journals They serve two purposes to ground this love and relationship in Anne s life her world her journey through grief to self love and to offer a first hand glimpse of the love the humour the magic as Anne and Archie venture forth into uncharted territory and discover for themselves how truly profound their connection is in both worlds For those who have loved and lost A Love to Behold opens the door to unexplored possibilities of love and connection that transcend the bounds of space and time That transcend death That it is possible to keep loving at all levels and have that love transformed and transformative The Holy Bible ,1823 **Love Life and Joy** Richard J. McQueen, Fernand D'AMICO, Jacques WISMAN, 2011-02-10 The subject of Love Life and Joy based on the research topics conducted by Fernand D Amico and Jacques Wisman is proposed in this book as a themed walk through the passages of scripture from the Old and New Testament The biblical text KJV is presented deliberately devoid of additional comments to offer an immediate and direct perception of the selected track The thematic reading of the biblical text opens to the reader as a fascinating experience that allows him to benefit in a short time a surprising and rich picture of content In the Scriptures there is the secret of Love Life and Joy Find it means to have a unique and wonderful source of knowledge to be happy in every moment of life *To Know God* Morris L.
