The Soul of God Ray S. Anderson,2004-08-02 In this theological memoir Ray Anderson takes us on his own journey from the prairie to the pulpit and from the soul of a believer into the soul of a theologian As a sequel to his earlier book The Soul of Ministry he shares with us the process by which his own spiritual hunger moved from uneasiness and unrest into a deeper sense of the soul of theology as exploration into the very soul of God Part One In Part Two each chapter traces out the contours of a theology which sings as well as stings After more than 40 years of ministry as pastor teacher and theologian Anderson presents a theological hermeneutic by which Scripture and human experience can be read on the same page If reading this book produces astonishment and wonder at the depth and daring to which God s grace encounters and embraces us through Jesus Christ then that itself will lead us with awe and reverence to behold the soul of God **Love Within**

Realism and Social Theory Philip A Mellor, 2004-10-18 This book challenges those contemporary sociologists who argue that the notion of society is an outmoded basis for sociological analysis and instead revitalizes the idea that sociology is truly the study of society Mellor returns the human and religious aspects of social life to the centre of social theory German Kantian Bibliography Adickes, 1893 **German Kantian Bibliography** Erich Adickes, 1896 *New Dictionary of Biblical Theology* T. preached Today that charge is unfortunately blanded by all manner of social and cultural influences reduced to the idea that love is somehow synonymous with quiet and unconditional acceptance My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love and why it actually changes the world The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing both kind and truthful both eternal and immediate I recommend this study without qualification and hope to see more from Evan in the future Frank Turk Speaker writer and blogger at www.teampyro.blogspot.com *Love Is* Kim Sorrelle, 2021-11-23 Engage with a love that transcends social experiments and leads to a radically transformed life Even non Christians are familiar with the Love Chapter of 1 Corinthians read at weddings painted on decorative signs and preached regularly from the pulpit Love is patient love is kind love is The words are so familiar they almost lack meaning a Christianese version of live laugh love But what happens when these verses are taken seriously What would it take for someone to live out the Love Chapter as literally is possible That was the question Kim Sorrelle set out to answer during her yearlong experiment Using 1 Corinthians 13 as a road map she focused on one phrase at a time seeking to understand its true meaning and how it could motivate every daily action And she didn't just look at the best known parts of the passage but also the parts we don't think too deeply about love does not boast does not dishonor others doesn't keep a record of wrongs and more In her attempts to live the Love Chapter to the letter Kim journeyed all the way to Haiti where she met people who both tested and displayed love to its limits From irritating employees to sexist short term missionaries to curse wielding women to the profoundly kind nuns her encounters are filled with rueful self reflection and comical commentary as well as a new understanding of the nuances and power of true love in action Kim's transformation into someone who truly loves like Jesus will challenge readers to think more deeply about how they can manifest love in their own lives and will reveal the power of Christlike devotion that is unwearied and humble contented and forgiving Above all her exploration is an incredible encounter with the filling strengthening love of God a love that truly never fails **Aspects of Love** J. Shepherd, 2010-06-01 *Aspects of Love* is a book for those worn out by cynicism fatigued by sensory assault wearied by the drive to experience new thrills made fragile by the trivial sickened by a lack of spiritual depth In a world that longs for intimacy this book casts a long ray of hope J Barrie Shepherd offers the loving gift of gentle unhurried reflection on 1 Corinthians 13 He frames his thoughtful reflections in three parts The Necessity of Love The Qualities of Love and The Endurance of Love Writing with the poet's sensitivity toward language and rhythm Shepherd uses verses of scripture from 1 Corinthians 13 to examine facets of love including communication irritability kindness jealousy humility forgiveness happiness and hope He draws from the works of Golda Meir Paul Tournier Martin Luther King Jr and Winston Churchill and closes each chapter with a prayer God can dazzle us with the magnificence of the universe But the heart of the universe reveals its glory in the compassion grace and love that come to us when we need it most telling us You matter J Barrie
