

Words tangle us together like roots

We share, as it happens, a moon, and this vermillion
sunset here is there too, and there, and there, and there!

Words are best when they are needless, when they say
what has already been said by a greater power.

I gift you my word, my book, my story.
Maybe I wrote it, or somehow, I have come into
possession of it - language does not clarify,
An ambiguity that lends itself to shared joys.
I like that - the conductive space between feeling and
word and love is where life (I guess) is located,
The struggle to put into song and ritual what eludes all
articulation.
As I write, I put my heart in a wrapped-up parcel and send
it to you: the song of myself.
