Ellie Dan Marsee,2014-04-02 For a parent and a community there is no greater loss than the death of a child This was the nightmare that Ellie Lanes parents endured seven years ago in the enchanted land of the Cherokees deep in the Smoky Mountains Then the miracle occurred Seven years after her death Ellie returns Her still grieving parents confront fear superstition and suspicion as Ellie begins her new life the second life she has somehow been given In a world where people are divided by the contradictions of skepticism and fanaticism science and religion wage war to claim the answers Cults are born to worship the young girl as a deity Legends and apocalyptic visions come to life Celestial signs portend that something beyond comprehension is coming A rough beast to end all days Ancient astronauts in chariots of fire Winged seraphs strumming harps of gold Does Ellies return mean a new beginning for mankind or its end **Where Do I Come From?** Paul Feider,2022-05-26 What is my true identity How do I perceive myself Do I have within me a deep inner joy and peace because of who I am This unique book takes a reader on a profound reflective journey to discover answers to the most important questions of life With an eloquent expose of the Gospel of John the author offers the wisdom of Jesus for life changing answers He opens the door to decipher one s true origin and destiny This book takes the reader to the place where answers are found where serenity abounds and where inner healing happens It is a book of hope for all who desire inner peace

Lunersee Edward G. Greger M. D.,Edward G. Greger,2009-10 Buried Nazi treasure intelligence tradecraft assassination methods romance tragedy and an unsolved mystery are all a part of this novel Lunersee The story has elements of truth throughout In April 1945 in the closing months of World War II in Europe many Nazis and SS officers were going into hiding or attempting to flee to the Mideast or South America Some SS officers who were at the Nazi detach camp at Dachau accumulated much gold melted down from teeth of the prisoners and other valuables There were some officers who fled Dachau with several containers of gold precious stones and other valuables and eventually buried it at Lunersee near the Austrian Swiss border They then crossed over into Switzerland planning on returning someday to reclaim it The story then becomes more complicated with the involvement of American Intelligence Israeli intelligence MOSSAD Arab terrorists and the returning ex Nazis It is not just a hodge podge of incidents thrown together but an actual fitting together of a series of events culminating in an explosive ending and a surprise outcome in Lugano Switzerland The story has already been reviewed by the Central Intelligence Agency The reviewers all were impressed by its authenticity insofar as tradecraft is concerned Many characters in the story actually existed and the gold is still there **Creating Compassionate Change in School Communities** Ashley Seidel Potvin,William R. Penuel,Sona Dimidjian,Thupten Jinpa,2025-04-21 Addressing everyday suffering in schools through compassion Compassion and dignity provide an essential framework for building caring and inclusive schools Many books focus on what teachers can do as individuals Creating Compassionate Change in School Communities is different This book focuses both on how educators can cultivate compassion within themselves and lead

together to cultivate humanizing school environments Teachers librarians counselors resource specialists mental health professionals and social workers who are working to create conditions for compassion and dignity in schools are all leaders who can impact change Offering concrete evidence and case studies that showcase the power of compassion to create flourishing school communities and rejuvenate education the book will help all educators better serve K 12 students with school cultures that promote healing Compassion can be cultivated dignity can be affirmed and leaders need skillful means to do so tools and practices that can help them develop compassion for themselves and others and see their own dignity and that of others Experiment and engage in meditation practices to strengthen personal capacity for mindfulness and compassion and the application to the classroom and school communities Engage in hands on writing exercises and self reflection questions educators can ask themselves and then apply their personal growth to influence school policies and climate Gain perspective on compassion in schools through a multidisciplinary lens drawing from contemplative practices psychology and organizational change theory Learn from stories and examples of K 12 educators who have exemplified compassion in action While we cannot fully address all the suffering that is happening in schools today educators do have the power to work within themselves and together locally to create more compassionate responses to suffering and to affirm the dignity of all members of their school communities Creating Compassionate Change in School Communities offers a valuable approach to integrating wellness into schools as much for principals and superintendents as for teacher leaders librarians counselors resource specialists and others who work to create the conditions for compassion and dignity in their school
