*The Passions* P. M. S. Hacker, 2017-12-18 A survey of astonishing breadth and penetration No cognitive neuroscientist should ever conduct an experiment in the domain of the emotions without reading this book twice Parashkev Nachev Institute of Neurology UCL There is not a slack moment in the whole of this impressive work With his remarkable facility for making fine distinctions and his commitment to lucidity Peter Hacker has subtly characterized those emotions such as pride shame envy jealousy love or sympathy which make up our all too human nature This is an important book for philosophers but since most of its illustrative material comes from an astonishing range of British and European literature it is required reading also for literary scholars or indeed for anyone with an interest in understanding who and what we are David Ellis University of Kent Human beings are all subject to boundless flights of joy and delight to flashes of anger and fear to pangs of sadness and grief We express our emotions in what we do how we act and what we say and we can share our emotions with others and respond sympathetically to their feelings Emotions are an intrinsic part of the human condition and any study of human nature must investigate them In this third volume of a major study in philosophical anthropology which has spanned nearly a decade one of the most preeminent living philosophers examines and reflects upon the nature of the emotions advancing the view that novelists playwrights and poets rather than psychologists and cognitive neuroscientists elaborate the most refined descriptions of their role in human life In the book's early chapters the author analyses the emotions by situating them in relation to other human passions such as affections appetites attitudes and agitations While presenting a detailed connective analysis of the emotions Hacker challenges traditional ideas about them and criticizes misconceptions held by philosophers psychologists and cognitive neuroscientists With the help of abundant examples and illustrative quotations from the Western literary canon later sections investigate describe and disentangle the individual emotions pride arrogance and humility shame embarrassment and guilt envy and jealousy and anger The book concludes with an analysis of love sympathy and empathy as sources of absolute value and the roots of morality A masterful contribution this study of the passions is essential reading for philosophers of mind psychologists cognitive neuroscientists students of Western literature and general readers interested in understanding the nature of the emotions and their place in our lives **Jealousy and**

**Envy** Léon Wurmser, Heidrun Jarass, 2011-02-25 Jealousy and envy permeate the practice of psychoanalytic and psychotherapeutic work New experience and new relevance of old but neglected ideas about these two feeling states and their origins warrant special attention both as to theory and practice Their great complexity and multilayered nature are highlighted by a number of contributions the very early inception of the triangular jealousy situations the prominence of womb envy and hatred against femininity rooted in the envy of female procreativity the role of shame and the core of both affects the massive effects of the embodiment of these feelings in the conscience i.e. the envious and resentful attacks by the inner judge against the self the attempt to construct a cultic system of sacrifices the would countermand womb envy by an all

male cast of killing rebirth redemption and blissful nourishment and finally the projection of envy jealousy and their context of shame and self condemnation in the form of the Evil Eye Taken together the contributions to the stunning and insightful volume form a broad spectrum of new insights into the dynamics of two central emotions of rivalry and their clinical and cultural relevance and application

**The Philosophy of Envy** Sara Protasi, 2021-07-15 Envy is almost universally condemned and feared But is its bad reputation always warranted In this book Sara Protasi argues that envy is more multifaceted than it seems and that some varieties of it can be productive and even virtuous Protasi brings together empirical evidence and philosophical research to generate a novel view according to which there are four kinds of envy emulative inert aggressive and spiteful For each kind she individuates different situational antecedents phenomenological expressions motivational tendencies and behavioral outputs She then develops the normative implications of this taxonomy from a moral and prudential perspective in the domain of personal loving relationships and in the political sphere A historical appendix completes the book Through a careful and comprehensive investigation of envy s complexity and its multifarious implications for human relations and human value The Philosophy of Envy surprisingly reveals that envy plays a crucial role in safeguarding our happiness

Chiron in Love: The Astrology of Envy, Rage, Compassion and Wisdom Liz Greene, 2023-09-20 This book is based on a seminar originally given by Liz Greene in 2005 entitled Chiron in Love because Chiron s story is most clearly and poignantly enacted in our most personal exchanges with the people closest to us It includes a background of mythic material about Chiron that can help to shed light on the interaction between Chiron in one horoscope

and the planets and angles in another In 2020 during the height of the Covid pandemic Liz gave three further online seminars to explore the relationship between Chiron and the global outpouring of helplessness fear rage polarisation and apparently obsessive determination to find scapegoats that has emerged as a result of the pandemic and its psychological consequences Sections of these more recent seminars have been amalgamated with the original seminar resulting in a broad spectrum of themes all related to the central core of Chiron s myth and meaning Ways of permanently healing Chiron s wound and saving the world are not included Instead the emphasis is on the individual and the necessity of working as honestly and insightfully as possible with the feelings of envy rage bitterness and potential wisdom and compassion reflected by Chiron s complex story Astrology students of all levels will find Liz Greene s insights invaluable in working with this paradoxical and challenging astrological symbol

**Because God Is Love** Pastor Rod Compton,2022-02-21 A Year of Love Each day of this year I am challenging myself and anyone else who will join to love like you ve never been hurt Love unconditionally Love completely Love forgivingly What if when Jesus said to love your neighbor as yourself He really meant it Think about your neighbors your co workers your in laws and even your outlaws Do you love them as yourself I would like to start with the two greatest commandments Matt 22 34 Hearing that Jesus had silenced the Sadducees the Pharisees got together 35 One of them an expert in the law tested him with this question 36 Teacher which is the greatest commandment in the Law 37 Jesus replied Love the Lord your God with all your heart and with all your soul and with all your mind 38 This is the first and greatest commandment 39 And the second is like it Love your neighbor as yourself 40 All the Law and the Prophets hang on these two commandments In Reality Jesus said this Love God Love People Let us hold these two truths in our hearts this year and Love God with all of our heart soul and minds and Love others as much as we love ourselves

**Love Embers** L. Jerry Bernhardt,2021-11-16 LOVE EMBERS Unrepeatable miracles moments in time captured as a memory Memories triggered by the fragrance of a rose a lingering whiff of perfume the musk of a lover s shirt the touch of an infant s blanket grandpa s corduroy coat or grandma s silk scarf lying forgotten in a treasured chest a love song the sight of a firefly weaving through the woods a butterfly gliding over a field of bluebonnets a tangerine sky at sunset a rusty pick up truck old photographs locket of hair all unrepeatable miracles LOVE EMBERS tucked away under protective ash hidden within our souls awaiting the opportunity to roll out and rekindle remembrances that wash over us reviving moments in time Remembrances of love s first kiss baby s gentle breath summers long past life s tragedies and triumphs all lie waiting for the winds of a dream to fan the flames tall This collection is at once an ode to the natural world and the beauty and support of family and friends a life long observation of time s passage and a testament to the power of love until death do us part Bernhardt s belief that love is eternal takes us on an emotional rollercoaster of life

**Other Works 1946-1963** Melanie Klein,2011-02-28 A perfect introduction to Melanie Klein s modern neuroscientific research Melanie Klein s writings particularly on infant development and psychosis have been crucial both to theoretical work and to clinical practice Envy and Gratitude collects her writings from 1946 until her death in 1960 including two papers published posthumously Klein s major paper Notes on Some Schizoid Mechanisms introduces the concept of the paranoid

schizoid position in which the infant ego splits projects and introjects its objects most particularly the mother during the first few months of life Envy and Gratitude her last major work introduces her theory of primary envy **Love and Lust** Theodor Reik,2002-01-01 The first part of the book is so far ahead of its time that it is still current It reveals Reik s departure from Freud s theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly abbreviated version of Masochism in Modern Man retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author s usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly M any of your impressions about us women are correct No man should read the book A few seconds later she said r rather every man should read the book BOOK JACKET **Encyclopedia of Love in World Religions** Yudit Kornberg Greenberg,2007-11-15 This is the first comprehensive resource on the subject of love in the teachings of the world s major religions cultures and philosophies Encyclopedia of Love in World Religions is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love Encyclopedia of Love in World Religions features approximately 300 subject entries as well as insightful biographic sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love s integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world **Treatise On the Love of God** St. Francis de Sales,1988-06 Masterful combination of theological principles and practical application regarding divine love the subject of Our Lord s first and greatest commandment Based on Scripture the Fathers St Thomas An acknowledged classic which goes to the heart of our religion **Godly Love** Matthew T. Lee,Amos Yong,2012-03-01 Godly Love Impediments and Possibilities examines the theory of Godly Love understood as including a vertical axis denoting the love of God and a horizontal axis involving the love of others is at the core of a new field of research that studies how divine love influences the love of others and vice versa It is a multidisciplinary research program into the benevolent expressions of the Great Commandment of the Christian tradition involving the theological and social sciences Theological and social scientific essays that ask why there is not more Godly Love in this world and what might be done to change the situation This book focuses on the problems confronting challenging prohibiting and perhaps even resisting the concrete expression of Godly Love in the world utilizing a range of theological and especially social scientific methodologies **Envy and**

**Gratitude Revisited** Alessandra Lemma, Priscilla Roth, 2018-03-26 These stimulating essays are evidence that 50 years after its publication Melanie Klein's *Envy and Gratitude* is still a rich source of psychoanalytic inspiration. Sixteen highly regarded analysts representing a wide range of psychoanalytic thinking provide new insights and highlight current developments without avoiding the controversies that surround the original publication. The clinical and literary material is engaging and illustrates the effect of theory on practice and the influence of practice on the evolution of theory.
