Smart Love Parent Martha Heineman Pieper, William Joseph Pieper, 2005 Should you feed your baby whenever she wants or put her on a schedule Do you impose consequences on children who don't do their homework or clean up their room or do you help them with chores and homework Should you respond to the difficult adolescent with tender love or tough love Parents are faced every day with a multitude of decisions and they worry about making the right choices The Smart Love Parent offers a breakthrough method to parenting created and tested by the husband and wife team of Dr Martha Heineman Pieper and Dr William J Pieper The Piepers offer a new understanding of the entire sweep of child development allowing you to view the process of growing up through your child's eyes Their patient and caring approach avoids the extremes of permissiveness and of the old reward and punishment style of parenting that turns parents into disciplinarians By offering a relaxed and realistic timetable for your child's development they identify some previously unrecognized developmental milestones and show you how to help your child reach them through guiding not punishing If you understand your child's point of view you can better know how to love her and how to respond to her actions The Smart Love Parent helps parents cultivate a child's inner happiness which is the best means of ensuring your child will grow up well behaved responsible self confident and able to reach his or her fullest potential Book jacket **The Mirror Theory** Betsy Otter

Thompson, 2005-02-01 If you look into the mirror what do you see Yourself No A reflection of yourself What if all the people in your life are emotional reflections of yourself Would you see them differently In Betsy Otter Thompson's The Mirror Theory a mysterious stranger shows up at a critical time in her life to tell her the stories of Jesus family members Through these stories you will see how one of the greatest masters who ever lived learned from the reflection of those around him and they learned from him Each family member takes on a central characteristic envy blame humility anger jealousy etc What emerges is a method for personal growth and improving relationships by accepting responsibility for one's own life and creation We are either drawn to or repelled by the people who reflect the things we like or dislike about ourselves Just as if

we re looking into a mirror that reflects back our innermost emotions and beliefs This fascinating book is not only a chronicle of Jesus life but a spiritual journey into your own heart whether or not you believe he had brothers or sisters Here is a proven program for taking back your personal power There are questions and exercises for using The Mirror Theory to help you apply the lessons taught in the book Never has the message Love one another been so clearly explained *Loveparent* Betsy Otter Thompson,1991
