Lovers Friends Slaves:

Lovers, Friends, Slaves... Martha L. Stein, 1975 **You Are My Slaves** Martijn J. Stoutjesdijk, 2024-12-16 Some of the slavery parables in the New Testament have been called texts of terror as the slaves who are portrayed in them are beaten or even cut in two Despite or because their violence slavery parables are often used in early Christian and early rabbinic literature to illustrate the unique relationship between God and his people This study investigates the reasons for and meaning of using the master slave metaphor in the parables what does it tell us about early Christian and early rabbinic theology including possibilities for critique and resistance vis vis the divine and what does it say about slavery in the ancient world **Legalizing Prostitution** Ronald Weitzer, 2012 While sex work has long been controversial it has become even more contested over the past decade as laws policies and enforcement practices have become more repressive in many nations partly as a result of the ascendancy of interest groups committed to the total abolition of the sex industry At the same time however several other nations have recently decriminalized prostitution Legalizing Prostitution maps out the current terrain Using America as a backdrop Weitzer draws on extensive field research in the Netherlands Belgium and Germany to illustrate alternatives to American style criminalization of sex workers These cases are then used to develop a roster of best practices that can serve as a model for other nations considering legalization Legalizing Prostitution provides a theoretically grounded comparative analysis of political dynamics policy outcomes and red light landscapes in nations where prostitution has been legalized and regulated by the government presenting a rich and novel portrait of the multifaceted world of legal sex for sale *Sex For Sale* Ronald Weitzer, 2022-11-22 Since the publication of the second edition in 2010 the field of sex work studies has expanded This fully updated edition of *Sex for Sale* Prostitution Pornography and Erotic Dancing presents an innovative in depth and nuanced analysis of sex work its risks and benefits and pays attention to newer and everchanging types of sex work and its actors as well as public policies and laws that govern its trade Now in its third edition this volume includes updated research on traditional forms of sexual labor and incorporates original empirically grounded research on newer or less researched phenomena New chapters explore the use of technology among street sellers blurring the line between street and online solicitation in addition to chapters on historical prostitution transgender workers illicit massage parlors male strippers commercial webcamming alternative policies and legal systems and the sex workers rights movement The combination of cutting edge and comprehensive analyses and carefully constructed methodologies in *Sex for Sale* makes it an excellent source of information for scholars and university students in gender studies sociology and criminology

MALE CRIME AND DEVIANCE Barri R. Flower, 2003-01-01 **MALE CRIME AND DEVIANCE** seeks to explore in depth the types of offenses most identified with and committed by males dynamics of male crime characteristics of male offenders how male criminality and delinquency compare with and differ from female delinquent and criminal behavior explanations for male crime and efforts at combating crime in this country Particular attention is given to exploring the relationship between

male aggression and masculinity as well as the role that testosterone and other biological factors play in male crime and violence The book also focuses on the correlation between male violence and aggressive behavior and firearms violence involving intimates male sexual violence bias crimes workplace violence terrorism male perpetrated sexual offenses youth gang crime and school violence These areas of male criminality and deviance are examined within the context of all male offending arrest self report and inmate data along with criminological theoretical approaches to understanding the causes and related factors of male deviant behavior The book is written primarily for undergraduate and graduate level students for coursework in criminal justice criminology male aggression violent behavior homicide youth studies gang studies delinquency law law enforcement sociology social science psychology biology and related areas of study However it is appropriate as well for academicians social scientists psychologists law officers medical workers and a general readership with a vested interest in antisocial behavior and its implications on the greater society *Deviant Behaviour* Clifton D. Bryant,2014-09-03 A comprehensive set of readings examining the full range of concerns in the field of deviant behaviour All the selections are relatively recent and have not appeared in other anthologies **Red Light Labour** Elya M. Durisin,Emily van der Meulen,Chris Bruckert,2018-09-01 In 2013 the Supreme Court ruled in Canada v Bedford that key prostitution laws were unconstitutional The decision provoked wide interest but little new insight into sex work Red Light Labour addresses Canada s new legal regime regulating sex work through the analysis of past and present policy approaches and consideration of how laws and those who uphold them have constructed controlled and criminalized sex workers their clients and their workspaces This groundbreaking collection also offers nuanced interpretations of commercial sexual labour that foreground the personal perspectives of workers and activists The contributors highlight the struggle for civic and social inclusion by considering sex workers advocacy tactics successes and challenges Red Light Labour promotes social and economic justice within a sex work as labour framework This book is a timely intervention that showcases up to date legal policy and social analysis of sex work in Canada *Sin, Sickness and Sanity* Vern L. Bullough,Bonnie Bullough,2019-01-16 Originally published in 1977 For centuries myth misinformation and taboo have distorted our vision of our sexual nature This book examines such cultural phenomena from Greek dualistic thought to Buddhist philosophy from the attempt of early Christian sects to promote total chastity to homosexual practices among the Arabs It explains Victorian theories about masturbation and madness sexist dogmas limiting feminine potential social attitudes towards abortion over time and much more Extensively researched this fascinating classic work is a comprehensive summary of our knowledge of past sexual attitudes as well as an appraisal of the causes and direction of sexual revolution **Electrified Sheep** Alex Boese,2012-06-05 Perfect summertime reading preferably with a friend nearby who can be constantly interrupted with unsettling facts Daily Mail UK Benjamin Franklin was a pioneering scientist leader of the Enlightenment and a founding father of the United States But perhaps less well known is that he was also the first person to use mouth to mouth resuscitation on an electric shock victim

Odder still it was actually mouth to beak resuscitation on a hen that he himself had shocked Welcome to some of the weirdest and most wonderful experiments ever conducted in the name of science Filled with stories of science gone strange Electrified Sheep is packed with eccentric characters irrational obsessions and extreme experiments Watch as scientists attempt to nuke the moon wince at the doctor who performs a self appendectomy and catch the faint whiff of singed wool from an electrified sheep **Unreported Taxable Income from Selected Illegal Activities** Kenneth Carlson, Herbert F.
