Loves Of Lucrezia:

Lucrezia Denise Robins,2014-07-24 The wickedest woman who ever loved Sensual corrupt that was the court of Renaissance Italy And that too was Lucrezia Borgia a woman of infinite guile and indiscriminate passion whose affairs led her from page boy to prince and to a reputation called shocking even in a land not easily shocked Yet no matter how often she strayed Lucrezia remained faithful in her special fashion to the one man she had sworn would be hers A gripping historical romance from the 100 million copy bestselling Queen of Romance first published in 1953 and available now for the first time in eBook *The Loves of Lucrezia* Francesca WRIGHT,1962 Loves of Their Lives Louis Baldwin,1993 Coterie Chaman Lall (diwan),Russell Green,1919 Art prose and poetry The Memoirs of Casanova (The Complete Six-Volume Edition) Giacomo Casanova,2022-11-13 In The Memoirs of Casanova Giacomo Casanova offers a vivid and frank recounting of his extravagant life as an adventurer diplomat and seducer in 18th century Europe This complete six volume edition is both a historical document and a rich tapestry of romantic escapades intellectual pursuits and philosophical musings Written in a conversational yet erudite style Casanova s narrative engages readers with its wit and eloquence immersing them in the opulent courts vibrant salons and dramatic landscapes of his time The memoirs act as a lens through which to view Enlightenment era society highlighting its contradictions and complexities regarding love power and the human spirit Casanova born into a modest Venetian family became a symbol of the libertine lifestyle which was likely shaped by his diverse experiences as a traveler and observer of societal mores His background in law and the arts along with his penchant for storytelling enable him to create a multifaceted portrait of his life intertwining factual events with the allure of fantasy His legacy as an icon of seduction is further complicated by the reflections on morality and freedom that permeate his works For readers intrigued by historical narratives enriched with personal insight The Memoirs of Casanova is a must read It transcends mere autobiography offering a profound exploration of humanity through the eyes of one of history s most flamboyant figures Engage with this literary masterpiece to uncover the complexities of desire and the exuberance of life in a bygone era **The Pious Sex** Andrea Radasanu,2012-07-10 The Pious Sex strives to enlighten the reader with respect to the relationship between women and religion The notion that there is a special relationship between women and piety may call to mind the worst of the prejudices associated with women over the ages the characterization of women as superstitious and inherently irrational creatures who must be kept firmly in hand by the patriarchal establishment The suggestion that there is a special relationship between women and piety conjures up the most oppressive picture of womanly virtue The contributors of this volume revisit the claim that women constitute the pious sex and investigate the implications of such a designation This collection of original essays examines the relationship between women and religion in the history of political thought broadly conceived This theme is a remarkably revealing lens through which to view the Western philosophical and poetical traditions that have culminated in secular and egalitarian modern society The essays also give highly analytical

accounts of the manifold and intricate relationships between religion family and public life in the history of political thought and the various ways in which these relationships have manifested themselves in pagan Jewish Christian and post Christian settings
