The Medicine Wheel for Step Parents Mary Jane Grange R.N., 2012-02-14. With *The Medicine Wheel for Stepparents*, I hope to give some understanding and relief to blended families. Stepfamilies have common threads of dysfunction. There are many issues that form these common threads. These issues occur between stepparent and stepchild and biological parent, biological child, and extended family in blended families. I have listed the issues and have offered affordable solutions that are within our grasp. These common threads reappear in every aspect of family life, including financial matters such as your child's Social Security checks, child support checks, medical bills, and the parents' will. These issues occur when the power structure changes in a home after a divorce or death in a family. Everyone is left in a gigantic power struggle which retires parents prematurely. Stepparents and stepchildren feel that they must protect their territory, ego, and family with secrets, isolation, intimidation, manipulation, and stonewalling behavior. When stepfamilies are choking, parents, stepparents, and stepchildren do not have to be severely depressed, take multiple medications for depression, and energy get a divorce or attempt suicide for relief. Biological parents and stepparents do not have to be retired prematurely. There are better ways to keep everyone functioning in blended families. My book will not take away all the opposition you experience in blended families. We learn by overcoming opposition, not creating opposition. This book helps you analyze and carry the opposition to your efforts for your blended family.

Biblical Worship Shamblin Stone, 2012-03. God has always had a way. He wants to be worshiped. He has outlined that way for us in His written revelation, the Bible. In it, He has commanded us to worship Him with our entire being, holding nothing back. According to Jesus, this is the first and greatest commandment. The reasons God has given us for obeying His commands to worship Him are because of who He is and because of what He does. Worship is the biblically declared reason for mankind's existence. However, how and when we worship is just as important as the fact that we do worship. Also, what God means when He uses the biblical synonyms of the word worship is important to understand when we are trying to obtain a more complete picture of how God wants us to worship Him. *Biblical Worship* is a book for every Christian, regardless of their preferred worship style or worship traditions. The fresh new insights contained within its pages about what type of worship God desires from us all have the potential to shock you at times. At the very least, this book will cause you to never view
