Mascarella,2010-05-17 The Experience the Life Bible study series helps you let your life reflect Jesus perfect love *Loving as Jesus Loves* A. B. Simpson,1996-01-01 Loving as Jesus Loves is a devotional study of the Song of Songs where Simpson shows that the experiences of the Shulamite and her lover also have their counterparts in the life of every true believer Not only does God love the world He loves individuals This story from the waiting days to the homecoming day is your story too

Love Like Jesus Kurt Bennett,2020-02-11 Based on Kurt Bennett s popular ish blog God Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus **Love as**

Jesus Loved Leader's Guide with DVD Bill Hull,Paul Mascarella,2010-05-17 This leader s guide with DVD is the perfect study for your small group to learn more about Jesus perfect way of loving **Cultivating Christlikeness** Paul W.

Chilcote,2024-03-26 Are you ready to reclaim our inheritance as United Methodist Wesleyans Our communities and the world are crying out for empathy authenticity and integrity This book helps us choose ways of living that are grace filled and redeeming Cultivating Christlikeness is about the bold adventure of United Methodists celebrating and living into a grand vision that includes everyone in God s extravagant embrace Jesus invites us to partner in the work of transformation new birth and resurrection in every aspect of our lives Together we can step into a future showered by God s multiplying love Paul Chilcote mines his decades of study prayer and devotion to Christian practices to share his vision for how we partner with God to make the world more loving and just In Cultivating Christlikeness he weaves the threads of insight and appreciation with special attention to Wesleyan ways of loving God and neighbor that can change us and change the world

With his gentle direction we discover with new appreciation how 18th century John and Charles Wesley illumine our 21st century quest to befriend Jesus who frees us to live into and by the grace of God Chilcote's book is a practical guide He guides us with a mentor's insightful nudge as we explore essential Wesleyan teachings about God and the beloved community He helps us know how to share these understandings with our families and neighbors and more importantly he points us to ways to live out our commitments with purpose courage and joy The framework and flow of *Cultivating Christlikeness* make it easily adaptable for group discussion and individual use It includes a plan for a two day retreat for those eager to join in a more intensive experience of mutual engagement to renew their spirits and discover fresh ways to grow in love and grace The book is a companion to Chilcote's *Multiplying Love* Abingdon Press which casts the theological vision that animates this practical spiritual guide And it is an updated and expanded revision of an earlier work entitled *Wesley Speaks on Christian Vocation* originally published by Discipleship Ministries then reissued by Wipf Stock *Loving the Way Jesus Loves* Philip Graham Ryken, 2012 Seasoned pastor and college president Phil Ryken offers a unique exploration of 1 Corinthians 13 showing how an understanding of the love of Christ compels us to love more deeply in response *Loving Jesus More* Philip Graham Ryken, 2014-09-30 Do you love Jesus more than your spouse Your reputation Your kids Your health Your job Your money As Christians we're called to love Jesus more than anyone or anything else But do we really do this Emphasizing that God's love for us is the source of our love for him Phil Ryken challenges us to take Jesus's words seriously and think carefully about where our affections truly lie *A New Commandment* Sharon A. Steele, 1986-05-01 *Feeling the Love of Jesus* Diane Mary Markey, 2023-01-20 This book is another in my series demonstrating my love for God and His Son Jesus The particular book is dedicated to spreading the good news of Christ Jesus our Lord The fifteen stories in this small book are chosen to uplift my readers and to introduce Jesus as the loving God who He really is I have added a few images here and there to make it a little more fun I loved writing these stories and compiling them into this little book for your enjoyment I hope I pray you feel our Lord reaching out and touching you with His love Diane **Jesus My Valentine** Henrietta Hunter, 2019-05-07 The greatest gift the world has is God's love for us The love God has for us precipitated God sending us Jesus to bring us back into a loving fellowship with him With all the hate evil and pain that exist in the world humanity cannot forget the power of love and the sovereignty of God God is love and since God is sovereign love still reigns not only in the hearts of men and women but in the heart of God and it is inextricably interwoven within our salvation story Our Christian salvific story is one of love it is a narrator of love We were made to love and made to be loved We were made in the image of God and God being love denotes we were made to love be loved and desire a relationship with those we love God desires a relationship with us because he loves us The love of the Father is manifested through the deeds of Jesus Christ in the Father's desired to be back in relationship with his creation The love God has for his creation must be dramatized and visualized in how we love one another and relate to those we love God's will need to be done on earth as it is in heaven Henrietta Hunter's

Jesus My Valentine explores how interconnected the love we experience in our personal lives i.e. romantically platonically to our love for God She demonstrates this by outlining how the love and passion that the lover in Songs of Solomon possesses for his love is an extended analogy to God's love for us and how God's people ought to pursue him as their lover Her work calls readers to experience God's love through the way we experience love with others reciprocally the way readers experience love with one another is the same way readers are to experience being in love with God Henrietta introduced the magnitude of love on a horizontal level which is eye level a level reader can grasp and then raise our spiritual conscious to above eye level which is a vertical love Jesus My Valentine argues both are necessary to truly make Jesus our valentine It is when Jesus become our valentine that we come to know true love and the true meaning of true love realizing it is impossible for Jesus to be your valentine without the love of people and the people without Jesus being your valentine is not possible Henrietta's journey within Jesus My Valentine takes us from the historicity of Valentine's Day to the evolution of how we contemporarily celebrate Valentine's Day She matriculates from a historical view of Valentine's Day to a theological view of Valentine's Day moving from an anthropocentric human view of love to a theocentric God view of love Jesus My Valentine calls readers to replicate the wooing they extend on Valentines for their lovers to how readers approach and love on Jesus Henrietta outlines how readers are to love Jesus and make him their valentine in very practical ways If you asked Henrietta how to make Jesus your valentine According to this text she would suggest it is like the way a wife knows her husband and the way a husband gets to know his wife It is a love that comes from a knowledge that is only generated by living together by responding to each other's daily interests and by the needs and by listening and being present
