Creating the Future Michael Fallon, 2017-05-30 Conceived as a challenge to long standing conventional wisdom *Creating the Future* is a work of social history cultural criticism that examines the premise that the progress of art in Los Angeles ceased during the 1970s after the decline of the Ferus Gallery the scattering of its stable of artists Robert Irwin Ed Kienholz Ed Moses Ed Rusha and others and the economic struggles throughout the decade and didn't resume until sometime around 1984 when Mark Tansey Alison Saar Judy Fiskin Carrie Mae Weems David Salle Manuel Ocampo among others became stars in an exploding art market However this is far from the reality of the L A art scene in the 1970s The passing of those fashionable 1960s era icons in fact allowed the development of a chaotic array of outlandish and independent voices marginalized communities and energetic sometimes bizarre visions that thrived during the stagnant 1970s Fallon's narrative describes and celebrates through twelve thematically arranged chapters the wide range of intriguing artists and the world not just the objects they created He reveals the deeper more culturally dynamic truth about a significant moment in American art history presenting an alternative story of stubborn creativity in the face of widespread ignorance and misapprehension among the art cognoscenti who dismissed the 1970s in Los Angeles as a time of dissipation and decline Coming into being right before their eyes was an ardent local feminist art movement which had lasting influence on the direction of art across the nation an emerging Chicano Art movement spreading Chicano murals across Los Angeles and to other major cities a new and more modern vision for the role and look of public art a slow consolidation of local street sensibilities car fetishism gang and punk aesthetics into the earliest version of what would later become the Lowbrow art movement the subversive co-opting in full view of Pop Art of the values aesthetics and imagery of Tinseltown by a number of young and innovative local artists who would go on to greater national renown and a number of independent voices who lacking the support structures of an art movement or artist cohort pursued their brilliant artistic visions in near isolation Despite the lack of attention these artists would later reemerge as visionary signposts to many later trends in art Their work would prove more interesting more lastingly influential and vastly more important than ever imagined or expected by those who saw it or even by those who created it in 1970's Los Angeles *Creating the Future* is a visionary work that seeks to recapture this important decade and its influence on today's generation of artists

Desperate Measures Frank Kozik,2002 Frank Kozic is one of the leading rock artists of his generation His work has graced hundreds of posters flyers and album covers and his originals are held by some of the foremost collectors of contemporary rock art His posters are colourfully ironic admixtures of pop permutations **Comics Versus Art** Bart Beaty,2012-07-17 On the surface the relationship between comics and the high arts once seemed simple comic books and strips could be mined for inspiration but were not themselves considered legitimate art objects Though this traditional distinction has begun to erode the worlds of comics and art continue to occupy vastly different social spaces Comics Versus Art examines the relationship between comics and the most important institutions of the art world including museums auction houses and the art press Bart Beaty s analysis centres around two questions why were comics excluded from the history of art for most of the twentieth century and what does it mean that comics production is now more closely aligned with the art world Approaching this relationship for the first time through the lens of the sociology of culture Beaty advances a completely novel approach to the comics form Ed Roth's Mysterion Jeffrey A. Jones,2016-09-02 Ed Big Daddy Roth 1932-2001 was a phenomenon His body of work is still discussed in hot rodding fine arts and pop culture circles and his cult following remains as devoted as it was during his career His 1963 Mysterion show car featuring two big block Ford V8s was his masterpiece and the story of its rise and brief existence is legendary Though it was immortalized as a popular plastic model kit and is featured on several websites little is known about Roth s magnum opus There are a number of fanciful stories of its demise mostly fiction Combining history and shop class this book provides a full investigation of Mysterion both the legend and the machine itself Drawing on interviews magazine articles photos models and other sometimes obscure sources the author pieces together the true story of the car while documenting his own faithful bolt by bolt recreation of Mysterion **Citizen Keane** Cletus Nelson,Adam Parfrey,2014-06-09 Teary big eyed orphans and a multitude of trashy knockoffs epitomized American kitsch art as they clogged thrift stores for decades When Adam Parfrey tracked down Walter Keane the credited artist of the weepy waifs for a San Diego Reader cover story in 1992 he discovered some shocking facts Decades of lawsuits and countersuits revealed the reality that Keane was more of a con man than an artist and that he forced his wife Margaret to sign his name to her own paintings As a result those weepy waifs may not have been as capricious an invention as they seemed Parfrey s story was reprinted in Juxtapoz magazine and inspired a Margaret Keane exhibition at the Laguna Art Museum And now director Tim Burton is filming a movie about the Keanes called Big Eyes and it s scheduled for release in 2014 Burton s Ed Wood starring Johnny Depp was based upon the Feral House book edited and published by Parfrey about the angora sweater wearing B film director Citizen Keane is a book length expansion of Parfrey s original article providing fascinating biographical and sociological details photographs color reproductions and appendices with legal documents and pseudonymous essays by Tom Wolfe inflating big eye art to those painted by the great masters **Rebel**
