Bulletin of the United States National Museum United States National Museum, 1915 Peel's Bibliography of the Canadian Prairies to 1953 Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba Fodor's See It Canada, 1st Edition Fodor's, 2004-06 NEW SERIES This new series beats out DK Eyewitness guides by emphasizing strong graphic design while also supplying much more practical information than DK including how to get around insider travel tips and hundreds of reviews for hotels and restaurants

Authorized Heritage Robert Coutts, 2021-03-19 Authorized Heritage analyses the history of commemoration at heritage sites across western Canada Using extensive research from predominantly government records it argues that heritage narratives are almost always based on national messages that commonly reflect colonial perceptions of the past Yet many of the places that commemorate Indigenous fur trade and settler histories are contested spaces places such as Batoche Seven Oaks and Upper Fort Garry being the most obvious At these heritage sites Indigenous views of history confront the conventions of settler colonial pasts and represent the fluid cultural perspectives that should define the shifting ground of heritage space Robert Coutts brings his many years of experience as a public historian to this detailed examination of heritage sites across the prairies He shows how the process of commemoration often reflects social and cultural perspectives that privilege a conventional and conservative national narrative He also examines how class gender and sexuality often remain apart from the heritage discourse Most notably Authorized Heritage examines how governments became the mediators of what is heritage and just as significantly what is not *The National Union Catalog, Pre-1956 Imprints* Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1979 Report on the Red River Expedition of 1870 M. Bell Irvine, Great Britain. Army. Commissariat and Transport Department, 1871 Sam Steele Norman S. Leach, 2015-04-04 From humble beginnings in what is now Bracebridge Ontario to his knighthood in England two years before his death in 1919 Sam Steele's life epitomized the themes of personal adventure service to Crown and country and the zeal for modernization and social order that characterized nineteenth century Canada *Official Automobile Blue Book*, 1923 Canadian Gazette and Export Trader, 1910 **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert

Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *All Round the World*
