Lowering The Boom The Bobby Baun Story:

Lowering the Boom Bobby Baun, Anne M. Logan, 2000 For more than 17 NHL seasons Bobby Baun patrolled the blueline for the Detroit Red Wings Toronto Maple Leafs and Oakland Seals The bruising defenseman known for his devastating hip checks and stellar defensive play lives on in the memories of hockey fans the world over for one of the most exciting moments in sports history In the third period of game six of the 1964 Cup finals playing for his Leafs against the archrival Detroit Red Wings Baun took a slapshot off his ankle and was taken off the ice on a stretcher His fractured ankle frozen and taped Baun heroically returned for overtime and knocked one past Terry Sawchuk winning the game and inspiring the Leafs to win the Cup in game seven Now for the first time Baun takes us beyond that legendary snapshot in hockey history telling us the inside story about his fabled career Baun takes us into the dressing rooms training camps and family life of his days as one of hockey's most dangerous defensemen Lowering the Boom Bobby Baun, 2013 **100 Things Maple Leafs Fans Should Know & Do Before They Die** Michael Leonetti, Paul Patskou, 2020-11-03 Whether you're a die hard booster from the early days of Conn Smythe or a new supporter of John Tavares and Auston Matthews these are the 100 things all Maple Leafs fans need to know and do in their lifetime Authors Michael Leonetti and Paul Patskou have collected every essential piece of Maple Leafs knowledge and trivia as well as must do activities and ranked them providing an entertaining and easy to follow checklist as you progress on your way to fan superstardom 100 Things Maple Leafs Fans Should Know Do Before They Die is the ultimate resource guide for true fans *Bench Bosses* Matthew DiBiase, 2015-10-27 Bench Bosses celebrates the greatest NHL Coaches in the history of the game Bench Bosses is filled with compelling biographical narrative innovative analysis historical allusion hockey folklore humour heartbreak and tragedy By introducing a creative new method for evaluating coaching success professional historian and hockey columnist Matthew DiBiase settles many a debate His hard hitting prose and cogent analysis covers key aspects of coaching and definitively identifies the greatest offensive and defensive coaches expounds on the best penalty killing or power play coaches and delves into statistics to determine the nastiest squads on the ice His unique assessment method determines his selection of the top fifty head coaches of all time DiBiase's in depth hockey research delivers a powerful gripping and informative look at the game's best of the best This seminal book tells the story behind the story of coaching success It removes subjectivity and bias and provides a comprehensive overview of each coach's major career achievements and the contributions each has made to the game In the writing of this book the author personally interviewed many of the game's best known coaches and their players to get the most accurate and complete perspective of the sport and its coaching elite Readers will enjoy hearing from such names as Scotty Bowman Al Arbour Jean Beliveau Dick Irving Jr and more *The California Golden Seals* Steve Currier, 2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of

players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey's traveling circus. The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams. Live seals were used as mascots, players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game. The California Golden Seals examines the franchise's mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland. Through a season by season narrative, Currier brings to life the Seals' history with lighthearted anecdotes, personal interviews and statistics about hockey's most infamous losing team.

Jacques Plante Todd Denault, 2009-10-27 The first full scale biography of a legendary and award winning NHL goalie who transformed the game. There are a lot of very good goalies, there are even a fair number of great goalies. But there aren't many important goalies. And Jacques Plante was an important goalie. Ken Dryden. On and off the ice, Jacques Plante was a true original. He was extremely talented, boastful, defiant, mysterious and complex. Throughout his tumultuous career as a goalie, he played for Montreal, New York, St. Louis, Toronto, Boston and Edmonton. His contributions to and impact on the game were extensive and are reflected in today's rules, equipment and style of play. Thoroughly investigated through archival and primary research and including interviews with figures such as Jean Beliveau, Henri Richard, Dickie Moore and Scotty Bowman, this biography sheds light on one of the most pivotal figures in the history of hockey.

The Publishers Weekly, 2000

International Sport: A Bibliography, 2000 Richard William Cox, 2013-10-23 There has been an explosion in the quantity of sports history literature published in recent years, making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1,000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one-stop for the sports historian to know what is new.

World of Sports Indoor Anil Taneja, 2009

The Toronto Maple Leafs Eric Zweig, 2017-10-28 A complete history of the Toronto Maple Leafs as told by the players, coaches and reporters. On December 19, 1917, the Toronto Arenas took to the ice for the first NHL game ever played. The Toronto Maple Leafs: The Complete Oral History gives the most comprehensive record of the team from its formation to the present day. With first-hand accounts of some of the biggest names ever to play the game, Syl Apps, Darryl Sittler, Mats Sundin, as well as coaches, managers and commentators, Eric Zweig gives readers the full insider history of Canada's most iconic team.
