TransElectric Cidny Bullens, Sir Elton John, 2023-06-06 From the depths of the 70s rock n roll excesses through unimaginable personal losses to an inspiring late life transformation Cidny Bullens s story is an utterly compelling journey about living and singing with your authentic voice An androgynous gender bending musician from the get go Bullens toured extensively with Sir Elton John and performed with Bob Dylan undergoing a complete immersion in the drug fueled excesses of 1970s rock n roll Despite getting sober climbing the charts with the Grammy nominated Survivor as well as a Grammy nomination for his lead vocals in the soundtrack for the movie Grease Bullens was unable to break out as a solo star in a world that allowed its artists to cross the gender line but had much more narrow expectations about how women could behave and perform Retreating into the conventional lifestyle of a suburban mom Bullens felt like she was living in an alternate universe Then whatever world she had was shattered by the tragic death of her younger daughter from cancer Out of the ashes of despair Bullens brought forth an award winning album Somewhere Between Heaven and Earth that relaunched the musician s career Finally nine years ago Cidny claimed his own healing and transitioned from female to male finding unexpected love becoming a new stepfather and a grandfather What he found too was his true voice and true power as a performer

The Woman Who Could Not Forget Ying-Ying Chang, 2012-07-01 The poignant story of the life and death of world famous author and historian Iris Chang as told by her mother Iris Chang s bestselling book The Rape of Nanking forever changed the way we view the Second World War in Asia It all began with a photo of a river choked with the bodies of hundreds of Chinese civilians that shook Iris to her core Who were these people Why had this happened and how could their story have been lost to history She could not shake that image from her head She could not forget what she had seen A few short years later Chang revealed this second Holocaust to the world The Japanese atrocities against the people of Nanking were so extreme that a Nazi party leader based in China actually petitioned Hitler to ask the Japanese government to stop the massacre But who was this woman that single handedly swept away years of silence secrecy and shame Her mother Ying Ying provides an enlightened and nuanced look at her daughter from Iris home made childhood newspaper to her early years as a journalist and later as a promising young historian her struggles with her son s autism and her tragic suicide The Woman Who Could Not Forget cements Iris legacy as one of the most extraordinary minds of her generation and reveals the
