To Tell You the Truth Enid Levinger Powell,2008-08-26 Are these stories autobiographical or fiction the author is asked Yes she says Life does not provide perfect plots and all the cool characters you need if you hope to hook a reader but imagination stitched to scraps of experience and observation can create a patchwork quilt called fiction The stories follow the Law of the Imagination Tell the truth and the lies take care of themselves Any links that a reader may invent are reasonable even if not true A teenage daughter enduring a home perm a saleswoman coveting a thin gold chain a woman seeing off her college bound son and visiting parents all on the same day In this collection of exquisitely nuanced stories it isn't so much what is said but what is left unspoken that gives Powell's work such emotional complexity and firepower Proof positive that a good story is truer than the truth Joni B Cole author of *Toxic Feedback* Helping Writers Survive and Thrive What did you like best about this book This book is filled with extraordinary characters and diverse plotting I eagerly read through it while wondering what next the book held in store for me I believe its strength aside from the excellent writing skills lies in the way you captured the essence of our lives I identified with so many of the chapters saying to myself yes that's the way it is that's what happened that's how I felt I particularly liked Scenes with a View that captures the young daughter moving into her first place and the parents discomfort with it I remember how vulnerable I felt at that time How hard I tried to make my place perfect or at least good enough to gain my parents approval How can the author improve this book It would be difficult to say how you could improve this book I thought the writing was superb characterization the same and the stories tugged at my heart I cried at the end Tears fill my eyes even as I write these words Congratulations on a lovely book If you are not a winner this year it is because there are so many excellent entries *Writer's Digest* Judge's commentary
