Luck of the Runner Alan Lunemann, 1975-11-01 Has the Luck Run Out? David Fagan, 2019-02-26 Why are Australians anxious and pessimistic Who or what has caused our loss of trust in Australia Why has a feeling of powerlessness crept in for so many Has the luck really run out for the lucky country And what can we do to get it back Every generation believes its forebears have messed up the planet That's how we evolve But the mood in Australia at the moment for all ages seems one of gloom People are angry Distrustful And not just because we are losing Prime Ministers faster than we are losing wickets Sport business education banking farming religion trade unions charities and hospitals have all lost their way through a series of scandals that we must learn from And disillusion with our leaders is at its peak Policy has been replaced by politicking Commentator author and former newspaper editor David Fagan asks the questions we all want answered as he traces the not so gentle decline of important Australian institutions Through analysis and interviews with experts he explores what has defined Australia in the past and how we want to be defined in the future Peeling back the rot that has contaminated almost everything Australians believe in he asks are we still the economically socially and culturally strong country that most aspire to Should we be alarmed Or has the laconic Australian drifted from believing she'll be right to being a bloody knocker Has the Luck Run Out shines a spotlight on the mistakes we have made our national disillusion and looks to what can be done to re-set the mood of the times And more importantly what we have to do to set things right Runner 13 Amy McCulloch, 2025-07-01 The problem with running faster than everyone else is that you can find yourself miles from anyone who can save you A scorching new thriller set in the world of extreme ultra marathons from the bestselling and award winning author of *Breathless* and *Midnight* It's the ultimate challenge a multi-day two hundred and fifty mile race across the Sahara with only the supplies you can carry on your back It's the race that Adrienne Wendell was born for Years ago Adri had to abandon her career as a star ultra marathon runner in the wake of a scandal She could cope with the threats to herself but when her young son was endangered she gave it all up Now at long last she's ready to run again She's running to win and to get some answers from the enigmatic legendary race organizer Because the past has begun to show up in the present in troubling ways It takes a while for Adri to realise that something is wrong After all in a fierce desert environment the first dead body is too easy to explain away But once the race begins it becomes clear that there's a killer stalking the hot sand and he's got Adri in his sights **American Magazine**, 1912 **Run to the Finish** Amanda Brooks, 2020-03-03 Inspiration and practical tips for runners who prioritize enjoyment over pace and embrace their place as an average runner In her first book popular runner blogger Amanda Brooks lays out the path to finding greater fulfillment in running for those who consider themselves middle of the pack runners they're not trying to win Boston or even qualify for Boston they just want to get strong and stay injury free so they can continue to enjoy running *Run to the Finish* is not your typical running book While it is filled with useful strategic training advice throughout at its core it is about embracing your place in the
