Women and the State in Modern Indonesia Susan Blackburn, 2004-11-11 In the first study of the kind Susan Blackburn examines how Indonesian women have engaged with the state since they began to organise a century ago. Voices from the women's movement resound in these pages posing demands such as education for girls and reform of marriage laws. The state for its part is shown attempting to control women. The book investigates the outcomes of these mutual claims and the power of the state and the women's movement in improving women's lives. It also questions the effects on women of recent changes to the state such as Indonesia's transition to democracy and the election of its first female president. The wider context is important. On some issues like reproductive health international institutions have been influential and as the largest Islamic society in the world Indonesia offers special insights into the role of religion in shaping relations between women and the state.

The Wait Damodar Mauzo, 2022-05-23 Damodar Mauzo's stories present us with vivid glimpses of the richly diverse cosmopolitan reality of contemporary Goa. In these perceptive keenly observed stories Hindus Catholics and Muslims all find ways to co-exist in defiance of bigotry. AMITAV GHOSH A cab driver who assumes the identity of whoever his clients want him to be finds himself in a tricky situation with a passenger. A late night call leads a doctor down a path of lust and desire but with unexpected results. A writer acquaints himself with a thief who had broken into his house. A migrant worker falls in love but wonders how he can present himself as a suitor. A young man having lost the love of his life takes it upon himself to resolve another couple's dilemmas. Konkani writer Damodar Mauzo's sometimes bizarre sometimes tender stories set largely in Goa create a world far removed from the sun and sand and the holiday resorts. Here you find villagers facing moral choices children waking up to the realities of adult lives men who dwell on remorse women who live a life of regret and communities whose bonds are growing tenuous in an age of religious polarization. Probing the deepest corners of the human psyche with tongue in cheek humour Mauzo's stories reveal the many threads that connect us to others and the ease with which they can be broken. Written in simple prose and yet layered in nuances *The Wait* is a collection that brings to the anglophone world one of the doyens of Konkani literature.

MAA RASHMI RAMESHWAR GUPTA, 2025-06-27 Writing anything about a mother is never easy. A mother is the epitome of sacrifice penance and unconditional love. In this novel *Maa Mother* I have tried to write about a mother's journey and her emotions. A human life goes through four stages of which the most challenging is old age when the body starts to gradually give up. The younger generation caught in the vibrancy of youth often cannot feel or understand the pain and struggles their elders go through. Today's children too don't get to stay with their parents for long. As they grow they move away for education. After marriage they get engrossed in their own families. In such a scenario what will happen to our elders when there is no one left to understand their emotions or take care of them? This is a deeply troubling question because one day we all must go through old age. By the time the youth begin to understand the realities of aging it's often too late. In such times whose compassion will our elders rely on? Is this what the

modern era has come to Regardless of how advanced our times may be we must remain empathetic towards our elders for only then will true humanity survive Otherwise we will lose ourselves It is undeniably true that parents are divine beings Serving them never goes in vain No matter how much we serve the world if we fail to serve our parents if we cannot say a few loving words to them in their final days or lend support to their trembling hands our lives are in vain Those who get the fortune to serve their parents are indeed truly blessed I never wish to keep good thoughts confined within me That is why any thought that brings inspiration or motivation to move forward in life I will always try to bring to you through my writing This is my promise to all of you With this sentiment I bow wholeheartedly to Lord Shiva Mata Parvati Lord Ganesha the remover of all obstacles and Maa Saraswati the goddess of wisdom I now present to you my heartfelt creation the novel Maa You may have read the first 50 parts of this novel on Facebook Due to time constraints I had to pause midway and had promised you all that you would definitely read the rest in the form of a complete novel With your support love and blessings that promise has now been fulfilled I request you to kindly forgive my small errors and shower this work with your love and blessings Forever yours Rashmi Rameshwar Gupta Bilaspur Chhattisgarh The Sari Shop Rupa Bajwa,2005-05-26 Young Ramchand rushes through the dusty streets of Amritsar once again late for work Chastised by his boss he takes his place among the cottons and silks of the sari shop selling yards of cloth to the wealthy and fashionable women of the town Offered a glimpse of a more opulent world Ramchand is seduced by the idea that he might somehow better himself But making dreams real will come at a price that a poor shop assistant might not be able to pay Funny compelling and unflinchingly honest The Sari Shop is a heartbreaking story of a young man s struggle to be someone else and a brilliantly clear sighted debut *Marriage on the Mend* Clint Bragg,Penny A. Bragg,2015-03-03 Every broken marriage has the hope of becoming a saved marriage Approximately fifty percent of the couples who sign a marriage license will also sign on the dotted line of a divorce document In order to turn the tide of this stark statistic couples who have considered or experienced separation or divorce must be given real tools to reconcile restore and rebuild their relationships Marriage on the Mend provides these tools for couples in crisis Clint and Penny Bragg know what it means to be that couple After being divorced for eleven years and living 3 000 miles from each other they were remarried but the difficult work of restoration continued long after that second ceremony The Braggs know that couples who reconcile face a unique set of challenges including unresolved arguments poor communication habits unforgiveness and betrayed trust Biblically based materials are required to walk through this treacherous territory toward full healing and restoration This practical realistic book identifies roadblocks that may stall relationship progress recommends ideas to deepen intimacy offers solutions to effectively handle past hurts and conflicts and applies Scripture to every aspect of the process in order to proactively stabilize and safeguard the marriage At the end of each chapter the Braggs include a prayer for couples to share to help facilitate healing The one thing all broken relationships have in common is that true healing takes time Using the framework of Nehemiah s effort to restore Jerusalem

s walls following the Israelite s exile and captivity Marriage on the Mend provides a clear framework for the restoration of relationships Engaging the Doctrine of Marriage Matthew Levering,2020-08-12 This book is the next volume in Levering s Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogue of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage s importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage **Same Sex, Different States** Andrew Koppelman,2006-01-01 This book is a comparative history devoted to the revolutionary tradition in the West as it evolved over many centuries and reached its logical though extreme culmination in the Communist revolutions of the twentieth century Unique in the breadth of its scope History s Locomotives is also unique in its interpretation of the origins and history of socialism as well as the meanings of the Russian Revolution the rise of the Soviet regime and the ultimate collapse of the Soviet Union The masterwork of a historian in whom a fine sense of historical particularity never interfered with the ability to see the large picture this book explores religious conflicts in fifteenth and sixteenth century Europe the revolutions in England American and France and the twentieth century Russian explosions into revolution Malia finds that twentieth century revolutions have deep roots in European history and that revolutionary thought and action underwent a process of radicalization from one great revolution to the next He offers an original view of the phenomenon of revolution and a fascinating assessment of its power as a driving force in history **Indian Women Novelists in English** Birendra Pandey,2001 **Grotesque Touch** Amy King,2021-09-13 In this book Amy K King examines how violence between women in contemporary Caribbean and American texts is rooted in plantation slavery Analyzing films television shows novels short stories poems book covers and paintings King shows how contemporary media reuse salacious and stereotypical depictions of relationships between women living within the plantation system to confront its legacy in the present The vestiges of these relationships enslavers and enslaved women employers and domestic servants lovers and rivals negate characters efforts to imagine non abusive approaches to power and agency King s work goes beyond any other study to date to examine the intersections of gender sexuality race ethnicity class ability and nationality in U S and Caribbean depictions of violence between women in the wake of slavery Report of the Royal Commission on Divorce and Matrimonial Causes [with Minutes of Evidence, and Appendices to the

Achieve Gender Equality Natalie Persadie, 2012-07-26 Law is often perceived as an instrument that can effect social change While this might be so it must be complemented by the necessary financial and human resources to make the law effective Natalie Persadie explains that among developing countries such as Trinidad and Tobago the achievement of legal advances for women at either the international or national levels is particularly difficult where practical measures are not subsequently implemented This is perhaps attributable to a lack of political will Important issues such as gender equality and domestic violence are not given priority and laws aimed at protecting women and promoting women s rights are ineffective scant or unenforced Gender justice can only be realized through a multilevel approach from above and more importantly from below as women have the potential to effect real national and international legal and institutional change to ensure gender equality at both levels
