Marriage Miracle:

The 90-Minute Marriage Miracle Jeff Forte, 2013-08 How to turn your marriage from potential divorce to delight in 90 minutes Learn immediate solutions to any relationship challenge Once and for all eliminate the stress of not knowing what to do

The Marriage Miracle Paul Kendall, 2015-01-16 Truth that's what you've opened this book to find you want information that is solid and trustworthy You need truth because truth always works just like two plus two always equals four Truth will work in your marriage every time regardless of your circumstances The Marriage Miracle would be a facetious title for a book if it were based on a man's theory but this book is not based on man's theory it's based on the most trustworthy source of wisdom God's Word Isaiah 55:11 says that God's Word will not return void how is that possible Because God's Word is truth and truth always works That scripture goes on to say that whatever His Word is spoken into will prosper it prospers because the truth replaces the lie and when your decisions and actions are based on truth your circumstances begin to change This book is filled with Biblical principles of truth that will bring new life to your marriage if you simply apply them As you read these pages you will learn techniques that when applied to your marriage will always work Now I know the idea of learning techniques may sound less than exciting until you realize that you are already using them in your marriage The problem is they are not working you're not getting the results that you desire Therefore your greatest challenge in this book will be to replace your ineffective techniques with new ones based on principles of truth My wife Evie and I have been married for nearly 30 years now but in our 13th year of marriage we hit rock bottom It was a very very dark time We were two signatures away from a divorce and basically just trying to decide what would be best for our two children under the circumstances when somebody suggested that we go to marriage counseling I didn't like that idea because I always considered myself to be the helper and not the helpee Besides I was a minister and truthfully I was pretty embarrassed to go But I decided to go for one reason only so that after my divorce I could look my two children in the eyes and tell them I tried everything to make it work with your mother even counseling It was definitely the wrong reason to go but it got me there We joined one of their groups and went on to learn things in that program that we had never heard before At the end of the twelve weeks we were not all better but we had all of the tools that we needed to get all better We continued to use the tools for weeks and months and I'd like to tell you that we got better quick but it actually took us about two years to get to where we needed to be That might seem like a long time until you consider the fact that that was about 17 years ago So two years now seems like a drop in the bucket and certainly worth all of the healthy years of marriage that we've enjoyed since then Our children have also been able to grow up in a house with their biological mom and biological dad present So I know things may seem really tough for you I'm sure that they are but I want to encourage you to put your trust not in a person not in a book but in God's truth and trust God to transform your marriage just like He did mine

John's Gospel

Hermann Beckh, 2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John s invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in

Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob Böhme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark's Gospel of 1928 John's Gospel could be described as the capstone of Beckh's writings as a triumphant announcement that theology and the study of John's Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh's significant achievements **Homiletical Aids for the Christian Year** E.
