galore to cope with but Kitty has survived worse believe you me The Finch Family Bank Holiday 7 Now normally Kitty Finch loves a good wedding so she was happy to head down to Berkshire with the rest of the Finches to stay at a farm over the long bank holiday weekend She saw it as a chance to be in a famously posh romantic setting with her ex since Kitty wants to rekindle their relationship I mean who does not fall in love with love when surrounded by so much joy sentiment and happiness but not when she finds out he is bringing a plus one and she is feeling fat or should that state be fatter than usual because of her pregnancy If Kitty was under the impression that she could hide at the back to avoid not just the camera lens but also her exes then she had better think again When an accident occurs and Kitty has to step into someone else s shoes but not with her swollen feet so thankfully she gets to wear her own footwear in the end however it still doesn t help her walk down that aisle any better Joining Kitty and company in this hilarious mix of mayhem and merriment are a baby doll naked butlers and a male escort There are also a whole lot of laughs along the way so what more can anyone ask for from a British bank holiday The Finch Family Christmas Holiday 8 This is it folks the final Finch family holiday in the Comical Vacations series nine books in total It finds Kitty Finch heading off for a Christmas break with some of her family past and present plus picking up a friend or two along the way This time they are going on a Nordic liner for a mini Christmas cruise so they are all looking forward to this trip as long as it does not sink Well knowing her luck they could all end up at the bottom of the sea if this were any other kind of novel Only that is not a very happy ending so she feels confident that they will make it back to dry land and they do Not before there is upset all round of course and a stupid bet to win first whilst the pranks soon become the bane of her life After which they embark on the next leg of their journey to travel up to the north of Norway for an ice filled fun treat When staying at the snow hotel and getting to see and try things that they have never tried or seen before Will Kitty ever get the love she deserves Should she even have attempted to win a silly wager Can this British family ever have at least one lousy holiday without everything going tits up for Kitty Finch Would Kitty be able to claim she truly had the time of her life or would she be lying through her gritted teeth

The Long, Dark Tunnel Thelma Wehunt, 2012-06-20 It had been six months since their beautiful Christmas in California and Thelma Wehunt was expecting another wonderful time shortly Her daughters and grandchildren were on their way to visit her in Oklahoma Wanting everything to be perfect upon their arrival Thelma called again to check on their progress and make sure there were no final arrangements that needed to be made to welcome them home The voice on the other side of the line however was not one that she recognized At that point her life was thrown into a chaotic turmoil that could only be calmed by time support and the deep soothing conviction of her unwavering faith in her loving God Tragedy visits us all but there may be nothing more deeply tragic than a mother outliving her children In her memoir Wehunt shares the touching testimony of her journey through the long dark tunnel of despair to emotional recovery after losing both children and grandchildren to a terrible and unforeseeable accident
