

I Used To Be

**I used to be scared
to sleep at night
for what I might see**

**Until you helped me
see angels and be free**

**I used to be scared
of the voices in my head
I used to wish they
had left me dead**

**Until you came
and made them fade away**

you made them fade away

How Love Saved Me From Who I Used To Be Amor Vilas

Boas, Rogerio Vilas Boas, 2025-07-17 I never imagined I would write a book For most of my life I lived far from God far from love and even farther from myself I carried wounds that no one could see and wore a name I barely recognized I was surrounded by people but lived in silence Yet one person never gave up on me My grandmother Her name was Francisca Gomes Vilas Boas but to me she was simply Chiquinha This book is my way of letting her keep living Her voice her care her small daily acts of love are now printed in these pages She didn't preach She served And in her quiet routine of service she taught me something that not even years of suffering could erase Through her I met the Love that would one day save me from who I used to be I remember a moment in the garden She was pruning one of her plants gently removing its dead parts and she looked at me with a peaceful expression Then she said something that changed everything inside me She said Son a day lived without making someone's day better or easier is a day lost We lose the day we don't show love to someone And if God is love then that was a day without God If God is life then a day we spend without making someone's day better through our love is a day without life a day we spend dead I cried that day I cried for the time I had wasted For all the days I had lived without being alive That moment was not just a lesson It was a resurrection From that day on I made a decision To let Love live through me To stop resisting To stop expecting And to start becoming This book is not about religion It is about our nature It is about remembering that we are living seeds of something much greater and that Love is not an emotion we feel but a being we become I wrote this book listening to soft piano music Each word came slowly in the rhythm of silence and presence I no longer live for applause I live to offer what I have My writing is not mine My hands belong to Love If you carry sorrow if you have lost direction if you feel disconnected from yourself or others I hope these words help you remember what is already inside you I hope you feel my grandmother's embrace I hope you remember that there is still time to love Because living without Love is not living And loving even quietly even without recognition is the greatest thing you can ever become This is not a book for your mind It is a book for the part of you that is still alive under all the weight It is a book for the part of you that still believes in light Let it be a small light Let it be just enough **He Used to Love Me D.**
