Responsiveness in Race-Related Crisis Events Vickie T. Carnegie,2022-11-28 Government Responsiveness in Race Related Crisis Events argues that decision making in crisis events related to race and ethnicity RRCEs is distinctive based upon the historical treatment of people of color and current narratives surrounding race in the United States The author presents racially sensitive crisis events not as independent problems but as symptoms of an underlying condition which began upon the country s founding She contends public officials will need to recognize and draw upon the interrelated nature of these crises for effective solutions and introduces a decision making model for race related crisis events The author uses grounded theory and a critical race lens to explore the decision making of public officials in Alabama South Carolina and Mississippi concerning the removal of the Confederate Flag from state grounds in the aftermath of the 2015 Charleston Church Shooting

Health, Hazards and Public Debate Carlos Dora,2006 This publication is based on research into the strategies used to communicate information to the public about the risks of BSE bovine spongiform encephalopathy and CJD Creutzfeldt Jakob disease in four European countries the UK Germany Italy and Finland between 1985 and 2000 through political means and health information systems as well as through mass media reporting of the issue It considers the lessons to be learned from the BSE CJD crisis given the need for timely and effective communication on real and perceived risks in such situations both to prevent and to respond to food and environmental health scares The book approaches the debate about effective risk communication as an evolving and interactive process between decision makers and their publics and emphasises the importance of creating mechanisms for interaction at all stages of policy making Using a range of qualitative and quantitative methods the research also looks at the way people construct their perceptions about risk and how they make decisions on risk avoidance **Media Audiences** John L. Sullivan,2019-07-24 Whether we are watching TV surfing the Internet listening to our iPods or reading a novel we all engage with media as an audience Despite the widespread use of this term in our popular culture the meaning of audience is complex and it has undergone significant historical shifts as new forms of mediated communication have developed from print telegraphy and radio to film television and the Internet Media Audiences Effects Users Institutions and Power 2nd Edition explores the concept of media audiences from four broad perspectives as victims of mass media as market constructions and commodities as users of media and as producers and subcultures of mass media The goal of the text is for students to be able to think critically about the role and status of media audiences in contemporary society reflecting on their relative power in relation to institutional media producers Empathy and Violent

Video Games C. Happ,A. Melzer,2014-11-21 Through three empirical studies this book explores the mechanisms behind moderating functions of empathy in violent video games revealing new insights that will inform the ongoing debates about the effects violent media content
