Minette Henrietta Of Exeter:

Minette - Henrietta of Exeter Thomas William Edgar Roche,1971 Biography of Henrietta 1644 1670 daughter of Charles I of England and his wife Henrietta Maria of Navarre daughter of Henri IV of France and Marie de Medicis Henrietta was a sister of Charles II of England of course She married Philippe d Orleans 1640 1701 son of Louis XIII of France and grandson of Henri IV of France and therefore a cousin of Henrietta Marie Louise daughter of Henrietta and Philippe married Charles II of Spain 1661 1700 For some years Henrietta served as a trusted communication link between Charles II of England and Louis XIV of France 'Minette' Thomas William Edgar Roche,1917 *Henrietta Maria and the English Civil Wars* Michelle White,2017-09-29 The influence exercised by Queen Henrietta Maria over her husband Charles I during the English Civil Wars has long been a subject of interest To many of her contemporaries especially those sympathetic to Parliament her French origins and Catholic beliefs meant that she was regarded with great suspicion Later historians picking up on this have spent much time arguing over her political role and the degree to which she could influence the decisions of her husband What has not been so thoroughly investigated however are issues surrounding the popular perceptions of the Queen that inspired the plethora of pamphlets newsbooks and broadsides Although most of these documents are polemical propaganda devices that tell us little about the actual power wielded by Henrietta Maria they do throw much light on how contemporaries viewed the King and Queen and their relationship The picture created by Charles and Henrietta s enemies was one of a royal household in patriarchal disorder The Queen was characterized as an overly assertive unduly influential foreign Catholic queen consort whilst Charles was portrayed as a submissive and weak husband Such an image had wide political ramifications resulting in accusations that Charles was unfit to rule and thus helping to justify Parliamentary resistance to the monarch Because Charles had permitted his Catholic wife to interfere in state matters he stood accused of threatening the patriarchal order upon which all of society rested and of imperilling the Church of England In this book Michelle White tackles these dual issues of Henrietta s actual and perceived influence and how this was portrayed in popular print by those sympathetic and hostile to her cause In so doing she presents a vivid portrait of a strong willed woman who had a profound influence on the course of English history The English Royal Family of America, from Jamestown to the American Revolution Michael A. Beatty,2003-01-01 For about a century and a half after they arrived from England America s first permanent colonists considered themselves to be English They were proud of their heritage and loyal to their country England s royal family truly was the royal family of America until the era of the American Revolution when the colonies fought for their independence from England and its rulers Elizabeth I James I Charles I Charles II James II William III and Mary II Anne George I George II and George III the English royals who were also the royals of early America are all covered in this work It begins with Queen Elizabeth I as it was during her rule that Sir Walter Raleigh established his settlements in America and ends with King George III as it was during his rule that the American Revolution began A biographical sketch is

provided for each royal and his or her spouse and legitimate children Brief mention is made of mistresses and illegitimate children

Sex and Sexuality in Stuart Britain Andrea Zuvich, 2020-09-19 An expert in Stuart England examines the sexual lives of Britons in the seventeenth and early eighteenth centuries in this frank informative and revealing history Acclaimed Stuart historian Andrea Zuvich explores the sexual mores of Stuart Britain including surprising beliefs bizarre practices and ingenious solutions for infertility impotence sexually transmitted diseases and more Along the way she reveals much about the prevailing attitudes towards male and female sexual behavior Zuvich sheds light not only on the saucy love lives of the Royal Stuarts but also on the dark underbelly of the Stuart era with histories of prostitution sexual violence infanticide and sexual deviance She looks at everything from what was considered sexually attractive to the penalties for adultery incest and fornication *Sex and Sexuality in Stuart Britain* touches on the fashion food science art medicine magic literature love politics faith and superstition of the day

Henrietta Maria Leanda de Lisle, 2022-09-06 Dispelling the myths around this legendary queen this biography of Henrietta Maria queen consort of King Charles I retells the dramatic story of the English Civil War from the perspective of this dynamic woman Henrietta Maria is British history's most reviled queen consort Condemned in her lifetime as the Popish brat of France an adulteress and a traitor she remains in popular memory the wife who wore the breeches in her marriage the woman who turned her husband Catholic and so caused the English Civil War and a cruel and bigoted mother This clear eyed biography unpicks the myths and considers the story from Henrietta Maria's point of view A portrait emerges of a woman whose closest friends included Puritans as well as Catholics who crossed swords with Cardinal Richelieu and led the anti Spanish faction at the English court A witty conversationalist Henrietta Maria was a patron of the arts and a champion of the female voice as well as a mediatrix for her persecuted fellow Catholics During the civil war the queen's enemies agreed that Charles would never have survived as long as he did without the She Generalissimo Seeing events through her gaze reveals the truth behind the claims that she caused the war explains her estrangement from her son Henry and diminishes the image of the Restoration queen as an irrelevant crone In fact Henrietta Maria rose from the ashes of her husband's failures a phoenix queen presiding over a court judged to have had more mirth even than that of the Merry Monarch Charles II It is time to look again at this often criticized queen and determine if she is not in fact one of British history's most remarkable women
