A Rabbi's Impressions of the Oberammergau Passion Play Joseph Krauskopf, 2020-02-10

ORIGINALLY but one lecture on the Oberammergau Passion Play was contemplated by the author Developing his subject he found himself obliged in justice to his theme to make of the one lecture three The widespread interest which the treatment of the subject awakened and the keen desire of large audiences and of a yet larger reading public both of Jews and non Jews to hear and read more and more of a Rabbi's Impressions of that unique presentation of the gospel story of Christ's Passion at Oberammergau not only changed the three lectures into six not only exhausted two large pamphlet issues of them but has also necessitated this new edition supplemented by a number of chapters which bear on the subject and which throw additional light on the question discussed But the great demand for these lectures is not the only reason for their issuance in

book form They would have been delivered from the pulpit of the Reform Congregation Keneseth Israel even if no interest in them had been evinced and they would have been issued in printed form even if no one had shown a desire to peruse them The discourses would have been obliged to create that interest no matter how difficult the task no matter how slow the progress The Oberammergau Passion Play has made clear that there are falsehoods enacted and taught that must be uprooted and that there are truths suppressed that must be brought to light and given the widest publicity if the Jew is to be spared further suffering and if the Christian is to be saved from further wrong doing against Israel **The Passion Play at Oberammergau, 1890** Frederic William Farrar, 1890 **A Rabbi's Impressions of the Oberammergau Passion Play**

Joseph Krauskopf, 2016-07-24 Four centuries ago a village high in the Bavarian Alps Oberammergau promised that if God interceded against the bubonic plague they would stage a Passion play every ten years A Passion play is a medieval dramatic form which depicts the life and principally death of Jesus All of the actors are residents and the entire community participates in one way or another The pageant continues in the 21st century This book is an American Reform Rabbi's encounter with this at the time insidiously anti Semitic production He vividly describes his own feelings at each stage of the play He points out many inconsistencies in the narrative He describes how bits of folklore became attached to the story and how the four Gospel accounts don't match up In particular he illustrates how the legal procedures don't remotely match what was customary at the time let alone the question of why such a trial would even be conducted during the high holy days
