Periodicals of Queen Victoria's Empire Rosemary VanArsdel,Jerry Don Vann,Rosemary T. VanArsdel,1996-01-01 Contemporary research in periodical literature has demonstrated conclusively that the nineteenth century in Britain was the age of the periodical It also has shown that in Victorian society the circulation of periodicals and newspapers was both larger and more influential than that of books The six essays in this volume investigate the extent to which this was equally true of Britain s colonies during the period up to 1900 In chapters devoted to periodical publishing in Australia Canada India New Zealand Southern Africa and the outposts of the Empire Ceylon Cyprus Hong Kong Malaya and Singapore Malta and the West Indies the contributors also consider the function and importance of periodicals in colonial life They identify and describe all locally produced publications that appeared at weekly or longer intervals and that contained for example local news poetry fiction criticism commentary on the arts news from home shipping information and commodities reports Each chapter presents an evaluation of the quantity and quality of guides available to periodical literature in each region from basic bibliographies of periodicals directories and finding aids to microfilm records and databases on the Internet *Periodicals of Queen Victoria's Empire* is an initial step towards understanding and analyzing what its editors regard as the unseen power of the periodical press in the British Empire of the nineteenth century [The Periodicals of Queen Victoria's Empire](#)

Norman Merrill Distad,1995 **Media and the British Empire** C. Kaul,2006-03-28 The only true history of a country wrote Thomas Macaulay is to be found in its newspapers This book explores how the media shaped and defined the economic social political and cultural dynamics of the British Empire by viewing it from the perspective of the colonised as well as the colonisers **Nineteenth Century Prose** ,1997 **Serialization in Popular Culture** Rob Allen,Thijs van den

Berg,2014-05-23 From prime time television shows and graphic novels to the development of computer game expansion packs the recent explosion of popular serials has provoked renewed interest in the history and economics of serialization as well as the impact of this cultural form on readers viewers and gamers In this volume contributors literary scholars media theorists and specialists in comics graphic novels and digital culture examine the economic narratological and social effects of serials from the nineteenth to the twenty first century and offer some predictions of where the form will go from here

A Victorian Dissenter David E. Seip,2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett s eschatological beliefs especially those he originated and 3 to investigate why a respected

theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett's doctrine of exclusion was heavily intertwined with most of his writings. It was a topic that he developed throughout his career. Yet as the center of dispensationalism shifted to America, Govett's views of the Rapture began to be seen as extreme. The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified. Since his death, Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism. This book seeks to remove the mystery.

Empire News Priti Joshi, 2021-07-01 Shortlisted for the 2022 George A and Jeanne S DeLong Book History Book Prize presented by the Society for the History of Authorship, Reading and Publishing. Winner of the 2021 Robert and Vineta Colby Scholarly Book Prize presented by the Research Society for Victorian Periodicals. In *Empire News*, Priti Joshi examines the neglected archive of English language newspapers from India to unpack the maintenance and tensions of empire. Focusing on the period between 1845 and 1860, she analyzes circulation of newspapers and news of peoples and ideas and newspapers' coverage and management of crises. The book explores three moments of colonial crisis: The sensational trial of East India Company vs Jyoti Prasad in Agra in 1851 as the Kohinoor diamond is exhibited in London's Hyde Park is a case lost but for colonial newspapers. In these accounts, the trial raises the specter of Warren Hastings and the costs of empire. The Uprising of 1857 was a geopolitical crisis but for the Indian news media it was a story simultaneously of circulation and blockage of contraction and expansion of colonial media confronting its limits and innovating. Finally, Joshi traces circuits of exchange between Britain and India and across media platforms including Dickens's *Household Words* where the empire's mofussil margin appears in an unrecognized guise during and after the Uprising. By attending to these fascinating accounts in the Anglo-Indian press, Joshi illuminates the circulation and reproduction of colonial narratives and informs our understanding of the functioning of empire.

Reading Primary Sources Miriam Dobson, Benjamin Ziemann, 2020-06-01 Now in its second edition, *Reading Primary Sources* explores the varied traditions in source criticism and through specific examples illustrates how primary sources can be read and used in historical research. Part I of this two-part volume begins by establishing the reader's understanding of source criticism with an overview of both traditional and new methodological approaches to the use of primary documents. Taking into account the huge expansion in the range of primary sources used by historians, Part II includes chapters on surveillance reports, testimony and court files in addition to more traditional genres such as letters, memoranda, diaries, novels, newspapers, political speeches and autobiography. For the new edition, each chapter now includes a checklist that suggests an easy-to-follow sequence of steps for interpreting a specific source genre, enabling students to understand how the sources should be read, what they have to offer and the pitfalls of their interpretation. In addition to new discussions about the availability of digitised source materials, a new chapter on social surveys unlocks the potential of these widely used primary sources. Taking examples of sources from many European countries and the United States and providing up-to-date information on the most

widely used textual sources this book is the perfect companion for every student of history who wants to engage with primary sources

News and the British World Simon James Potter, 2003 Revealed to contemporaries by the South African War the basis on which the system would develop soon became the focus for debate Commercial organizations including newspaper combinations and news agencies such as Reuters fought to protect their interests while constructive imperialists attempted to enlist the power of the state to strengthen the system Debate culminated in fierce controversies over state censorship and propaganda during and after World War I Based on extensive archival research this study addresses crucial themes including the impact of empire on the press Britain's imperial experience and the idea of a British world *Reading Popular Culture in Victorian Print* A. Gabriele, 2009-10-26 Reading Popular Culture in Victorian Print Belgravia and Sensationalism is a comprehensive study of the whole run of the monthly periodical Belgravia under the direction of Mary Elizabeth Braddon It traces the material history of the magazine its production and global distribution while at the same time placing its history and content in the context of Victorian popular culture and Victorian discursive formations Among the questions Reading Popular Culture in Victorian Print investigates are the status of authors in the marketplace the innovative place Belgravia holds in the history of print culture the rhetoric of sensationalism in fiction journalism and pre cinema the representation of trade with India and the use of urban space as a branding strategy It makes the claim that the periodical is the sensation novel of the 1860s

British West Indian Newspapers and the Abolition of Slavery Andrew Lewis, 2024-06-07 This book is the first overall survey of the British West Indian press in the early nineteenth century a critical period in the history of the region Based on extensive and ground breaking archival research this volume provides an in depth history of early nineteenth century British West Indian newspapers and potted biographies of the journalists who produced them The author examines the economics underpinning newspapers and a political spectrum unique to the West Indian press is also posited Towards one end sat a small group of liberal newspapers that outraged white colonists by arguing for civil and political rights to be extended to so called free coloureds and for the abolition of slavery scattered at various points towards the other end of the spectrum were newspapers still best collectively described as the planter press the traditional term used in the literature Starting from this basic conceptual framework the volume shows how the press landscape in the British Caribbean at this time was more volatile and complex than has been previously thought This volume will be of value to academics undergraduates and postgraduates studying Caribbean and media history and those interested in modern history

Worlding the south Sarah Comyn, Porscha Fermanis, 2021-07-06 This electronic version has been made available under a Creative Commons BY NC ND open access license This collection brings together for the first time literary studies of British colonies in nineteenth century Australia New Zealand South Africa South America Southeast Asia and the South Pacific Islands Drawing on hemispheric studies Indigenous studies and southern theory to decentre British and other European metropolises the collection offers a groundbreaking challenge to national paradigms and traditional literary

periodisations and canons by prioritising southern cultural networks in multiple regional centres from Cape Town to Dunedin Worlding the south examines the dialectics of literary worldedness in ways that recognise inequalities of power textual and material violence and literary and cultural resistance The collection revises current literary histories of the British world by arguing for the distinctiveness of settler colonialism in the southern hemisphere and by incorporating Indigenous diasporic and south south perspectives

A History of Photography in Canada, Volume 1 Martha Langford, 2025-09-22 From early reports of the invention to its wide application during World War I the idea of photography created anticipation and participation in the modern world The first volume of *A History of Photography in Canada* captures this phenomenon by looking at hundreds of photographs generated in and about Canada in the making and by listening to the chords they struck in the collective imagination Emphasizing technological readiness and cultural eagerness for the medium Martha Langford shows how photography served ideals of progress and improvement as Canada's settler society looked to master the world by seizing its visible traces The imposition of these programs on Indigenous Peoples and indentured labourers is confronted throughout this volume which offers both narratives and counternarratives of subjectification Reproducing images of people places events and objects from the unceded territories of the First Nations Inuit and Métis from British North America and from the Dominion of Canada and the Dominion of Newfoundland Langford asks where and when photographs were taken why and by whom How did the making and preservation of a photograph alter the circumstances in which it was produced and how did this affect individual and collective consciousness Alongside accomplished portraits landscapes still lifes and their vernacular counterparts the book draws glimmers of photographic experience from treatises and doggerel official reports and personal diaries newspapers magazines letters and travelogues *Anticipation to Participation* chronicles eight decades of reinvention and repurposing from a wondrous discovery to the wide adoption of a basic tool for knowledge gathering artmaking and journaling Langford's sweeping narrative rewrites the history of photography from the bottom up vividly expanding the definition of photographic experience

A Companion to the Victorian Novel William Baker, Kenneth Womack, 2002-01-30 Victorian novels remain enormously popular today some continue to be made into films while authors such as Charles Dickens and George Eliot are firmly established in the canon and taught at all levels These works have also attracted a great deal of critical attention with much current scholarship examining the novel in relation to its historical political and cultural contexts This reference book is an introductory guide to the Victorian novel its background and its legacy Each chapter is written by an expert contributor and offers a fresh account of past current and new directions in scholarship The volume is divided into several broad sections with chapters in each section treating more specialized topics The first section looks at the emergence of the Victorian novel and its literary precursors with particular emphasis on the growth of serialization and the development of the novel of

syndication The second explores significant social and cultural facets of nineteenth century British literature while the third discusses the principal features of different genres such as ghost stories the Gothic detective fiction the social problem novel and contemporary film adaptations Individual authors are examined in the fourth section while the fifth overviews various critical approaches and their application to nineteenth century fiction

Imperial Co-histories Julie F. Codell, 2003 This book explores the creation of imperial identities in Britain and several of its colonies South Africa India Australia Wales and the ways in which the Victorian press around the world shaped and reflected these identities The concept of co histories borrowed from Edward Said and Frantz Fanon helps explain how the press shaped the imperial and national identities of Britain and of the colonies into co histories that were thoroughly intertwined and symbiotic Exploring a variety of press media this book argues that the press was a site of resistance and revision by colonized authors and publishers as well as a force of colonial authority for the British government editors and publishers who projected a view of the empire to their British colonial and colonized readers Topics include The Journal of Indian Art and Industry produced by the British art schools in India women s periodicals Indian writers in the British press The Imperial Gazetteer published in Scotland the rise of telegraphic news agencies the British press s images of China seen through exhibitions of its art the Tory periodical Blackwood s Magazine and the Imperial Press Conference of 1909 University

"Visions of the Industrial Age, 1830-1914" Amy Woodson-Boulton, 2017-07-05 Providing a comprehensive interdisciplinary assessment and with a particular focus on expressions of tension and anxiety about modernity this collection examines visual culture in nineteenth century Europe as it attempted to redefine itself in the face of social change and new technologies Contributing scholars from the fields of history art literature and the history of science investigate the role of visual representation and the dominance of the image by looking at changing ideas expressed in representations of science technology politics and culture in advertising art periodicals and novels They investigate how during the period new emphasis was placed on the visual with emerging forms of mass communication photography lithography newspapers advertising and cinema while older forms as varied as poetry the

novel painting interior decoration and architecture became transformed The volume includes investigations into new innovations and scientific development such as the steam engine transportation and engineering the microscope spirit photography and the orrery as well as how this new technology is reproduced in illustrated periodicals The essays also look at more traditional forms of creative expression to show that the same concerns and anxieties about science technology and the changing perceptions of the natural world can be seen in the art of Armand Guillaumin Auguste Rodin Gustave Caillebotte and Camille Pissarro in colonial nineteenth century novels in design manuals in museums and in the decorations of domestic interior spaces Visions of the Industrial Age 1830 1914 offers a thorough exploration of both the nature of modernity and the nature of the visual
