offers to take the easy way out *The Quarry* Ben Halls,2020-02-13 Halls stories show that even in zero hour austerity battered Britain the tenderness and warmth of human connection exists The Quarry is in the end a testament to this messy truth how love hate hope and fear have always lived on the same street GLEN BROWN author of Ironopolis You can see it in them all that anger inside it s toxic Throw some drink into it and everything bubbles over People say that they never see it coming the swing of the fist that kicks it all off but I can tell In these interconnected short stories we meet the men living on the Quarry Lane estate in west London These are men at work at the pub at home with their families lovers and friends Men grappling with addiction sexuality and the corrosive effects of toxic masculinity From a bouncer at the local nightclub to a postman returning to the streets of his youth and a young man thinking of all the things he d say and do to the father who left him behind this startling debut reveals the complex inner lives of individuals whose voices are too often non existent in fiction Powerful and impressive The Quarry marks the arrival of a bold new voice **Quarry** Robert Holland,2009 Cam Bates and his buddy Jack are exploring an old quarry in town when suddenly a car plunges off one of the cliffs lands in the water and begins to sink It s the start of a substantial mystery that pits Cam and Jack against the mob and a nasty pack of drug dealers and leads them into trying to solve a murder that no one thinks ever happened there s a good dose of lacrosse as Cam tries to get his team up to where it can win the way it did the year before P 4 of cover **The Quarry** Harvey Grossinger,2012-10-15 At the heart of this collection of five short stories and the title novella is the powerful interconnection between parents and children nostalgia and memory and the collective emotional intimacies and transactions that configure human behavior Incisive and witty meditations on the disruptions and difficulties of family life the stories in The Quarry focus on the precariously balanced world of anxious and awkward sons and painfully failed or failing fathers The title novella sifts through the irreparable moral and psychological confusion brought about by the Holocaust following two families as they struggle to reconcile themselves to personal disorder and private grief with no illusory platitudes about the redemptive power of suffering With unerring compassion for conveying emotional revelations and a keen sensitivity to the frailty and malleability of the human spirit The Quarry lures the reader into confronting the most hidden and disquieting parts of the buried self **Morkan's Quarry** Steve Yates,2010-05-01 In 1861 the Civil War severs Michael Morkan from everything he loves and all that defines him from his son Leighton from his love Cora Slade and from the quarry he owns in Springfield Missouri Forced to give his black powder to the Missouri State Guard he finds himself indelibly labeled a rebel traitor and is imprisoned in St Louis Back in the Ozarks Leighton joins the Federal Home Guards in hopes of paroling his father When Leighton finally frees him the two are pitched in a last gambit for their quarry and for the legacy of the name Morkan The First Quarry Max Allan Collins,2011-10-06 BIG MAN ON CAMPUS Crime fiction readers know Quarry the ruthless killer for hire from Max Allan Collins acclaimed novels most recently THE LAST QUARRY which told the story of the assassin s final assignment and was the basis for the feature film The Last Lullaby But where did Quarry s story start For first time ever the
