Fred L. Borch III

Quartered In Hell The Story Of The American North Russia Expeditionary Force 19181919:

Quartered in Hell Dennis Gordon,1982 Personalized story of the American North Russia Expeditionary Force of the Allied North Russia Campaign Deals with the western campaign involving the Murmansk Archangel area concentrating on the American commitment

The War of 1898, and U.S. Interventions, 1898-1934 Benjamin R. Beede,1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces Annotation copyright by Book News Inc Portland OR

The Small Wars of the United States, 1899-2009 Benjamin R. Beede,2012-08-06 The Small Wars of the United States 1899 2009 is the complete bibliography of works on US military intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009 is a critical resource for students and scholars studying US military history

American Polar Bears in Russia William Thomas Venner,2023-01-26 At the end of World War I the U S Army 339th Infantry nicknamed the Polar Bears was deployed to northern Russia to prevent Allied supplies stockpiled near the port city of Archangel from falling into the hands of the Bolsheviks Drawing on firsthand accounts from men in the regiment their 18 month campaign is narrated from the point of view of the riflemen NCOs and officers of companies I and M Each chapter highlights an individual soldier s experience fighting the Red Army and the Arctic winter a quarter century before the Cold War

Churchill's Secret War With Lenin Damien Wright,2017-07-27 An account of the little known involvement of Royal Marines as they engaged the new Bolsheviks immediately after the Russian Revolution After three years of great loss and suffering on the Eastern Front Imperial Russia was in crisis and on the verge of revolution In November 1917 Lenin s Bolsheviks later known as Soviets seized power signed a peace treaty with the Central Powers and brutally murdered Tsar Nicholas British King George s first cousin and his children so there could be no return to the old order As Russia fractured into loyalist White and revolutionary Red factions the British government became increasingly drawn into the escalating Russian Civil War after hundreds of thousands of German troops transferred from the Eastern Front to France were used in the 1918 Spring Offensive which threatened Paris What began with the landing of a small number of Royal Marines at Murmansk in March 1918 to protect Allied donated war stores quickly escalated with the British government actively pursuing an undeclared war against the

Bolsheviks on several fronts in support of British trained and equipped White Russian Allies At the height of British military intervention in mid 1919 British troops were fighting the Soviets far into the Russian interior in the Baltic North Russia Siberia Caspian and Crimea simultaneously The full range of weapons in the British arsenal were deployed including the most modern aircraft tanks and even poison gas British forces were also drawn into peripheral conflicts against White Finnish troops in North Russia and the German Iron Division in the Baltic It remains a little known fact that the last British troops killed by the German Army in the First World War were killed in the Baltic in late 1919 nor that the last Canadian and Australian soldiers to die in the First World War suffered their fate in North Russia in 1919 many months after the Armistice Despite the award of five Victoria Crosses including one posthumous and the loss of hundreds of British and Commonwealth soldiers sailors and airmen most of whom remain buried in Russia the campaign remains virtually unknown in Britain today After withdrawal of all British forces in mid 1920 the British government attempted to cover up its military involvement in Russia by classifying all official documents By the time files relating to the campaign were quietly released decades later there was little public interest Few people in Britain today know that their nation ever fought a war against the Soviet Union The culmination of more than 15 years of painstaking and exhaustive research with access to many previously classified official documents unpublished diaries manuscripts and personal accounts author Damien Wright has written the first comprehensive campaign history of British and Commonwealth military intervention in the Russian Civil War 1918 20 Allied intervention in the Russian Civil War remains forgotten Wright s book addresses that oversight interspersing the broader story with personal accounts of participants Military History Magazine [The Russians Are Coming, Again](#) Jeremy Kuzmarov, John Marciano, 2018-05-22 This book is a red flag to restore our historical consciousness about U S Russian relations and how denying this consciousness is leading to a repetition of past follies Amazon com **The United States in World War I** James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich s bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich s bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American

history **America's Secret War against Bolshevism** David S. Foglesong,2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson s administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson s ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington **The United States Intervention in North Russia, 1918, 1919** Roger Crownover,2001 This volume examines the largely unknown Polar Bear odyssey the North Russian Expeditionary Forces made up mostly of soldiers from Michigan who along with some other Allied forces went on fighting in the Russian arctic supporting the Russian White army fighting against the Russian Red Army after the war was over It examines the panic that the Bolshevik Revolution caused in the Allied camp the pressure that President Wilson received from the British to participate in the intervention the reaction in Detroit the local Red Scare and the aftermath of the soldiers and the political ramifications Prologue ,1997 Professional Journal of the United States Army ,1988

Ghosts of a Family Edward Burke,2024-09-19 At 1 20 a m on 24 March 1922 five men four dressed in British police uniforms broke into the North Belfast house of Owen McMahon a well known Catholic publican They fatally shot McMahon four of his sons and Eddie McKinney an employee of the family Nobody was ever charged for these ruthless and cold blooded murders In retaliation for these and other Belfast murders the IRA assassinated the former head of the British Army Field Marshal Sir Henry Wilson and a subsequent British ultimatum to the Irish government sparked the first salvos of the Irish Civil War days later The reluctance of the unionist Belfast government to pursue loyalist killers drove the rift between Northern Ireland s two main communities even deeper laying the foundations for the Troubles at the end of the twentieth century Over 100 years later Edward Burke has expertly uncovered the identity of the McMahons likely murderer This is a riveting cold case investigation that invokes the smoke filled streets of Belfast during the cataclysmic violence of 1920 22 and explores how the ramifications of the McMahon killings are still being felt to this day **World War I Almanac** David R. Woodward,2009 Presents a day by day chronology of the events of World War I and a biographical dictionary of people involved in the conflict The Forgotten Intervention Denise M. Kehoe,2001 **The Savage Wars of Peace** Max

Boot,2014-03-11 While the major conflicts in American history have become all too familiar America's small wars have played an essential but little appreciated role in the country's growth as a world power First published in 2002 *The Savage Wars of Peace* quickly became a key volume in the case for a new policy of interventionism Max Boot shows how America's smaller actions such as the recent conflicts in Bosnia Somalia Haiti Kosovo and Afghanistan have made up the vast majority of our military engagements and yet our armed forces do little to prepare for these low intensity conflicts A compellingly readable history of the forgotten wars that helped promote America's rise in the last two centuries *The Savage Wars of Peace* is now updated with new material on the repercussions of America's far flung imperial actions and the impact of these ventures in American international affairs

The Peacetime Army, 1900-1941 Marvin Fletcher,1988-10-24 This the first volume in the new Greenwood Press series Research Guides in Military Studies focuses on the United States Army during one of the most significant periods of its development The years between the Spanish American War and the onset of World War II saw the army mature into one with the institutional skills technological knowledge and trained commanders capable of engaging in a massive global effort Following a detailed overview of the tremendous change that occurred during this 40 year span Fletcher presents two major sections of annotated bibliography covering 1900-1917 and 1919-1941 respectively Over 900 works are cited including books articles dissertations and government documents Most have been published within the last 20 years As the first research guide published covering this critical period in U.S. Army history *The Peacetime Army* will be of significant benefit to military historians and students of military affairs

Medals for Soldiers and Airmen Fred L. Borch III,2013-05-13 This is the first and only comprehensive history of all decorations and medals that may be awarded to men and women serving in the United States Army and Air Force The background and design of each medal are examined as well as award criteria governing each decoration The book first looks at the Army and Air Force Medals of Honor before continuing with other awards including the Distinguished Service Cross Distinguished Service Medal Air Force Cross Silver Star Legion of Merit Bronze Star Medal and Purple Heart The histories of more common medals like the Air Medal Meritorious Service Medal Army and Air Force Commendation Medals and Army and Air Force Achievement Medals are also included Photographs of each medal obverse and reverse accompany the text along with selected photographs of recipients and the citations for their awards

Intervention and Counterinsurgency Benjamin R. Beede,1985 *The United States in the First World War* Anne Cipriano Venzon,2013-12-02 First Published in 1999 Includes six maps

America and World War I David Woodward,2013-01-11 *America and World War I* the first volume in the new Routledge Research Guides to American Military Studies series provides a concise annotated guide to the vast amount of resources available on the Great War With over 2 000 entries selected from a wide variety of publications manuscript collections databases and online resources this volume will be an invaluable research tool for students scholars and military history buffs alike The wide range of topics covered include war films and literature to civil military relations to women and war Routledge Research Guides to American

Military Studies will include concise easy to use bibliographic volumes on different American military campaigns throughout history as well as tackling timely subjects such as women in the military and terrorism
