Textos fuera de contexto Coalición por el evangelio, 2016-07-01 Todo lo puedo en Cristo que me fortalece Eso suena maravilloso Pero que es todo Ser un campeón de fútbol O un físico nuclear O un super modelo O un magnate rico O el próximo presidente de mi país A fin de cuentas el texto dice todo no es cierto Entonces por qué limitar a Dios Algo nos dice que debe haber un error en esta interpretación o de lo contrario habrá un exceso de futbolistas físicos nucleares super modelos y magnates ricos Pero muchos cristianos no piensan en ello con la debida atención Malinterpretar un texto no es solo un problema es una tragedia Dios tiene la intención de que Su Palabra sea entendida En Textos fuera de contexto algunas de las voces más influyentes en la iglesia de hoy analizan algunos de los pasajes bíblicos más malinterpretados en nuestros tiempos Si prestamos atención a los capítulos de este importante libro no solo mejoraremos nuestro entendimiento de la Palabra santa de Dios sino que también honraremos a Dios al tomar en serio Su Palabra y crecer en el discipulado D A Carson autor profesor de Nuevo Testamento en Trinity Evangelical Divinity School adaptado del prólogo I can do all things through Christ who gives me strength that sounds wonderful What things Become a champion footballer or a nuclear physicist or a super model or a rich tycoon or the next president of my country After all the text says all things doesn't it So why should we limit God Something tells us that there must be a fault in this interpretation or else there would be a superfluity of footballers nuclear physicists super models and rich tycoons But many Christians don't think very carefully about this That's not only a problem it is a tragedy For God intends his Word to be understood In Texts Outside of Context some of the most influential voices in the Church today analyze some of the Bible passages that are most misunderstood on our day If we heed the message of this important book we will not only pay more attention to contexts and improve our understanding of God's holy Word but we will also honor God by taking his Word seriously and growing in Christian discipleship D A Carson author and New Testament professor at Trinity Evangelical Divinity School

Klara Mílich y otros relatos de terror Iván Turguénev, 2024-10-21 Alejado del idealismo romántico Iván Turguénev consideraba que la literatura había de prestar un servicio social y que los temas que esta debía tratar tenían que ser eminentemente sociales A través de sus personajes reconstruye la imperfección inherente a la condición humana y ofrece respuesta a los desamparados a aquellos que están sedientos de justicia social Todos los desfavorecidos encuentran un hogar en sus obras ya sean estas grandes o pequeñas Pero no resultar imposible para un escritor realista escribir narraciones de terror Para Turguénev siempre que lo escrito resulte verosímil y se perciba la cuestión social se pueden desafiar y transgredir las leyes de la naturaleza Klara Mílich y otros relatos de terror no es solo una selección de cuentos escalofriantes que recurren al horror con el mero objetivo de asustar Turguénev también los emplea para hablarnos de una forma más poética y simbólica de los problemas sociales que desataban su pluma Con estos relatos nos plantea las cuestiones que incansablemente han interesado y afectado a la humanidad
