Quebec Women A History:

A Brief History of Women in Quebec Denyse Baillargeon, 2014-09-15 A Brief History of Women in Quebec examines the historical experience of women of different social classes and origins geographic ethnic and racial from the period of contact between Europeans and Aborigines to the twenty first century to give a nuanced and complex account of the main transformations in their lives Themes explored include demography such as marriage fecundity and immigration women s work outside and inside the home including motherhood education from elementary school to post secondary and access to the professions the impact of religion and government policies and social and political activism including feminism and struggles to attain equality with men Early chapters deal with New France and the first part of the nineteenth century and the remaining are devoted to the period since 1880 an era in which women s lives changed rapidly and dramatically The book concludes that transformation in the means of production women s social and political activism including feminism and Quebec nationalism are three main keys to understanding the history of Quebec women Together the three show that women s history far from being an adjunct to general history is essential to a full understanding of the past Originally published in French with the title Br ve histoire des femmes au Qu bec **Quebec Women** Collectif Clio, 1987 A detailed examination of women s lives on Quebec from the early seventeenth century until the end of the 70 s **A Short History of Quebec** John A. Dickinson, Brian Young, 2008-09-19 John A Dickinson and Brian Young bring a refreshing perspective to the history of Quebec focusing on the social and economic development of the region as well as the identity issues of its diverse peoples This revised fourth edition covers Quebec s recent political history and includes an updated bibliography and chronology and new illustrations A Canadian classic A Short History of Quebec now takes into account such issues as the 1995 referendum recent ideological shifts and societal changes considers Quebec s place in North America in the light of NAFTA and offers reflections on the G rard Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008

Making History in Twentieth-century Quebec Ronald Rudin, 1997-01-01 The first comprehensive examination of the way French speaking Quebecers have written about their past in the 20th century Rudin s analysis offers new ways of thinking about Quebec society over the course of this century **Reading Canadian Women's and Gender History**

Nancy Janovicek, Carmen Nielson, 2019-01-01 Inspired by the question of what s next in the field of Canadian women s and gender history this broadly historiographical volume represents a conversation among established and emerging scholars who share a commitment to understanding the past from intersectional feminist perspectives It includes original essays on Quebecois Indigenous Black and immigrant women s histories and tackles such diverse topics as colonialism religion labour warfare sexuality and reproductive labour and justice Intended as a regenerative retrospective of a critically important field this collection both engages analytically with the current state of women s and gender historiography in Canada and draws on its rich past to generate new knowledge and areas for inquiry **Writing Women's History** Karen M. Offen, Ruth Roach

Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history *Canadian Women* Gail Cuthbert Brandt, Naomi Black, Paula Bourne, Magda Fahrni, 2010-12-13 The substantially revised and updated third edition of *Canadian Women A History* continues to be the only comprehensive survey of the contributions struggles and achievements of Canadian women Drawing on the latest historical research as well as government documents and other archival material the authors provide new insights into the diverse experiences of women in Canada from the sixteenth century to the present The text explores the themes of migration marriage family life work education politics and culture in the lives of Canadian women by means of an accessible narrative enhanced by graphics and photos *Heroines and History* Colin MacMillan Coates, Cecilia Louise Morgan, 2002-01-01 This is a fascinating comparison of the histories of Ontario and Quebec as seen through the handling of their best known heroines Most Canadians are familiar with stories of Madeleine de Vercheres defending Montreal against the Iroquois in 1692 and of Laura Secord and her cow bravely crossing the American lines to warn the British during the War of 1812 **The Oxford Encyclopedia of Women in World History** Bonnie G. Smith, 2008 The *Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The *Oxford Encyclopedia of Women in World History* benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The *Encyclopedia* contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **Canadian History: Beginnings to Confederation** Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the *Reader's Guide to Canadian History* experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover *Women's History at the Cutting Edge* Karen Offen, Chen

Yan,2020-06-04 This book considers the promise of women s and gender history for revolutionizing our understanding of the past while also acknowledging the current national political financial and other contextual realities that can and do constrain or promote the possibilities for researching and writing women s history The editors assert that the promise of women s and gender history is a cutting edge field of research a revolutionary development in the politics of historical scholarship essential for understanding the human past Further they argue for the inseparability of women s history and gendered analytical approaches The contributors to the volume address questions including what have been the achievements of women s and gender history over the past two decades To what extent has it succeeded in making women s history an integral part of historical study rather than an optional specialist area What impact has the study of manhood masculinities and men s gendered power had on our understanding of women s lives What is the relationship between gender studies and new critical histories of colonialism and empire contact zones cross cultural encounters and racialization How is new work on cultural geography and spatial categories impacting on our historical understandings of bodily difference This book was originally published as a special issue of the Women s History Review

This electronic version has been made available under a Creative Commons BY NC ND open access license Through a study of the British Empire s largest women s patriotic organisation formed in 1900 and still in existence this book examines the relationship between female imperialism and national identity It throws new light on women s involvement in imperialism on the history of conservative women s organisations on women s interventions in debates concerning citizenship and national identity and on the history of women in white settler societies After placing the IODE Imperial Order Daughters of the Empire in the context of recent scholarly work in Canadian gender imperial history and post colonial theory the book follows the IODE s history through the twentieth century Tracing the organisation into the postcolonial era where previous imperial ideas are outmoded it considers the transformation from patriotism to charity and the turn to colonisation at home in the Canadian North **Ontario since Confederation** Lori Chambers,Edgar-Andre Montigny,James Onusko,Dimitry

Anastakis,2024-10-01 In the more than two decades since the publication of Ontario Since Confederation A Reader Ontario Canada North America and the world have experienced a whirlwind of profound changes This new edition brings together

leading scholars to present a new and expansive view of Ontario's social, political and economic history. Building on the strengths of the first edition, the second edition reflects on the dramatic changes in historical practice and understanding that have marked the last two decades. Taking a chronological approach and broadening the theme of state and society, the book explores important topics such as the environment, gender, continentalism, urban growth and Indigenous issues. This timely update to *Ontario Since Confederation* features new and revised chapters as well as new discussion questions designed to stimulate and guide readers to make connections between and across the entire book. Bringing together a wide range of perspectives, approaches and frameworks, *Ontario Since Confederation* sheds light on historical changes in Canada's most populous province across more than one and a half centuries. **Framing Our Past** Sharon Anne Cook, Lorna R.

McLean, Kate O'Rourke, 2001. Reflecting a rethinking of the making of modern Canada, this well-illustrated anthology of 85 essays reaches beyond ivory tower images and taken-for-granted assumptions of women's roles. This sampling by primarily women contributors drawn from personal and organizational records emphasizes the experiences of diverse women engaged in all spheres of private and public life, from a vignette of Native community life to profiles of innovators in many fields. Includes a cross-referenced essay index. 10 x 9 5 format. Cook is a professor of education at the U of Ottawa. c. Book News Inc.

Changing Women, Changing History Diana Lynn Pedersen, 1996. *Changing Women, Changing History* is a bibliographic guide to the scholarship, both English and French, on Canadian women's history. Organized under broad subject headings and accompanied by author and subject indices, it is accessible and comprehensive. **Contemporary**

Quebec Michael D. Behiels, Matthew Hayday, 2011-11-30. In the last seventy years, Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America. In *Contemporary Quebec*, leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions. We're Rooted Here and They Can't Pull Us Up Peggy Bristow, Dionne Brand, 1994-01-01. p. This long-overdue history will prove welcome reading for anyone interested in Black history and race relations. It provides a much-needed text for senior high school and university courses in Canadian history, women's history and women's studies.

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09. *The Encyclopedia of Historians and Historical Writing* contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama. Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day, including individuals from related disciplines like Jürgen Habermas and Clifford Geertz, whose theoretical contributions have informed historical debate. Additionally, the *Encyclopedia* includes some 200 essays treating the development of national, regional and topical historiographies from the Ancient Near East to the

history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **Great Dames** Elspeth Cameron, Janice Dickin, 1997-01-01 This book elucidates the lives and achievements of several Canadian women from different walks of life
