Queen's University, Volume III, 1961-2004 Duncan McDowall, 2016-04-01 Founded in 1841 by a royal charter Queen's University evolved into a national institution steeped in tradition and an abiding sense of public service Propelled initially

by its Presbyterian instincts and an attachment to Gaelic culture Queen's has prospered and adapted over the years to match Canada's ever changing dynamics In this third volume of Queen's University's official history Duncan McDowall demonstrates that the late twentieth century was a contest between expediency and tradition waged through crisis and careful evolution Testing Tradition calibrates the durability of Queen's vaunted traditions in the face of shifts in the broader Canadian society During this time of massive postsecondary expansion Queen's grew sevenfold from a small collegial campus of 3 100 students to a sprawling cosmopolitan place of more than 20 000 students from over 120 countries engaged in undergraduate graduate and professional programs Measuring Queen's University's responses to concerns over social diversity human rights and gender equity through the eyes of its trustees administrators students faculty and the Kingston community this volume pays particular attention to the experiences of women and visible minorities at the university Copiously illustrated with photographs of important people events and aspects of campus life this volume shows how Queen's in having its traditions tested has worked to retain the best of its past while accepting the inevitability of change

The Development of Higher Education in Ontario George Gibbon McNab,1925 **The New Education** ,1896 **The Law Reports. Queen's Bench Division** ,1901 Decolonizing Educational Assessment Ardavan Eizadirad,2019-09-06 This book examines the history of standardized testing in Ontario leading to the current context and its impact on racialized identities particularly on Grade 3 students parents and educators Using a theoretical argument supplemented with statistical trends the author illuminates how EQAO tests are culturally and racially biased and promote a Eurocentric curriculum and way of life privileging white students and those from higher socio economic status This book spurs readers to further question the use of EQAO standardized testing and challenges us to consider alternative models which serve the needs of all students

Queen's University Hilda Neatby,1978-12-01 The figure of Grant inevitably dominates this volume but full recognition is given to other builders and preservers of Queen's notably William Snodgrass the pilot who weathered the storms of the Sixties and Seventies and Daniel Miner Gordon who presided over the secularization of the university in the early years of this century Outstanding scholars teachers and administrators such as Watson Williamson MacKerras Macnaughton Dupuis Shortt Cappon Goodwin and Chown also figure prominently The author examines in detail the role of the Board of Trustees the Senate and the undergraduate Alma Mater Society in the development of Queen's and explores the complex relationships with the Presbyterian Church the sister institutions in Toronto and the provincial government She shows how the distinctive character of Queen's was shaped by the Scottish heritage evident in an emphasis upon flexible curricula close faculty student relations and the virtues of student self government as well as in a sturdy independence in the face of repeated pressure for the concentration of higher education in Ontario Imbued with a warm appreciation of the traditions of Queen's University and a scholar's critical detachment this book is an important contribution to the history of institutional growth in Canada

Voices and Visions from Ethnoculturally Diverse Young People with Disabilities Amanda Ajodhia-Andrew,2015-12-22

Many Canadian children from minority status groups experience long term academic complexities influencing their sense of school belonging and engagement Research demonstrates children with intersecting differences of race ethnicity language and disability and those in their middle years 10 13 years old undergo heightened academic challenges Yet what are children with disabilities personal schooling experiences and how may these insights support inclusive learning teaching and sense of belonging Within Toronto one of the most diverse Canadian cities this book explores the stories and experiences of six middle years children with intersecting differences of race ethnicity language and disabilities particularly autism Through narrative and critical discourse analysis research methods the children s views were accessed via a mosaic multi method data collection approach including their own photography drawings journal writings imaginative story games and interview texts The children s narratives illustrate their understandings of differences learning and inclusion This book presents innovative insights highlighting the voices of children with disabilities as they navigate through complex issues of diversity and share how these impact their understandings and experiences of school inclusion and exclusion The author advocates inviting the voices of children with intersecting differences into educational conversations and research processes as they may adeptly advance areas of inclusion and diversity
