**EDITORIAL REVIEWS** It's EXTREMELY rare for me to give a book 5 stars I reserve it only for books that move me and make me want to revisit their pages This book is that and so much more Being a pansexual non monogamous woman has been a journey Accepting it and being proud to declare such titles has not been simple and escaping into the RH world has been a fun way to escape into a fantasized reality but never have I read a story with characters that so deeply made me feel the vast range of emotions How dramatic for a fantasy book about sexy stuff right Lol Beyond the personal rightness this book gave me tingly belly feels and all the world building is orgasmic in its own right The storyline was engaging and magical with just a hint of realism and it could happen factor I absolutely loved every moment of this story and if you are looking for an awesome bisexual main character with a lady lover and four delicious dudes then you'll absolutely love this book I definitely did

**JSpringer Original Groundbreaking Reading RH can feel a bit** wearisome at times When you read RH the way I do it is really refreshing to finally find a horde with lady interest This is the first in well over one hundred reads that went there and balanced all the parts perfectly Kudos to the author for breaking out of a mold and reshaping things Also I want to say that this author found a way to have the heroine actually figure things out without spending too much time on her baggage It's there but Zurie jumps beyond Love it
