Queen Kelly The Complete Screenplay:

Queen Kelly Erich Von Stroheim, 2002-08-20 This book contains the complete screenplay including two radically different endings of Erich von Stroheim's thwarted near masterpiece. Less than half the script had been shot when the extravagant and controversial production was halted. In addition to the extensively annotated 230 page shooting script, this volume also includes 90 pages from an earlier draft, photos and full production credits, thus providing a richly detailed picture of what would have been one of the last great spectacles of the silent era. A must read for silent film enthusiasts and anyone with an academic or personal interest in film history and classic movies.

Queen Kelly Erich Von Stroheim, 2002-08-20 A rare and fascinating view into the creative process of one of the most notorious talented and colorful figures of American cinema. When production began in 1928, writer-director Erich von Stroheim predicted the silent epic *Queen Kelly* would be his greatest cinematic achievement. Within a few weeks, however, the film was behind schedule, over budget, and filled with scenes of such frank eroticism and immorality that it was doubtful the film could ever pass the censors. With the film only partially completed, a frustrated and disgusted producer, star Gloria Swanson, eventually shut down production. The demise of *Queen Kelly* marked the turning point in the career of one of silent cinema's greatest directors, who would never be given another filmmaking opportunity of this scale. The long-awaited publication of the complete screenplay, presented in cooperation with the Gloria Swanson estate, offers a richly detailed picture of von Stroheim's unrealized masterpiece that inarguably would have been one of the last great spectacles of the silent era. In addition to the extensively annotated 230 page shooting script, this volume includes 90 pages from an earlier draft. The original ending is dramatically different from the final version and had been discarded and rewritten by von Stroheim in an effort to cut costs during production. Also included are photographs, full production credits, and an introduction detailing the troubled history of this most remarkable film. This book offers a thought-provoking view of the masterpiece that might have been.

Ready for My Closeup David M. Lubin, 2025-08-12 For readers of Sam Wasson and Glenn Frankel, a cultural history about the making and lasting significance of *Sunset Boulevard*, whose piercing and in many ways prophetic critiques of fame continue to resonate today. Great films are born of great collaborations, and *Sunset Boulevard* represents one of the most extraordinary confluences of cinematic talent in film history, but its production was surprisingly fraught, filled with unexpected twists. Why was William Holden, who had never caught fire as a leading man, hired to play Joe Gillis after the fastest rising star in the business dropped out at the last minute? After Mae West and Mary Pickford turned down the now iconic role of Norma Desmond, how did Billy Wilder convince Gloria Swanson, who had long been absent from Hollywood at this point, to leave her low-paying job as a TV talk show host to join the cast? From the writers' room during Billy Wilder and Charles Brackett's final collaboration to the moment when the film won three Academy Awards, scholar and former *Rolling Stone* staffer David M. Lubin takes readers on a fascinating journey through film history that proves once and for all why *Sunset Boulevard* is one of the most iconic films in cinematic history. Just in time for

the film's 75th anniversary *Ready for My Closeup* breathes life into a beloved masterpiece of American cinema

Screenwriters José Guilherme Correa, 2016-07-13 Screen writing is a unique literary form. Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists' performances rather than serving as finished products for the enjoyment of their readers. They are written using technical jargon and tight spare prose to describe set directions. Unlike a novella, a script focuses on describing the literal visual aspects of the story rather than on its characters' internal thoughts. In screen writing, the aim is to evoke those thoughts and emotions through subtext, action, and symbolism. Prominent Hollywood script doctors include Steve Zaillian, William Goldman, Robert Towne, Mort Nathan, Quentin Tarantino, etc., while many up-and-coming screenwriters work as ghost writers. This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z. The good are sometimes bad, and they can be even ugly. Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought. An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature. It all comes down to watching the truth 24 times per second, to quote Jean-Luc Godard's phrase. Not to mention that such truth may include sex scenes, violence, pedophilia, etc. We know that a literary masterpiece like Henry James' *Portrait of a Lady* became a film of very poor quality as scripted by Laura Jones. We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as *Kiss Me Deadly*, thanks to A. I. Bezzerides' script. As a former screenwriter, Mr. Correa must avow that he found the job most gratifying. Writing that looks effortless is often hellish to write and revise. It was something he did have to slog through, but it proved particularly pleasing. Editing, discussing, finishing your work is particularly gratifying. Identifying your flaws and working to mitigate them is also gratifying. It is a general perception that creative careers are more interesting and fun than others. But the privilege of earning money through imagination and creativity is effectively hard won. Please comment at will. Please disagree at will. Be facetious in your remarks, but please be neither vicious nor mean-spirited. **Projections of Memory** Richard I.

Suchenski, 2016-06-30 *Projections of Memory* is an exploration of a body of innovative cinematic works that utilize their extraordinary scope to construct monuments to the imagination that promise profound transformations of vision, selfhood, and experience. This form of cinema acts as a nexus through which currents from the other arts can interpenetrate. By examining the strategies of these projects in relation to one another and to the larger historical forces that shape them, tracing the shifts and permutations of their forms and aspirations, *Projections of Memory* remaps film history around some of its most ambitious achievements and helps to clarify the stakes of cinema as a twentieth-century art form. **Forthcoming Books**

Rose Army, 2002 *Allan Dwan and the Rise and Decline of the Hollywood Studios* Frederic Lombardi, 2013-03-05 It could be said that the career of Canadian-born film director Allan Dwan (1885-1981) began at the dawn of the American motion picture industry. Originally a scriptwriter, Dwan became a director purely by accident. Even so, his creativity and problem-solving skills

propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures *Sands of Iwo Jima* and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films
