she finds a tolerable species willing to purchase her contract Because nothing is ever that easy her ship gets hit by raiders and Hope can't manage keep her big mouth shut when their alien captors begin tormenting one of the younger women Jettisoned into space her one and only chance at survival is in the hands of a Draconian warrior Larok Larok is a lone sentinel standing guard for his mother ship When he comes across a frail human queen his world tilts out of alignment Saving her means a nasty death if his vicious Draconian queen finds out he rescued her Risking his own life is one thing but risking the life of his entire family and small son is another Snagging the beautiful human out of harm's way results in battling against the Draconian fleet destroying a planet and stealing a wormhole device that's their only chance at escape Larok finds himself forced to reach his hand into the dragon's mouth desperate to pull victory from the jaws of defeat By the time it's all finished he will either die in the glorious battle of a lifetime or end up mated to the most attractive human female in the galaxy
