The Laws and Jurisprudence of England and America John Forrest Dillon, 1894 Being a series of lectures delivered before Yale University T p *ABA Journal*, 1971-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **An Introduction to the Comparative Study of Private Law** James Gordley, Arthur Taylor von Mehren, 2006-07-06 Collection of readings materials and cases on the doctrine of private law in the common law and civil law **Off With Their Wigs!** Charles Banner, Alexander Deane, 2015-10-15 On Thursday June 12th 2003 a press release concerning a Cabinet reshuffle declared as a footnote that the office of Lord Chancellor was to be abolished and that a new Supreme Court would replace the House of Lords as the highest court in the United Kingdom In response to intense criticism of the Government for announcing these judicial reforms without holding any prior debate or consultation Charles Banner and Alexander Deane have sought the views of several constitutional experts including judges leading QCs legal and political academics commentators and MPs This book is the product of their research citing the interviewees at length it critically analyses the Government's proposals and looks at the various alternative models for appointing judges and for a new court of final appeal The future of the QC system which the Government has again indicated a desire to abolish is also discussed in the book *Chambers's Encyclopædia* Ephraim Chambers, 1870 **Spartan Education** Edward H. Warren, 2005 The Inspiration for Professor Kingsfield Discusses His Career Teaching Methods Professional Issues and Other Subjects Originally published Boston Houghton Mifflin Company 1942 xi 164 pp Spartan Education offers a fascinating account of Harvard Law School from the turn of the century to the 1940s colorful sketches of his professors Mr Cadwallader and a summary of his Spartan approach to pedagogy Warren also includes the texts of various addresses and articles dealing with Harvard legal history the American Bar and political topics This is a reprint of the 1942 edition which was strictly limited to 1000 copies Despite requests for additional copies Warren refused to reissue the book He published an edition of extracts instead however in order to address these requests while keep his word I believe in discipline From boyhood days on I have sought to discipline my own mind pen and tongue And throughout my service on the Law Faculty I have sought to discipline the minds pens and tongues of the students I have never suffered fools gladly and regard such sufferance as mischievous Therefore Spartan Education seemed an appropriate title As I review my life I find the source of greatest satisfaction in my belief that there are today ten thousand men who are leading more useful and successful lives than they would be leading if my Spartan training had not played a substantial part

in the molding of their minds and that most if not all of them now recognize that to be the fact and are grateful Preface ix
