Queer Migrations Sexuality Us Citizenship And Border Crossings:

Queer Migrations Eithne Luibhéid, Lionel Cantu, Jr., At the intersection of citizenship sexuality and race a new perspective on the immigrant experience Transgender Migrations Trystan Cotten, 2012-05-23 Transgender Migrations brings together a top notch collection of emerging and established scholars to examine the way that the term migration can be used not only to look at the way trans bodies migrate from one gender to the another but the way that trans people migrate in the larger geopolitical contexts of immigration reform the war on terror the war on drugs and the increased policing of national borders The book centers trans ing experiences identities and politics and treats these identities as inextricably intertwined with other social identities institutions and discourses of sexuality nationality race and ethnicity globalization colonialism and terrorism The chapter authors explore not only the movement of bodies in through and across spaces and borders but also chart the metamorphoses of these bodies in relation to migration and mobility Transgender Migrations takes the theory documented in The Transgender Studies Reader and blows it up to a global scale It is the logical next step for scholarship in this dynamic emerging field **Companion to Sexuality Studies** Nancy A. Naples, 2020-04-29 An inclusive and accessible resource on the interdisciplinary study of gender and sexuality Companion to Sexuality Studies explores the significant theories concepts themes events and debates of the interdisciplinary study of sexuality in a broad range of cultural social and political contexts Bringing together essays by an international team of experts from diverse academic backgrounds this comprehensive volume provides original insights and fresh perspectives on the history and institutional regulatory processes that socially construct sex and sexuality and examines the movements for social justice that advance sexual citizenship and reproductive rights Detailed yet accessible chapters explore the intersection of sexuality studies and fields such as science health psychology economics environmental studies and social movements over different periods of time and in different social and national contexts Divided into five parts the Companion first discusses the theoretical and methodological diversity of sexuality studies Subsequent chapters address the fields of health science and psychology religion education and the economy They also include attention to sexuality as constructed in popular culture as well as global activism sexual citizenship policy and law An essential overview and an important addition to scholarship in the field this book Draws on international postcolonial intersectional and interdisciplinary insights from scholars working on sexuality studies around the world Provides a comprehensive overview of the field of sexuality studies Offers a diverse range of topics themes and perspectives from leading authorities Focuses on the study of sexuality from the late nineteenth century to the present Includes an overview of the history and academic institutionalization of sexuality studies The Companion to Sexuality Studies is an indispensable resource for scholars researchers instructors and students in gender sexuality and feminist studies interdisciplinary programs in cultural studies international studies and human rights as well as disciplines such as anthropology psychology history education human geography political science and sociology *Conscripts of*

Migration Christopher Ian Foster, 2019-08-23 In *Conscripts of Migration* Neoliberal Globalization Nationalism and the Literature of New African Diasporas author Christopher Ian Foster analyzes increasingly urgent questions regarding crises of global immigration by redefining migration in terms of conscription and by studying contemporary literature Reporting on immigration whether liberal or conservative popular or scholarly leaves out the history in which the Global North helped create outward migration in the Global South From histories of racial capitalism the trans Atlantic slave trade and imperialism to contemporary neoliberal globalization and the resurgence of xenophobic nationalism countries in the Global North continue to devastate and destabilize the Global South Britain France Italy and the United States in different ways police the effects of their own global policies at their borders Foster provides a substantial study of a new body of contemporary African diasporic literature called *migritude* literature *Migritude* indicates the work and ideas of a disparate yet distinct group of younger African authors born after independence in the 1960s Most often *migritude* authors have lived both in and outside Africa and narrate the experiences of migration under the pressures of globalization They also emphasize that immigration itself and stereotypes of the immigrant are entangled with the history of colonialism Authors like Fatou Diome Shailja Patel Abdourahman Waberi Cristina Ali Farah and others confront critical issues of migrancy diaspora departure return racism identity gender sexuality and postcoloniality

Sexuality, Citizenship and Belonging Francesca Stella, Yvette Taylor, Tracey Reynolds, Antoine Rogers, 2015-10-23 This book brings together a diverse range of critical interventions in sexuality and gender studies and seeks to encourage new ways of thinking about the connections and tensions between sexual politics citizenship and belonging The book is organized around three interlinked thematic areas focusing on sexual citizenship nationalism and international borders Part 1 sexuality and race Part 2 and sexuality and religion Part 3 In revisiting notions of sexual citizenship and belonging contributors engage with topical debates about sexual nationalism or the construction of western European nations as exceptional in terms of attitudes to sexual and gender equality vis vis an uncivilized racialized Other The collection explores macro level perspectives by attending to the geopolitical and socio legal structures within which competing claims to citizenship and belonging are played out at the same time micro level perspectives are utilized to explore the interplay between sexuality and race nation ethnicity and religious identities Geographically the collection has a prevalently European focus yet contributions explore a range of trans national spatial dimensions that exceed the boundaries of Europe and of European nation states

Queering the Migrant in Contemporary European Cinema James S. Williams, 2020-08-27 This exciting and original volume offers the first comprehensive critical study of the recent profusion of European films and television addressing sexual migration and seeking to capture the lives and experiences of LGBTIQ migrants and refugees *Queering the Migrant in Contemporary European Cinema* argues that embodied cinematic representations of the queer migrant even if at times highly ambivalent and contentious constitute an urgent new repertoire of queer subjectivities and socialities that serve to undermine the

patrolled borders of gender and sexuality nationhood and citizenship and refigure or queer fixed notions and universals of identity like Europe and national belonging based on the model of the family At stake ethically and politically is the elaboration of a transborder consciousness and aesthetics that counters the homonationalist xenophobic and homo trans phobic representation of the migrant to Europe figure rooted in the toxic binaries of othering the good vs bad migrant host vs guest indigenous vs foreigner Bringing together 16 contributors working in different national film traditions and embracing multiple theoretical perspectives this powerful and timely collection will be of major interest to both specialists and students in Film and Media Studies Gender and Queer Studies Migration Mobility Studies Cultural Studies and Aesthetics

The Oxford Handbook of Gender and Politics Georgina Waylen, Karen Celis, Johanna Kantola, S. Laurel Weldon, 2013-03-11 As a field of scholarship gender and politics has exploded over the last fifty years and is now global institutionalized and ever expanding The Oxford Handbook of Gender and Politics brings to political science an accessible and comprehensive overview of the key contributions of gender scholars to the study of politics and shows how these contributions produce a richer understanding of politics and societies Like the field it represents the handbook has a broad understanding of what counts as political and is based on a notion of gender that highlights masculinities as well as femininities thereby moving feminist debates in politics beyond the focus on women It engages with some of the key aspects of political science as well as important themes in gender and feminist research such as sexuality and body politics thereby forging a dialogue between gender studies in politics and mainstream political science The handbook is organized in sections that look at sexuality and body politics political economy civil society participation representation and policymaking institutions states and governance as well as nation citizenship and identity The Oxford Handbook of Gender and Politics contains and reflects the best scholarship in its field

Lavender and Red Emily K. Hobson, 2016-10-04 LGBT activism is often imagined as a self contained struggle inspired by but set apart from other social movements *Lavender and Red* recounts a far different story a history of queer radicals who understood their sexual liberation as intertwined with solidarity against imperialism war and racism This politics was born in the late 1960s but survived well past Stonewall propelling a gay and lesbian left that flourished through the end of the Cold War The gay and lesbian left found its center in the San Francisco Bay Area a place where sexual self determination and revolutionary internationalism converged Across the 1970s its activists embraced socialist and women of color feminism and crafted queer opposition to militarism and the New Right In the Reagan years they challenged U S intervention in Central America collaborated with their peers in Nicaragua and mentored the first direct action against AIDS Bringing together archival research oral histories and vibrant images Emily K Hobson rediscovers the radical queer past for a generation of activists today

Gender, Sexuality and Identities of the Borderlands Suzanne Clisby, 2020-05-26 Drawing on border thinking postcolonial and transnational feminisms and queer theory *Gender Sexuality and Identities of the Borderlands* brings an intersectional feminist and queer lens to understandings of borderlands liminality

and lives lived at the margins of socio cultural and sexual normativities Bringing together new and contemporary interdisciplinary research from across diverse global contexts this collection explores the lived experiences of what Gloria Anzald a might have called threshold people people who live among and in between different worlds While it is often challenging difficult and even dangerous inhabiting marginal spaces living at the borders of socio cultural religious sexual ethnic or gendered norms can create possibilities for developing unique ways of seeing and understanding the worlds within which we live This collection casts a spotlight on the margins those queer spaces in literary cinematic and cultural borderlands postcolonial and transnational feminist perspectives on movement and migration and critical analyses of liminal lives within and between socio cultural borders Each chapter within this unique book brings a critical insight into diverse global human experiences in the 21st Century

Oye Loca Susana Peña, 2013-08-01 During only a few months in 1980 125 000 Cubans entered the United States as part of a massive migration known as the Mariel boatlift The images of boats of all sizes in various conditions filled with Cubans of all colors and ages triggered a media storm Fleeing Cuba s repressive government many homosexual men and women arrived in the United States only to face further obstacles Deemed undesirables by the U S media the Cuban state and Cuban Americans already living in Miami these new entrants marked a turning point in Miami s Cuban American and gay histories In *Oye Loca* Susana Pe a investigates a moment of cultural collision Drawing from first person stories of Cuban Americans as well as government documents and cultural texts from both the United States and Cuba Pe a reveals how these discussions both sensationalized and silenced the gay presence giving way to a Cuban American gay culture Through an examination of the diverse lives of Cuban and Cuban American gay men we learn that Miami s gay culture was far from homogeneous By way of in depth interviews participant observation and archival analysis Pe a shows that the men who crowded into small apartments together bleached their hair with peroxide wore housedresses in the street and endured ruthless insults challenged what it meant to be Cuban in Miami Making a critical incision through the study of heteronormativity homosexualities and racialization ultimately *Oye Loca* illustrates how a single historical event helped shape the formation of an entire ethnic and sexual landscape

Social Inequality & The Politics of Representation Celine-Marie Pascale, 2013 This anthology critically analyzes how cultures around the world make social categories of race class gender and sexuality meaningful in particular ways The collection uses a wide range of readings to examine how contemporary issues of race class gender and sexuality are constructed mobilized and transformed Unlike many books in this area the U S is not analytical center

National Politics and Sexuality in Transregional Perspective Achim Rohde, Christina von Braun, Stefanie Schüler-Springorum, 2017-11-28 *National Politics and Sexuality in Transregional Perspective* explores how modern identity politics around the world are gendered and sexualized in multiple ways Constructions of the imagined collective self often contain references to a heteronormative order whereas relevant internal or external others are often felt to deviate from this order through their gendered or sexual practices By contrast

some Western countries have witnessed the evolution of LGBTQI friendly discourses by certain political actors in recent years often in the context of the post 9 11 culture wars This pathbreaking book focuses on perceptions of self and other in Europe the Middle East and North Africa from a gendered perspective It deals with anti LGBTQI as well as LGBTQI friendly aspects of modern culture and politics in countries within these regions focusing on the functions such discursive markers play in nationalist and racist imageries in discourses legitimizing class differences from the nineteenth century to the present day including globalized discourses in the context of 9 11 and its aftermath It shows that discourses on sexuality and gendered performances in everyday life often undermine the stability of such binary constructions as they point to the multiplicity ambivalence and the indeterminate character of individual and collective identities under conditions of modernity Addressing contemporary identity politics both in a wider historical context and within a transregional comparative framework thus helps to discern differences and similarities between different world regions and serves to dislocate essentialized notions of cultural differences based on gender and sex This book will appeal to those with an interest in Political Sociology Gender Studies and Globalisation **Conflict and Forced Migration** Gil Richard Musolf,2019-10-21 This timely collection brings together a wide variety of contributors from scholars and a psychiatric social worker to former refugees who were resettled in the United States and a mural artist to explore the current face of migration conflict *The Routledge Research Companion to Geographies of Sex and Sexualities* Gavin Brown,Kath Browne,2016-05-20 Comprehensive and authoritative this state of the art review both charts and develops the rich sub discipline geographies of sexualities exploring sex gender sexuality and sexual practices Emerging from the desire to examine differences and exclusions as a key aspect of human geographies these geographies have engaged with heterosexual and queer lesbian gay bi and trans lives Developing thinking in this area geographers and other social scientists have illustrated the centrality of place space and other spatial relationships in reconstituting sexual practices representations desires as well as sexed bodies and lives This book reviews the current state of the field and offers new insights from authors located on five continents In doing so the book seeks to draw on and influence core debates in this field as well as disrupt the Anglo American hegemony in studies of sexualities sexes and geographies This volume is the definitive collection in the area bringing together many international leaders in the field alongside scholars that are well established outside the Anglophone academy and many emerging talents who will lead the field in the decades to come **The Routledge Queer Studies Reader** Donald E. Hall,Annamarie Jagose,2012-06-04 The Routledge Queer Studies Reader provides a comprehensive resource for students and scholars working in this vibrant and interdisciplinary field The book traces the emergence and development of Queer Studies as a field of scholarship presenting key critical essays alongside more recent criticism that explores new directions The collection is edited by two of the leading scholars in the field and presents individual introductory notes that situate each work within its historical disciplinary and theoretical contexts essays grouped by key subject areas including Genealogies Sex

Temporalities Kinship Affect Bodies and Borders writings by major figures including Eve Kosofsky Sedgwick Judith Butler David M Halperin Jos Esteban Muñoz Elizabeth Grosz David Eng Judith Halberstam and Sara Ahmed The Routledge Queer Studies Reader is a field defining volume and presents an illuminating guide for established scholars and also those new to Queer Studies

Soviet and Post-Soviet Sexualities Richard C.M. Mole, 2019-01-23 Despite Soviet Russia having been one of the first major powers to decriminalise homosexual acts between men attitudes towards lesbian gay bisexual and transgender LGBT people in contemporary Russia and the other post Soviet states have become increasingly hostile with the introduction of laws restricting their rights and an increase in homophobic violence This book explores how this situation has come about It discusses how meanings attached to non heteronormative sexualities have been constructed for specific socio political purposes by elites in line with Marxist Leninist or nationalist thought explores how attitudes to non normative sexualities developed historically and examines the current situation in the post Soviet space including Russia Transcaucasia Central Asia and the Baltic States The book provides a wealth of detail on this understudied subject and assesses how LGBT subjects are responding to this state of affairs

Queering Multiculturalism Aret Karademir, 2018-09-15 Queering Multiculturalism argues for group specific rights for ethno cultural minorities but without ignoring that such rights may lead to ethnic chauvinism balkanization and the cultural marginalization of minorities within minorities such as ethnic LGBT people Thus it aims to construct a liberal theory of minority rights to accommodate ethno cultural diversity without destroying ethno sexual diversity and without privileging one type of minority group over another

The Sexual Politics of Asylum Calogero Giametta, 2017-03-27 Today within neoliberal democracies gender and sexuality provisions give people the opportunity of being granted social and legal protection But how does the asylum system intervene within claimants understandings of themselves and in what ways does this affect their livelihoods in the country of arrival The Sexual Politics of Asylum emerges from a 2 year long ethnography which explores the experiences of 60 gender and sexual minority refugees in the UK Bringing previously unheard stories to the forefront this enlightening volume challenges dominant notions about the construction of sexuality and gender as an instrument for claiming rights in a world shaped by postcolonial relations Giametta first examines why the migratory experience of the studied migrants is located within a set of humanitarian inflected discourses that privilege suffering and trauma This is then followed by an assessment of the respondents biographical accounts which consequently uncovers how being situated in liminal socio political and legal interstices produces precarious forms of life Whilst the topic of asylum for gender and sexual minorities has attracted wide media coverage over the past decade there persists a lack of academic attention to the complex experiences of these refugees As such this timely book will be of interest to undergraduate and postgraduate students interested in human rights sociology anthropology migration sexuality gender and cultural studies as well as people working within the refugee granting process
