Queer Noises Homosexuality In 20th Century Music:

Queer Episodes in Music and Modern Identity Sophie Fuller, Lloyd Whitesell, 2002 Through the hidden or lost Stories of composers scholars patrons performers audiences repertoire venues and specific works this volume explores points of intersection between music and queerness in Europe and the United States from 1870 to 1950 a period during which dramatic changes in musical expression and in the expression of individual sexual identity played similar roles in washing away the certainties of the past **BOOK JACKET** **Queerness in Heavy Metal Music** Amber R. Clifford-Napoleone, 2015-03-24 While the growing field of scholarship on heavy metal music and its subcultures has produced excellent work on the sounds scenes and histories of heavy metal around the world few works have included a study of gender and sexuality This cutting edge volume focuses on queer fans performers and spaces within the heavy metal sphere and demonstrates the importance pervasiveness and subcultural significance of queerness to the heavy metal ethos Heavy metal scholarship has until recently focused almost solely on the roles of heterosexual hypermasculinity and hyperfemininity in fans and performers The dependence on that narrow dichotomy has limited heavy metal scholarship resulting in poorly critiqued discussions of gender and sexuality that serve only to underpin the popular imagining of heavy metal as violent homophobic and inherently masculine This book queers heavy metal studies bringing discussions of gender and sexuality in heavy metal out of that poorly theorized dichotomy In this interdisciplinary work the author connects new and existing scholarship with a strong ethnographic study of heavy metal s self identified queer performers and fans in their own words thus giving them a voice and offering an original and ground breaking addition to scholarship on popular music rock and queer studies *The Oxford Handbook of Music and Queerness* Fred Everett Maus, Sheila Whiteley, Tavia Nyong'o, Tavia Amolo Ochieng' Nyongó, Zoe C. Sherinian, 2022 Explores ways that music and queerness interact to create unique meanings Includes perspectives on music making from many times and places Innovative queer research and interpretation take exciting new directions **Book jacket**

Music and Narrative Since 1900 Michael L. Klein, Nicholas W. Reyland, 2013 This comprehensive volume offers a wide ranging perspective on the stories that art music has told since the start of the 20th century Contributors challenge the broadly held opinion that the loss of tonality in some music after 1900 also meant the loss of narrative in that music To the contrary the editors and essayists in this book demonstrate how experiments in approaching narrative in other media such as fiction and cinema suggested fresh possibilities for musical narrative which composers were quick to exploit The new conceptions of time narrative voice plot and character that accompanied these experiments also had a significant impact on contemporary music The repertoire explored in the collection ranges across a wide variety of genres and includes composers from Charles Ives and the Pet Shop Boys to Thomas Adès and Dmitri Shostakovich

Elvis Presley's From Elvis in Memphis Eric Wolfson, 2020-11-12 A Classic Rock book of 2020 I had to leave town for a little while with these words Elvis Presley truly came home to rock and roll A little over a month earlier he had staged rock's first and greatest comeback in a television program forever known as The 68 Comeback Special With this show he resurrected himself at the age of 33 no less from the ashes of a career mired in bad movies and soundtracks So where to go from here Like a killer returning to the scene of the crime Elvis came back home to Memphis where it had all begun Eschewing the fancier studios of Nashville and Hollywood he set up shop at the ramshackle American Sound Studio run by a maverick named Chips Moman

with an in house backing band now known as The Memphis Boys and made the music of his life The resulting work From Elvis in Memphis would be the finest studio album of his career an explosion of mature confidence and fiery inspiration It was the sound of Elvis establishing himself as a true rock and roll artist and proving his status as a legend
