Quest For A United Germany:

The Quest for a United Germany Ferenc A. Váli, 2019-12-01 Originally published in 1967 The ramifications of the German problem and its intricate nature make its comprehensive presentation within the limits of a manageable volume a matter of painful selection and difficult apportionment The Quest for a United Germany Ferenc Albert Váli, 1967 The Quest for a European Strategic Culture C. Meyer, 2006-11-08 The Quest for a European Strategic Culture investigates whether strategic norms and beliefs held in different countries have become more similar since 1989 and explores the implications for the viability of a common European Security and Defence Policy The empirical evidence emerging from various sources shows some significant changes *Being Jewish in 21st Century Central Europe* Haim Fireberg, Olaf Glöckner, Marcela Menachem Zoufalá, 2020-09-07 Jewish life in Europe has undergone dramatic changes and transformations within the 20th century and also the last two decades The phenomenon of the dual position of the Jewish minority in relation to the majority not entirely unusual for Jewish Diaspora communities manifested itself most distinctly on the European continent This unique Jewish experience of the ambiguous position of insider and outsider may provide valuable views on contemporary European reality and identity crisis The book focuses inter alia on the main common denominators of contemporary Jewish life in Central Europe such as an intense confrontation with the heritage of the Holocaust and unrelenting antisemitism on the one hand and on the other hand huge appreciation of traditional Jewish learning and culture by a considerable part of non Jewish Europeans The volume includes contributions on Jewish life in central European countries like Hungary the Czech Republic Poland Austria and Germany *Herbert Hoover and World Peace* Lee Nash, 2012-07-10 Herbert Hoover and World Peace summarizes Hoover's career long efforts to preserve peace in the world and to help America avoid unnecessary wars from his opposition to our entry into World War I to his proposed and rejected Cold War strategy which would have avoided the Vietnam War Personal experiences in the Boxer Rebellion in China and helping to feed Belgium during World War I coupled with his early Quaker nurture that sensitized him to war related tragedies These essays illustrate the varied ways in which Hoover expressed and implemented his commitment to world peace as humanitarian advisor cabinet member president citizen and writer No other president was so consistent and thoughtful on matters of world peace *World Business Directory*, 2003 **International Biotechnology Directory** J. A Communication Perspective on Margaret Thatcher Janet L. Fallon, 2017-09-27 A Communication Perspective on Margaret Thatcher Stateswoman of the Twentieth Century represents broad analysis of former British Prime Minister Margaret Thatcher's communicative appeals rhetorical efforts and campaign and media strategies viewed within an historical context as symbolic acts intended to induce and enact political social and economic change in the United Kingdom during the latter quarter of the twentieth century Janet Fallon focuses on the aggregate of Thatcher's life experiences including family background education years in the House of Commons and other key biographical and historical influences that informed her world of ideas and her articulation of words and marked her ascent both to premiership as Britain's first Madam Prime Minister in 1979 and further to her international status as a stateswoman Margaret Thatcher's voice from the mid 1970s into the early 1990s and even beyond was the primary voice communicating a vision of a new reality and a new order for Britain

Judging Q and saving Jesus - Q's contribution to the wisdom-apocalypticism debate in historical Jesus studies. Llewellyn Howes, 2015-12-31 Judging Q and saving Jesus is characterised by careful textual analysis showing a piercing critical eye in its impressive engagement with the secondary literature and sharp insightful critique This book takes the stance that the hypothetical document Q can be reconstructed with sufficient precision and that this enables biblical scholars to study with confidence its genre and its thematic and ideological profile The genre issue is central to the book's overall structure and the alternative proposals are discussed at length and with sophistication The author's inference is that Q's macrogenre is sapiential with occasional insertions of apocalyptic microstructures and motifs This finding embodies progress in Historical Jesus studies An opposing trend has been to label Jesus an apocalypticist so that the great either/or of contemporary Jesus scholarship has been either eschatological or not an alternative that dates back to Albert Schweitzer The author finds that generally and even when used apocalyptically the term Son of Man tends to support arguments best understood as sapiential in outlook This is consistent with the sapiential genre of the document as a whole This finding is supported by the close and careful exegesis of Q 6 37 38 on not judging He reconstructs the original wording of this saying on not judging and explores the idea of weighing in judgment psychostasia determining in the end that the saying is entirely sapiential

Korea And The World Young Whan Kihl, 1994-04-10 During the Cold War era Korea's security agenda was defined largely by superpower rivalry The goal of U S strategy as reflected in the Truman Doctrine was to stem the tide of communist expansionism and contain Soviet power within the USSR's existing borders Korea was cast as a crucial buffer and fulcrum in the balance of power among the major powers surrounding the peninsula and North Korea's invasion in 1950 of its southern

neighbor was seen as a key test of containment policy Now that the Cold War is over it is time to reconsider the Korean peninsula s strategic role in global and regional politics In this book leading scholars provide new perspectives on Korea s changing role in the new world order What are the implications of the dramatic end of the Cold War for East Asia and the Korean peninsula Will peace and prosperity return to the region followed by the reunification of divided Korea Or will history repeat itself in the form of violent conflict and rivalry as in late nineteenth and early twentieth century East Asia The contributors consider these questions in the context of major powers policies toward the Korean peninsula inter Korean relations and revived prospects for Korean reunification **The Living Age** ,1913 **Littell's Living Age** ,1915
