In the upper left, a bright sun or star is shining, creating a lens flare effect. On the right, the white, cylindrical structure of the Apollo 11 Lunar Module is shown, with the Earth's blue and white horizon visible in the background. The title "Apollo 11 Quest" is centered in the upper half of the image. "Apollo 11" is in white, and "Quest" is in a light blue color. A thin white arc is positioned above the "11".

## Quest For Apollo:

**Quest for Apollo** Michael Lahey, 1989 His name was Virgil I met him in the woods when I was fleeing from a wolf He looked around fifty but said he d been that age for about 2 000 years ever since he d died And that was the part of his story that didn t sound too crazy When I told him that I was a writer and my name was Delbert Frederick Alderini the guy just about flipped out said I was the one he d been waiting for that I had to come with him to see Diana the goddess Diana Of course I didn t believe him but it seemed like there might be a story in it so I went Diana was a goddess alright a real beauty She was working as a waitress in a restaurant in Italy s Aventine hills and when she gave me her pitch how could I resist She said her brother Apollo had been condemned for helping humans too much His punishment was to be reincarnated over and over again as a doomed hero with no memory of his true identity But this time around things were different If Virgil and I couldn t find Apollo within the next six days and free him from this cycle not only Apollo but everyone would go up in a total nuclear conflagration So what else could I do but try to save the world Back cover
