Quest For The Green Man:

The Quest for the Green Man John Matthews, 2001-08-01 Explores the theme of the Green Man in mythology folklore and literature throughout history in such guises as Merlin Robin Hood Herne the Hunter the Green Knight Enkidu and Cernunnos

The Mythic Forest, the Green Man and the Spirit of Nature Gary R. Varner, 2006 In this world tour of folklore and ancient art Varner examines the images we give to the spirit of nature and explores this important aspect of human perception

Urban Green Man Janice Blaine, Adria Laycraft, 2013-08-15 The stories in this anthology are ripe with magic of new beginnings and will change the way you look at life forever With an introduction by Charles deLint Urban Green Man is a large anthology of urban and contemporary short literature from an international cast of authors Every story follows the theme of renewal surrounding the mythology of the Green Man

Middle-earth and Beyond Janka Kaščáková, 2010-10-12 One wonders whether there really is a need for another volume of essays on the works of J R R Tolkien Clearly there is Especially when the volume takes new directions employs new approaches focuses on different texts or reviews and then challenges received wisdom This volume intends to do all that The entries on sources and analogues in The Lord of the Rings a favorite topic are still able to take new directions The analyses of Tolkien's literary art less common in Tolkien criticism focus on character especially that of Tom Bombadil in which two different conclusions are reached But characterization is also seen in the light of different literary techniques motifs and symbols A unique contribution examines the place of linguistics in Tolkien's literary art employing Gricean concepts in an analysis of The Lay of the Children of Hrin And a quite timely essay presents a new interpretation of Tolkien's attitude toward the environment especially in the character of Tom Bombadil In sum this volume covers new ground and treads some well worn paths but here the well worn path takes a new turn taking not only scholars but general readers further into the complex and provocative world of Middle earth and beyond

Ecomasculinities Rubén Cenamor, Stefan Brandt, 2019-01-25 While there exist numerous studies on ecocriticism and ecofeminism much less has been written about ecomasculinities This volume contributes to filling this gap by examining models of fictional ecomasculinity in and through contemporary U S literature and cinema Our study examines ecomasculinities as practices of masculinity which are deeply conservationist and can embrace non masculine traits In this line of thought a main goal of the volume is to interrogate the potential of ecomasculinities to elicit in men a desire to become engage in other practices of masculinity that are counter hegemonic and have as main goal to achieve equality on different strata of society Bridging the gap between the Social Sciences and the Humanities the book interrogates intersections between ecomasculinities and masculinities beyond capitalism ecomasculinities and aging and ecomasculinities and queerness among others
