## **Question Of Honour The Life Of Lieutenant General Valentine Baker Pasha:**

Crisis of the Ottoman Empire James J. Reid, 2000 This work focuses upon the military problems of the Ottoman Empire in the era 1839 to 1878 The author examines the Crimean War 1853 to 1856 from the perspective of the Ottoman army using British and French sources as well as the few available Ottoman materials Scholarship on the war has ignored this aspect but the high quality of work about the British French and Russian involvement in the war has enabled the present study to advance its own work The inability of the Ottoman high command to learn the lessons of the Crimean War led to serious defeats in the Russo Turkish War of 1877 1878 Revolts occurring in this period also receive attention While the book analyzes the nature of war in the Balkans and Anatolia its primary objective is the study of the war's social and psychological influences This perspective runs as a theme throughout the book but the author focuses on the psychological aspects in the final chapter using comparative perspectives

*A Question of Honour* Anne Baker, 1996 A Question of Honour focuses on a previously unpublished account of a great Victorian scandal in which Baker was charged with assault upon a young woman in a railway carriage The book is written by a member of his family

### **Valentine Baker's Heroic Stand at Tashkessen**

**1877** Frank Jastrzembski, 2017-05-30 A fast paced well researched and thought provoking book about war tactics and a man seeking redemption a fascinating and tragic conflict Adventures in Historyland There are moments in the past of many a man's career that stand out clear and defined after the lapse of even many years life pictures the very memory of which brings back a glorious thrill of pride and pleasure This is the feeling which vibrates through me still when I recall that last and closing scene that crowned the hard fought fight at Tashkessen History has best remembered Valentine Baker for his embarrassments In 1875 he was accused of sexual assault and dismissed from the British Army In 1884 he suffered an embarrassing defeat at the Battle of El Teb But what about Baker's positive achievements The most underappreciated event that took place in his controversial life came during the Russo Turkish War in 1877 The exiled Baker in command of 3 000 Ottoman soldiers was dispatched to the village of Tashkessen to stall 25 000 advancing Russian soldiers Through his superb leadership and brilliant disposition of his troops Baker was able to score a victory The Spartan stand of Baker and his command has gained little recognition Despite this modern obscurity Baker's performance at Tashkessen was applauded by his contemporaries as a model of tactical leadership and heroism This is the exhilarating tale of how Valentine Baker was able to find redemption at Tashkessen

*Encyclopedia of African Colonial Conflicts* Timothy J. Stapleton, 2016-11-07 Two volumes introduce the history of colonial wars in Africa and illustrate why African countries like the Democratic Republic of Congo Nigeria Somalia and Sudan continue to experience ethnic political and religious violence in the early 21st century This sweeping study examines the wars of colonial conquest fought in Africa during the 19th and early 20th centuries From Britain's efforts to wrest control of the Sudan from military leader Muhammad Ahmad al Mahdi to Italy's decisive defeat at the Battle of Adowa in Ethiopia to Leopold II's brutal reign over the Belgian Congo the work surveys the devastation reaped

upon the continent by colonization and illustrates how its combative influence continues to resonate in Africa today Written by scholars in the fields of history and politics this complete reference includes entries on wars campaigns rebellions battles leaders and organizations The work delves into key historical periods including the Scramble for Africa ca 1880 to 1910 early European colonial wars in Africa such as the Dutch in the Cape and the Portuguese in Angola and Mozambique and African rebellions against the early colonial state in the 1890s and early 1900s Entries feature prominent events and personalities as well as lesser known occurrences and players

A British Profession of Arms Ian F. W. Beckett, 2018-10-25 You offer yourself to be slain General Sir John Hackett once observed remarking on the military profession This is the essence of being a soldier For this reason as much as any other the British army has invariably been seen as standing apart from other professions and sometimes from society as a whole A British Profession of Arms effectively counters this view In this definitive study of the late Victorian army distinguished scholar Ian F W Beckett finds that the British soldier like any other professional was motivated by considerations of material reward and career advancement Within the context of debates about both the evolution of Victorian professions and the nature of military professionalism Beckett considers the late Victorian officer corps as a case study for weighing distinctions between the British soldier and his civilian counterparts Beckett examines the role of personality politics and patronage in the selection and promotion of officers He looks too at the internal and external influences that extended from the press and public opinion to the rivalry of the so called rings of adherents of major figures such as Garnet Wolseley and Frederick Roberts In particular he considers these processes at play in high command in the Second Afghan War 1878 81 the Anglo Zulu War 1879 and the South African War 1899 1902 Based on more than thirty years of research into surviving official semiofficial and private correspondence Beckett s work offers an intimate and occasionally amusing picture of what might affect an officer s career wealth wives and family status promotion boards and strategic preferences performance in the field and diplomatic outcomes It is a remarkable depiction of the British profession of arms unparalleled in breadth depth and detail

*The Victorians at War, 1815-1914* Harold E. **Into the Jaws of Death** Mike Snook, 2008-02-28 A study of British military defeats and disasters in the late nineteenth century An enthralling look at the Victorian army in adversity BBC History Magazine Between the Crimean War and the dawn of the twentieth century the British Army was almost continuously engaged in one corner of the globe or another in military operations famously characterized by Kipling as the savage wars of peace In his new work on the most dramatic Victorian campaigns Mike Snook brings the most dramatic clashes of the age of empire back to life Here he focuses closely on defeat and disaster the occasions when things went badly awry for the British The names of these great battles Isandlwana Maiwand Majuba Hill Khartoum Colenso Spion Kop and Magersfontein still resonate down through the ages In a meticulously researched military history the author exposes the true and sometimes embarrassing causes of defeat Overstretch political meddling military incompetence and petty jealousy all played their part Above all else however these are dramatic and perceptive accounts of mere mortal men struggling to deal with the often overpowering dynamics and horrors of nineteenth century warfare on the fringes of Empire

**Victorians at War** Ian Beckett, 2006-06-22 Ian Beckett's book is already established as the definitive history of the Victorian army

*Outskirts of Empire* John Fisher, 2018-09-03 *Outskirts of Empire* Studies in British Power Projection investigates the substructure of Britain's interests in the Near East and beyond during the nineteenth and twentieth centuries Essays address themes in British power projection in a geographically wide area encompassing parts of the Ottoman Empire Morocco and Abyssinia illuminating interlinking elements of Britain's power and presence through commerce religion consular activity expatriates travel and exploration and technology Through careful investigation of the interface of these themes the book develops a deeper sense of Britain's presence in the Near East and contiguous areas and highlights the network of Britons who were required to sustain that presence

**To the Heart of the Nile** Pat Shipman, 2024-06-11 In 1859 at age fourteen Florence Sz stood before a room full of men and waited to be auctioned to the highest bidder But slavery and submission were not to be her destiny Sam Baker a wealthy English gentleman and eminent adventurer was moved by compassion and an immediate overpowering empathy for the young woman and braved extraordinary perils to help her escape Together Florence and Sam whose love would remain passionate and constant throughout their lives forged into literally uncharted territory in a glorious attempt to unravel a mysterious and magnificent enigma called Africa A stunning achievement *To the Heart of the Nile* is an unforgettable portrait of an unforgettable woman a story of discovery bravery determination and love

meticulously reconstructed through journals documents and private papers and told in the inimitable narrative style that has already won Pat Shipman resounding international acclaim **Gendered Journeys, Mobile Emotions** Gillian

Reynolds, 2016-04-22 It is increasingly acknowledged that an analysis of emotions is necessary to fully understand the social world and recent research on transport travel and mobilities has begun to consider the gendered nature of public and personal life in relation to this sphere The focus of this multidisciplinary and auto biographical volume is the emotional relationship that individuals and groups have with different means of travel Attention is given to a variety of travel experiences including travelling in trains planes cars buses and ships as well as biking cycling running and walking from the perspective of travellers and those who earn their living in assisting these experiences of others Imaginary travel and the relationships between art and travel are also considered Adopting innovative approaches to experiential material ranging from personal memories to empirical research **Gendered Journeys Mobile Emotions** opens up and illuminates an interdisciplinary debate about the gendered emotive and emotional nature of travelling **The Railways** Simon

Bradley, 2015-09-24 Sunday Times History Book of the Year 2015 Britain's railways have been a vital part of national life for nearly 200 years Transforming lives and landscapes they have left their mark on everything from timekeeping to tourism As a self contained world governed by distinctive rules and traditions the network also exerts a fascination all its own From the classical grandeur of Newcastle station to the ceaseless traffic of Clapham Junction from the mysteries of Brunel's atmospheric railway to the lost routines of the great marshalling yards Simon Bradley explores the world of Britain's railways the evolution of the trains and the changing experiences of passengers and workers The Victorians' private compartments railway rugs and footwarmers have made way for air conditioned carriages with airline type seating but the railways remain a giant and diverse anthology of structures from every period and parts of the system are the oldest in the world Using fresh research keen observation and a wealth of cultural references Bradley weaves from this network a remarkable story of technological achievement of architecture and engineering of shifting social classes and gender relations of safety and crime of tourism and the changing world of work **The Railways** shows us that to travel through Britain by train is to journey through time as well as space **War in the East** Quintin Barry, 2012-08-15 When Russia declared war on the Ottoman Empire in

April 1877 it was the fifth time during the nineteenth century that hostilities had broken out between the two empires On this occasion the other Great Powers had done all they could to prevent it although public opinion in the West had been shocked by Turkey's brutal repression of the Bulgarian uprising The war was to be fought in two distinct theaters In Europe as on previous occasions the Russian objective was to cross first the Danube and then the formidable Balkan Mountains before striking for Constantinople In Asia over territory also contested many times before the Russians aimed to seize Kars and then Erzerum At first all went well for the invaders the Turks making no serious attempt to hold the line of the Danube while a thrust south by General Gourko succeeded in crossing the Balkans by a pass not previously considered practicable At Plevna

however the Russian advance stalled in the face of the determined defense of the place by the redoubtable Osman Pasha In Asia meanwhile after initial success the Russian advance was halted by defeat at Zevin Poor strategic judgment on the part of the Turks led to their failure to take advantage of the opportunity provided by Osman even after the Russians had suffered three bloody defeats at Plevna Eventually after the town was closely invested it fell to the besiegers In Asia the Turks suffered a major defeat in the battle of God s Mountain and were driven back to Erzerum while Kars fell to a brilliant assault by the Russian forces These defeats marked the beginning of the end for the Turks By January 1878 the Russians were over the Balkans in force and the last viable Turkish army was surrounded and captured at Shenovo Armistice negotiations led to a suspension of hostilities and to the treaty of San Stefano The other Great Powers had watched the conflict with mounting anxiety and were determined to moderate the terms of San Stefano which had imposed harsh conditions on the Ottoman Empire This following tortuous diplomatic negotiations they succeeded in doing at the Congress of Berlin in July 1878 This book the first military history of the war in English for over a century traces the course of the campaigns examining the many occasions on which the outcome of a battle might have gone the other way and the performance of the combatants both leaders and led The book considers the extent to which the parties applied the lessons of recent wars as well as the conclusions that could be drawn from the experience of combat with the latest weapons It also explores the complicated motives of the Great Powers in general and Britain in particular in bringing about a final settlement which postponed the dissolution of the Ottoman Empire The author s detailed text is accompanied by an extensive number of black and white illustrations an impressive color plate section containing reproductions of paintings by artists such as Vereshchagin plus black and white and color battle maps Extensive orders of battle are also provided This is the latest title in Helion s ground breaking series of 19th Century studies and will again appear in hardback as a strictly limited edition printing of 1 000 copies each individually numbered and signed by the author on a decorative title page

The Stolen Woman Pat Shipman, 2004 Pat Shipman tells the story of Lady Florence Baker a Hungarian who lived in a Turkish harem until sold at auction to her future husband the explorer Sam Baker Together they travelled to Africa and discovered the source of the Nile experiencing great privations and dangers along the way

*The Queen's Knight* Martyn Downer, 2007 Unique and engrossing this is a true story of suppressed passion and domestic intrigue at the heart of Victoria s court After an illustrious military career in the Crimean War during which he won a Victoria Cross Howard Elphinstone was appointed guardian to Queen Victoria s favourite son Prince Arthur later Duke of Connaught who was Governor General of Canada from 1911 16 Martyn Downer s book includes a fascinating account of Arthur s first trip to Canada in 1869 which took place despite the threat of his assassination by Fenian terrorists intent on revenging the Irish famine During his eventful tour Arthur took part in the defence of Canada following the Fenian raid at

Saint John in May 1870 With relations between Britain and the United States at low ebb Elphinstone also took the prince on a controversial tour of America which culminated in a frosty reception from President Ulysses Grant at the White House Elphinstone remained in Court until 1890 when he was drowned in a tragic accident During this period he became one of Queen Victoria s closest confidants and a father figure to her nine children His journals and remarkable correspondence with the Queen much of which is published here for the first time shed fascinating and intimate new light on the world of the Victorian Court The Queen s Knight is a captivating portrait of the close and affectionate relationship between Victoria and Elphinstone and sheds new light on the frail human being at the heart of a vast empire **Royal Historical Society**

**Annual Bibliography of British and Irish History: Publications of 1998** Austin Gee, 1999-10-28 The Royal Historical Society s Annual Bibliography of British and Irish History provides a comprehensive and authoritative survey of books and articles on historical topics published in a single calendar year The volume covers all periods of British and Irish history from Roman Britain to the late twentieth century and also includes a section on imperial and commonwealth history It is the most complete and up to date bibliography of its type and an indispensable tool for historians **Annual Bibliography of British and Irish History** ,1998 **Books in Print Supplement** ,2002
