Question Of Woman The Collected Writings Of Charlotte Von Kirschbaum:

The Question of Woman Charlotte von Kirschbaum,1996 This collection of lectures by the secretary and friend of Karl Barth establishes her as a theologian in her own right She addresses important early feminist issues such as the divinely ordained nature of relationships between the sexes and the rights of women to lay and ordained ministry in the church

Sexual Difference, Gender, and Agency in Karl Barth's Church Dogmatics Faye Bodley-Dangelo,2019-10-03 This volume is a critical and constructive analysis of the sexually differentiated self in Karl Barth s Church Dogmatic It secures in his Christocentric pattern of human agency an untapped resource for unsettling and reimagining the heteropatriarchal structure of human fellowship at the heart of his theological anthropology Moving through Barth s doctrines of revelation creation theological anthropology and special ethics Faye Bodley Dangelo locates the human agent in his broader project aimed at rehabilitating the subject of modern protestant theology She argues the human actor comes into view as the recipient of Christ s redemptive activity which redirects it out of self aggrandizing isolation and into relationships of dependency responsiveness and ethical responsibility to multiple sites of divine and creaturely alterity The book debates that Barth s model of human agency cannot on its own terms sustain his version of female subordination nor his repudiation of same sex relationships Rather it contains ethically oriented critical and reflective mechanisms that resist the sexist heterosexist dimension of his theological anthropology and lend themselves to an anti essentialist performative account of gender

A Terrifying Grace Rob Yule, 2017-04-28 Romance and sexual intimacy are among life s highest joys How we handle our sexuality is an ultimate challenge particularly in today s sexualised global culture Rob Yule looks at a fascinating selection of romantic relationships from throughout Christian history from Augustine Abelard and Heloise and the Luthers to Billy and Ruth Graham and Pope Saint John Paul II Illustrating how challenging and far from straightforward the relationship of men and women is in real life he draws many insights for relationships and marriage today A Terrifying Grace explores the romantic relationships of leading Christians throughout history and how they handled sex and marriage What were their relationships and marriages like What did they believe or teach about sexuality and marriage Did their marriages or celibate lives live up to their professed beliefs How did they handle the joys pains temptations and responsibilities of their intimate relationships alongside their public life and witness Even great Christians have struggled to handle their intimate relationships We can learn much from them how to live with integrity in today s hypersexualised culture

Confidence in Life Matthew Lee Anderson, 2023-12-28 Confidence in Life offers a theologically robust evaluation of the good of procreation which emerges out of both careful interactions with contemporary analytic philosophy and a reconstructed reading of Karl Barth s doctrine of procreation While analytic moral philosophy has rarely been brought into close proximity to Barth s work the conjunction underscores the deep difficulty of accounting for procreation s value within non theological frameworks and helps clarify what is distinctive and valuable about Barth s own moral reasoning on this subject Though primarily staged as an intervention in Protestant moral theology Confidence in Life s rehabilitation of the Virgin Mary s role in Barth s thought has promise for an ecumenical retrieval of the good of procreating within the economy of redemption and its retrieval of honour as an indispensable aspect of Barth s theology will be of interest to Barth scholars and moral theologians alike

Coequal and Counterbalanced John D. Garr, 2013-01-16 God created woman and man so that they would be consubstantial and coequal and that they would manifest perfectly counterbalanced complementarity The relationship of the two halves of humanity was to be one of love

mutuality and fulfillment By recovering the Hebraic understanding of God's blueprint for them both women and men can finally experience the relationship that God designed to be heaven on earth The God Designed Two in One Coequal Counterbalanced Partnership Designer Fashioned Woman Gender Self Identity and Self Fulfillment Spare Ribs and Afterthoughts Marriage as Heaven on Earth Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have long perverted relationships between women and men As you reconnect with the Hebraic foundations of your faith you will rediscover God's original design for humanity and you will come to understand respect and honor the different God designed distinctives preferences and roles for women and men that counterbalance and complement each other in mutuality and love *Charlotte Von Kirschbaum and Karl Barth* Suzanne Selinger,1998-01-01 A study of the relationship between Karl Barth and his assistant Charlotte von Kirschbaum Christian Thought Chad Meister,James Stump,2016-11-10 The story of Christian thought is essential to understanding Christian faith today and the last two millennia of world history This fresh and lively introduction explores the central ideas persons events and movements that gave rise to Christian thought from early beginnings to its present forms By highlighting the important but often neglected role of women and the influence of non Christian ideas and movements this book provides a broader context for understanding the history of Christian ideas and their role in shaping our world Christian Thought provides an overview of the context of Christianity's origin including discussion of the influence of Hebrews Greeks and Romans explores the major events and figures of the history of Christian thought while drawing attention to significant voices which have often been suppressed analyses the impact on Christian thought of widely discussed events such as The Great Schism the Scientific Revolution and modernism surveys contemporary trends such as fundamentalism feminism and postmodernism This fully revised and updated second edition features a new chapter on liberal theology and reflects recent scholarship in the field Complete with figures timelines and maps this is an ideal resource for anyone wanting to learn more about the development of Christian thought and its influence over the centuries Further teaching and learning resources are available on the companion website at www.routledge.com/cw/meister **Women, Ministry and the Gospel** Mark Husbands,Timothy Larsen,2007-03-16 This outstanding collection of essays presented at the 2005 Wheaton Theology Conference explores the current issue of women in ministry from biblical theological and ecclesiological perspectives Bringing to bear the ministerial and sociological insights on the issue this impressive integrative work aims to break through the current impasse between complementarians and egalitarians These essays point the way forward for women and men in ministry in our churches Contributors include Henri Blocher Timothy George James Hamilton I Howard Marshall Cheryl J Sanders Sarah Sumner and Mary Stewart Van Leeuwen *Karl Barth* Christiane Tietz,2021-03-25 From the beginning of his career Swiss theologian Karl Barth 1886-1969 was often in conflict with the spirit of his times While during the First World War German poets and philosophers became intoxicated by the experience of community and transcendence Barth fought

against all attempts to locate the divine in culture or individual sentiment This freed him for a deep worldly engagement he was known as the red pastor was the primary author of the founding document of the Confessing Church the Barmen Theological Declaration and after 1945 protested the rearmament of the Federal Republic of Germany Christiane Tietz compellingly explores the interactions between Barth s personal and political biography and his theology Numerous newly available documents offer insight into the lesser known sides of Barth such as his long term three way relationship with his wife Nelly and his colleague Charlotte von Kirschbaum This is an evocative portrait of a theologian who described himself as God s cheerful partisan who was honored as a prophet and a genial spirit was feared as a critic and shaped the theology of an entire century as no other thinker *Reforming Rome* Donald W. Norwood,2015-01-16 Few people realize that Karl Barth one of the twentieth century s greatest Protestant theologians was among a select group of non Catholic guests who were invited to the Second Vatican Council 1962-65 to assist in the reform and renewal of the Roman Catholic Church In *Reforming Rome* Donald Norwood offers the first book length study of Barth s involvement with Vatican II and his significant impact on the reform of the Catholic Church Norwood examines Barth s critical engagement with the Roman Catholic Church from his time at the Catholic University of Munster to his connection with Vatican II his conversations with Pope Paul VI and seminars and interviews he gave about the Council afterward On the basis of extensive research Norwood amplifies Barth s own very brief account of Vatican II Barth himself often felt that he was better understood by Roman Catholics such as Hans Kng Hans Urs von Balthasar and Joseph Ratzinger than he was by his own Reformed colleagues This study written by a fellow Reformed theologian helps us to see why **Agape, Eros, Gender** Francis Watson,2000-01-13 Issues of gender and sexuality have recently come to the fore in all humanities disciplines and this book reflects this broad interdisciplinary situation although its own standpoint is broadly theological In contrast to many contemporary feminist theologies gender and sexuality eros are here understood within a distinctively Christian context characterized by the reality of agape the New Testament s term for the comprehensive divine human love that includes the relationship of man and woman within its scope The central problem is concern with key Pauline texts relating to gender and sexuality 1 Cor 11 Rom 7 Eph 5 texts whose influence on western theology and culture has been enduring and pervasive They are read here in conjunction with later theological and non theological texts that reflect that influence ranging from Augustine and Barth to Virginia Woolf Freud and Irigaray Feminist Reconstructions of Christian Doctrine Kathryn Greene-McCreight,2000-03-09 What is the relationship between feminist theology and classical Christian theology Is feminist theology Christian and if so in what respect and to what extent This study seeks to analyze and evaluate the relation of feminist reconstructions to traditional Christian teaching Greene McCreight uses the extent to which the biblical depiction of God is allowed to guide theological hermeneutics as a test of orthodoxy She looks at the writings of a wide range of contemporary feminist theologians discusses their doctrinal patterns and demonstrates how the Bible is used in undergirding their theological reconstructions

Desperate for Authenticity Patricia Hawley, 2010-08-04 Virginia Ramey Mollenkott is a pioneer in the endeavors to integrate feminism with Christian theology specifically evangelical theology *Desperate for Authenticity* considers her personal development alongside her theological development to provide insight into her contributions in the scholarly arena Dr Mollenkott was one of the first evangelicals who demanded that concern for marginalized and vulnerable populations of people be nurtured A foreword by Dr Mollenkott is included as a response to some of the ideas within this book *Image and Hope* Yaroslav Viazovski, 2016-02-25 Developments in biblical studies neurosciences and Christian philosophy of mind force theologians to reconsider the traditional concept of the immortal soul At the same time the concept itself tends to create axiological dualism between the body and the soul that in turn may lead to insufficient appreciation of the physical life in this world A more holistic approach to the ontology of human beings is required The aim of this study is to analyse the function of the concept of the soul in the dualistic anthropology of John Calvin and to compare it to the holistic anthropology of Karl Barth in order to answer the question of whether the transition from one to the other is possible without the loss of the functions fulfilled by the soul
