James D. Marlow

# Questioning The Postwar Consensus Thesis

**David Richards, Martin J. Smith**

## **Questioning The Postwar Consensus Thesis:**

**Questioning the Postwar Consensus Thesis** James D. Marlow, 1996 The postwar consensus between the Labour and Conservative parties refers to the apparent agreement between the two parties with regard to commitment to certain broad politico economic policy imperatives This volume questions the existence of such a consensus **Postwar British Politics**

Peter Kerr, 2005-07-26 This book offers a fresh view of postwar British politics very much at odds to the dominant view in contemporary scholarship The author argues that postwar British politics up to and including the Blair Government can be largely characterised in terms of continuity and a gradual evolution from a period of conflict over the primary aims of government strategy to one of recent relative consensus This book provides a provocative and challenging account of the historical background to the election of the Blair Government and will be of interest to a wide audience **The IMF Crisis**

**of 1976 and British Politics** Kevin Hickson, 2005-02-25 The 1976 IMF crisis was a seminal event in modern British political and economic history The seeds of the crisis were sown by the huge OPEC oil price shocks of 1972-3 leading to the potential meltdown of Britain's already weakened economy and seemingly confirming Britain's headlong decline as a major political and economic power The government was seen as going cap in hand to the International Monetary Fund IMF to head off disaster an image which became a long lasting political icon Kevin Hickson has mined vital original source material including interviews with leading players to probe government economic thought and practice He questions much received wisdom especially that the crisis caused a basic shift to monetarist orthodoxy and right wing economic liberalism commonly known as Thatcherism and embraced by successive governments including New Labour **Transactions of the Royal Historical**

**Society: Volume 9** Royal Historical Society, 1999-12-09 Volume 9 of the RHS Transactions contains essays based around the theme oral history memory and written tradition **Cultures of Citizenship in Post-war Canada, 1940 - 1955** Nancy

Christie, Michael Gauvreau, 2004-01-15 The years between the end of World War II and the mid 1960s have usually been viewed as an era of political and social consensus made possible by widely diffused prosperity creeping Americanization and fears of radical subversion and a dominant culture challenged periodically by the claims of marginal groups By exploring what were actually the mainstream ideologies and cultural practices of the period the authors argue that the postwar consensus was itself a precarious cultural ideal that was characterized by internal tensions and while containing elements of conservatism reflected considerable diversity in the way in which citizenship identities were defined Contributors include Denyse Baillargeon Universit de Montr al P E Bryden Mount Allison University Nancy Christie Michael Gauvreau Karine Hebert Carleton University Len Kuffert Carleton University and Peter S McInnis St Francis Xavier University **The**

**Political Economy of New Labour** Colin Hay, 1999 This text is an analysis of the emergence of New Labour from the electoral wilderness to government It will be of interest to students academic journalists and policy makers in Britain and North America **Disjunctive Prime Ministerial Leadership in British Politics** Christopher Byrne, Nick Randall, Kevin

Theakston,2020-06-25 This book illustrates the cyclical pattern in the kinds of dilemmas that confront political leaders and in particular disjunctive political leaders affiliated with vulnerable political regimes The volume covers three major episodes in disjunction the interwar crisis between 1923 and 1940 afflicting Stanley Baldwin Ramsay MacDonald and Neville Chamberlain the collapse of Keynesian welfarism between 1970 and 1979 dealt with by Edward Heath Harold Wilson and James Callaghan and the ongoing crisis of neoliberalism beginning in 2008 affecting Gordon Brown David Cameron and Theresa May Based on this series of case studies of disjunctive prime ministers the authors conclude that effective disjunctive leadership is premised on judicious use of the prime ministerial toolkit in terms of deciding whether when and where to act effective diagnostic and choice framing and the ability to manage both crises and regimes **Ideologies of Conservatism** E. H. H. Green,2002 This work charts developments in the nature of conservative political thought and the meaning of conservatism throughout the 20th century It explores the ideology of the Conservative Party from the Edwardian certainties of Balfour to the present day **Churchill's Cold War** Klaus Larres,2002-01-01 En dybtgående veldokumenteret analyse af britisk udenrigspolitik i gennem de første 10 efterkrigsår herunder bl.a. den engelsk-amerikansk-franske samarbejde for at afvise Sovjetunionens bestrebelse for at genforene Tyskland Augmenting Democracy Andrew Chadwick,2019-01-15 First published in 1999 Andrew Chadwick provides an important new interpretation of British radical suffrage feminist and socialist movements during the first quarter of the twentieth century based on analysis of their visions of democratic constitutional reform He argues that a shared discourse of radical constitutionalism allowed these groups to forge alliances based upon a common preoccupation with extending and improving constitutional democracy This book is a significant contribution to current methodological debates around the importance of language and discourse in social and political history It is the first detailed study to integrate material on three important constitutional campaigns of this era the reform of the House of Lords women's suffrage and proportional representation It will be of interest to students of British politics social and political history historical methodology and political theory **The Challenges of Capitalism for Virtue Ethics and the Common Good** Kleio Akrivou,Alejo José G. Sison,2016-08-26 The evolution of modern capitalist society is increasingly being marked by an undeniable and consistent tension between pure economic and ethical ways of valuing and acting This book is a collaborative and cross-disciplinary contribution that challenges the assumptions of capitalist business and society It ultimately reflects on how to restore benevolence collaboration wisdom and various forms of virtuous deliberation amongst all those who take part in the common good drawing inspiration from European history and continental philosophical traditions on virtue *Sacred Cows and Common Sense* Tim Bale,1999 Using Labour's postwar welfare policy it shows that we need to break down distinctions between the symbolic and the substantial in politics that cultural theory has potential as a way of understanding party political culture and that welfare policy has played a crucial but self-defeating role in Labour's efforts to manage itself win hearts and minds and govern competently It concludes by arguing that New Labour's

attempts to rethink welfare is largely rhetorical if one recalls what Labour did in office rather than promised in opposition. Rather than a serious attempt to confront social realities the rethink represents a continuation of past practice and a way of signalling the government's soundness to the market. **Training minds for the war of ideas** Clarisse

Berthezène, 2024-06-04 This book examines attempts by the Conservative party in the interwar years to capture the brains of the new electorate and create a counter culture to what they saw as the intellectual hegemony of the Left. It tells the fascinating story of the Bonar Law Memorial College Ashridge founded in 1929 as a College of citizenship to provide political education through both teaching and publications. The College aimed at creating Conservative Fabians who were to publish and disseminate Conservative literature which meant not only explicitly political works but literary historical and cultural work that carried implicit Conservative messages. This book modifies our understanding of the history of the Conservative party and popular Conservatism but also more generally of the history of intellectual debate in Britain. It sheds new light on the history of the middlebrow and how that category became a weapon for the Conservatives. *Organisation Development in Healthcare* John Edmonstone, 2021-11-28

Organisational development (OD) as a practice involves an ongoing systematic process of implementing effective organisational change. OD is both a field of applied science focused on understanding and managing organisational change and a field of scientific study and inquiry. It is interdisciplinary in nature and draws on sociology psychology particularly industrial and organisational psychology and theories of motivation learning and personality. *Organisation Development in Healthcare: A Critical Appraisal for Practitioners* provides both an overview of the evolution of OD in healthcare as a field of practice and as a challenge to its future development. It examines the underlying assumptions behind OD and tracks its historical growth in healthcare with special attention devoted to the UK's National Health Service. The unusual nature of healthcare organisations delivering human services through the work of professionals who are subject to emotional labor and are addressing society's wicked problems provides a unique context. A range of challenges for healthcare OD are identified including questions of conformists or deviant innovation organisations as machines or systems hierarchy versus democracy the importance of power and emotion and possible future ways forward for healthcare OD are suggested. Examples and short case studies from both the UK and the US to illustrate the benefits of OD are included.

*More Adventures with Britannia* Wm. Roger Louis, 2010-07-05 Collecting the interpretations of outstanding writers on the literature and history of modern Britain this book deals with a rich variety of themes some familiar many unexpected taking the reader on a highly engaging excursion through British life and intellectual biography. The scope includes not only the personalities politics and culture of England Wales Scotland and Ireland but also the interaction of British and other societies throughout the world. *Parliamentary History*, 1999 **Revisiting The Welfare State** Page, Robert, 2007-09-01

In *Revisiting the Welfare State* Robert Page provides an account of the British welfare state since 1940. His text re-examines some of the most commonly held assumptions about the post-war welfare state and reignites the debate.

about its role and purpose Robert Page starts from the premise that the student of social policy can gain a deeper understanding of the welfare state by studying political and historical accounts of the welfare state party manifestos policy documents and political memoirs Drawing from these sources he provides a clear guide to the changing role of the state in the provision of welfare since 1940 Each of the five chapters is devoted to a particular theme associated with the post war welfare state the last of which focuses on the strategy of the New Labour governments of Tony Blair It is reading for students of social policy social work politics and contemporary history It will also appeal to the general reader who is seeking an accessible guide to the political history of the post war welfare state

**Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards**

,2007 *The Oxford Handbook of Modern German History* Helmut Walser Smith,2011-09-29 This is the first comprehensive multi author survey of German history that features cutting edge syntheses of major topics by an international team of leading scholars Emphasizing demographic economic and political history this Handbook places German history in a denser transnational context than any other general history of Germany It underscores the centrality of war to the unfolding of German history and shows how it dramatically affected the development of German nationalism and the structure of German politics It also reaches out to scholars and students beyond the field of history with detailed and cutting edge chapters on religious history and on literary history as well as to contemporary observers with reflections on Germany and the European Union and on multi cultural Germany Covering the period from around 1760 to the present this Handbook represents a remarkable achievement of synthesis based on current scholarship It constitutes the starting point for anyone trying to understand the complexities of German history as well as the state of scholarly reflection on Germany s dramatic often destructive integration into the community of modern nations As it brings this story to the present it also places the current post unification Federal Republic of Germany into a multifaceted historical context It will be an indispensable resource for scholars students and anyone interested in modern Germany

**Governance and Public Policy in the United Kingdom** David Richards,Martin J. Smith,2002 How has the New Right globalization and Europeanization changed the nature of the British state

### **Questioning The Postwar Consensus Thesis Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Questioning The Postwar Consensus Thesis PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Questioning The Postwar Consensus Thesis PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Questioning The Postwar Consensus Thesis free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
